CALL FOR PAPERS

The Seventh International Conference on Management Science and Engineering Management
November 7-9, 2013
Philadelphia, USA
http://www.icmsem.org/

The International Conference on Management Science and Engineering Management is the Annual Conference organized by the International Society of Management Science and Engineering Management. The goals of the Conference are to foster international research collaborations in Management Science and Engineering Management as well as to provide a forum to present current research results in the forms of technical sessions, round table discussions during the conference period in a relax and enjoyable atmosphere. **All accepted papers of ICMSEM 2013 will be gathered in proceedings of ICMSEM and published by Springer.**

CONFERENCE PUBLICATION

The accepted papers will be gathered in "Proceedings of the Seventh International Conference on Management Science and Engineering Management" . The proceedings of the First, the Second, the Third and the Fourth International Conference on Management Science and Engineering Management have been archived by ISTP retrieval and the proceedings of the First, the Third and the Sixth International Conference on Management Science and Engineering Management has been archived by EI retrieval. The proceedings of the Fifth International Conference on Management Science and Engineering Management have been delivered to both ISTP and EI retrieval. The proceedings of the Seventh International Conference on Management Science and Engineering Management will be delivered to both ISTP and EI retrieval.

PAPER SUBMISSION

Full papers in English containing original and unpublished results are solicited. The length of a paper should be 8-12 pages in conference template. Please submit your papers on **http://www.icmsem.org/** or **icmsem@yahoo.cn**. The program committee will select high quality papers and invite the authors to contribute to the International Journal of Management Science and Engineering Management. **The capacity of the proceedings is limited, so the earlier you submit papers, the earlier we will review and accept them.**

REGISTRATION FEE

Publication fee is US$200, which includes reviewing fee, editing fee, indexing fee and a copy of the conference proceedings, and the paper with more than 12 pages should be subject to extra US$25 per page. If you want to participate the conference, you should pay extra US$250 registration fee, which includes conference banquets, all meals and some social programs. (Drexel faculty can attend the conference for free but will have to pay publication fee if their paper is published in the proceedings.)
