Moving to Campus

The Offices of University Housing and Residential Living look forward to welcoming you to the Drexel campus in September! To help prepare you for move-in, please some tips below regarding move in and arrival as well as some other ways to get involved and services available to you once you arrive on campus!

Things to keep in mind during your arrival and time for unloading:

- Please arrive during your move-in time to take advantage of the staff and services provided.

- Clearly **label all of your items with your name and room assignment information** to help expedite the move-in process.
- **It is advised to bring your own moving equipment** (i.e., dollies and hand trucks). University Housing will provide a limited number of moving carts for student use.
- Don't forget to wear comfortable clothing and appropriate footwear. Please be sure to check weather forecasts regularly for your move-in date. If the forecast calls for rain, be sure to pack rain gear including umbrellas and plastic coverings.
