

On Call Retail Memberships for Clients Discount Enrollment Instructions

Members of On Call Client's and their family are eligible for a **20% discount** when enrolling in an On Call International retail membership for protection during personal or leisure travel.

There are five membership types: Single Trip, Annual, Mature Annual (Age 77+), Deluxe Annual and Academic. Each has an individual and family option (with exception of the Academic).

All Memberships have the following features:

- All Memberships include medical and travel assistance; the medical evacuation and repatriation benefit is **Unlimited**. Deluxe Memberships include political and natural disaster evacuation coverage.
- The benefit for evacuation and repatriation kicks in when a Member is hospitalized due to illness or injury while traveling 50 miles or more from home or campus. *The evacuation does not need to be deemed medically necessary for coverage*; On Call will provide medical transportation to the **home hospital of the Member's choice** upon request following hospitalization.
- Under a family membership, **up to 9 dependents** can be enrolled with no additional cost. A dependent is a spouse, domestic partner, or unmarried children over 30 days old and under 19 years of age, or up to and including 25 years if they are a full time student OR wholly dependent upon the Member for maintenance and support.

To Enroll:

To learn more about the membership types, obtain quotes and enroll with the Client member 20% discount, simply visit www.oncallinternational.com/go/OnCallClients

If you would like to review the Full Description of Services, simply click through the link in the description of the Membership – here you will see a full list of services and at the bottom of that list, there is a link to the full document.

When you are ready, click "Get Quote", please note that the discount is applied at the end of the sale and quotes do not reflect the discount.

To apply the discount, on the payment information page enter the following in the Coupon Code box: **OCIClient and click apply.**

You should see your reduced rate and can now complete the sale. Please note, when traveling on a trip you have purchased personal membership for, the phone numbers on the membership card you receive with your personal membership should be utilized whenever possible.

On Call wishes you safe and healthy travels!
