The Drexel Department of Public Safety is providing the Drexel community with information and enrollment assistance in the
Philadelphia Premise Alert System.

Students who live within the city limits of Philadelphia and who have impairments or disabilities may wish to register with the Premise Alert System and Drexel Cad System in order to receive specialized care during emergencies. For example, students with autism, psychiatric disorders, physical disabilities, sensory impairments (hearing or vision), or other complex medical issues which require special handling of equipment may wish to register. The first responding officers will then have all the necessary information at their disposal in order to better assist those students during the emergency.

Once a student has completed the Premise Alert System registration form (attached), the form should be sent to the Department of Public Safety where designated staff will review and process the information. The student’s on-campus address will be entered into the Drexel Cad System, so that all on-campus responders are made aware of the pertinent information during any emergency in that building. The appropriate staff of residence halls are also contacted and informed of the specific emergency-related needs of each of their residents. The Department of Public Safety will then send the Philadelphia Premise Alert System form to the Police Department of Philadelphia so the information can be entered into the city-wide system.

This information will be removed from our files periodically, therefore this form must be re-submitted by the student every year or whenever a change in residence is made to ensure that our files remain accurate.

Please note: It is not required that students be registered with the Office of Disability Services ("ODS") in order to access this service. However, should any student of the university wish to receive accommodations due to a disability, requests must be made to ODS. 215.895.1401 (Phone), 215.895.2277 (TTY), 215.895.1402 (Fax), disability@drexel.edu

Please return all forms to the Department of Public Safety, 3201 Arch Street, Suite 350. If you have any questions or concerns, please contact either of the individuals listed below.

This form is to assist the City of Philadelphia in more effectively responding to an emergency situation that a member of your household with a disability may experience. Please complete the following voluntary questionnaire and return it by mail, or drop it off at the nearest Police District.

If you choose to respond, the information will be submitted into the Philadelphia Police Department’s CAD system for use by Philadelphia’s 911 dispatchers. The purpose is to ensure that 911 dispatchers and emergency response personnel are aware, in advance, of any information you feel they would need to know about people with disabilities in your household in the event of an emergency.

Responding to this questionnaire is purely voluntary. You may choose to respond on behalf of all of your household members or only certain household members. If you choose to respond to this questionnaire, please be sure to provide your signature on the last page. (Your signature gives us the permission we need to process this information - without it the information cannot be processed.)

In addition, this information will be removed from our files periodically therefore this form must be submitted every two (2) years to ensure that our files are accurate.

Please notify Police Radio Training at 685-3940 if there is any change to the information you provide. (i.e. change of address, phone number, etc.)
