INDIVIDUAL HOUSING AGREEMENT FOR 34th STREET HOUSING 2018-2019

The academic terms included in this Agreement are:
Fall 2018, Winter 2019, Spring 2019, and Summer 2019

I. GENERAL TERMS AND CONDITIONS OF HOUSING AGREEMENT

1. This Individual Housing Agreement (“Housing Agreement”) is between the individual student (hereinafter referred to as “Resident”) and Drexel University. It sets forth the terms and conditions under which Resident may occupy the Chapter House.

2. Only students regularly enrolled, registered for classes, and in good academic and financial standing at the University may occupy the Chapter House. Limited exceptions to the foregoing for a temporary period based on special circumstances may be made by the Office of University Housing with support by Residential Living and Student Conduct.

3. All students residing in the Chapter House units are first and foremost members of the University community and are required to abide by all applicable federal, state and local laws and ordinances as well as all University policies, rules, regulations, and standards of conduct in order to retain this Housing Agreement. In addition, the standards and obligations of the University’s policies for Student Organizations and Fraternity and Sorority Life (as amended from time to time) guide the activities and development of all recognized fraternal groups and, therefore, also define the Resident’s role in matters of collective responsibility which may affect a Resident’s term of continued occupancy.

4. As residents of a Fraternity/Sorority Chapter House, students are also expected to abide by house rules and chapter regulations as promulgated by the Fraternity/Sorority (its undergraduate and/or local alumni corporation organizations) which are in accord with general University conduct codes and standards.

5. The University reserves the right to supplement, amend, elaborate, or clarify this Housing Agreement through the issuance of memoranda, rules, regulations, or directives governing Fraternity/Sorority residential Chapter Houses during the period of occupancy defined by this Housing Agreement.

6. Residents are responsible for cleaning their own room(s) and collectively cleaning the common areas, if applicable. In the event that adequate health and safety standards are not maintained, the University may have the room(s) and common areas cleaned at the expense of the resident(s) and may take other action as appropriate. Trash must be removed from a room and/or suite at least three times a week and disposed of in the proper area.

7. This Housing Agreement covers some of the more serious problems in Fraternity/Sorority residences and is not meant to be all-inclusive. Students are expected to conduct themselves in a manner that demonstrates due regard for their fellow residents and members of the University and surrounding community.

8. Pest control is of particular concern in an urban environment. The Office of University Housing provides weekly service to all public areas and provides an on-going, aggressive extermination program for all properties. Any resident wishing to have their room exterminated during the course of the year may do so. This service can be requested by contacting the individual Resident Assistant or communicating directly with the Office of University Housing. Private room exterminations are completed on the same day the public areas are completed in a particular building. House residents must make every effort to maintain a clean and tidy living area. This includes the prompt removal of trash and the appropriate storage of food in kitchen areas. Storage of food in student bedrooms is strongly discouraged. Report pest control issues to your Resident Assistant immediately.

9. The University requires all students entering the University to show proof of immunization against certain vaccine-preventable diseases before arriving on campus. Failure to satisfy the immunization requirements may prevent Resident from checking in and/or being asked to vacate housing.

10. The following sections are applicable only to Resident’s occupying a Model A property. Model B properties will follow their own internal processes with respect to these matters:
1. Section IV - Room Assignments
2. Section VI - Move-In/Move-Out/Keys.

11. Model A and Model B locations are:

III. CANCELLATION/TERMINATION OF AGREEMENT

1. Once the University accepts the Housing Agreement, it is binding for the period specified above and the Resident shall be held to this condition.
2. Request for Release from Housing Agreement (Cancellation): Any resident seeking early cancellation of the Agreement must complete and submit a Request for Release form to the University along with appropriate supporting documentation to the following office:

   Office of University Housing
   101 N. 34th Street

   F: 215-895-6225
   E: housing@drexel.edu

3. In the event a Resident can document one of the specified Acceptable Reasons below, the Request for Release will be approved effective immediately. If the Resident checks out within forty eight (48) hours of approval notification, the date of the approval notification will determine their refund amount. If the Resident checks out beyond forty eight (48) hours of the approval notification, the date of check-out will determine their refund amount.

Acceptable Reasons:

i. Academic Withdrawal from the University (except withdrawal for student conduct issues) - Required supporting documentation includes a completed Undergraduate Withdraw Form.

ii. Taking a Term Off- Required supporting documentation includes a signed letter from the Resident stating their intent to take a term off by not registering for class or co-op for any given term.
4. The Resident may request cancellation of the Housing Agreement for reasons other than those listed in section 3, including participation in a study abroad or co-op program, by submitting a Request for Release from Housing Agreement available on the University Housing website or in the University Housing main office. As set forth in the 34th Street Housing Licensing Agreement, each Fraternity/Sorority is responsible for maintaining a defined occupancy. All requests to cancel an individual Housing Agreement for reasons not identified in section 3 will be reviewed by University Housing; however, University Housing will also forward all requests to the Chapter Leadership (defined as the undergraduate President, undergraduate House Manager, and Alumni Advisor) for review and final approval. The undergraduate President shall be the authorized representative for the Fraternity/Sorority. An individual Housing Agreement shall not be considered canceled until confirmed in writing by University Housing.

5. Once a Request for Release is approved as specified in Sections 3 or 4 above, the reason for the cancellation will be evaluated to determine if cancellation fees apply. If a Resident from the following chapters (Alpha Epsilon Pi, Alpha Chi Rho, Delta Zeta, Alpha Sigma Alpha, Phi Sigma Sigma, Phi Mu, Delta Phi Epsilon, Sigma Phi Epsilon, Alpha Pi Lambda, Lambda Chi Alpha) seeks to cancel this Agreement for a reason deemed acceptable by the University. The cancellation for acceptable reasons described in paragraphs (iii), (iv) and (v) will only be effective for the period during which the acceptable reason is in effect.

Acceptable Reasons:

i. Not Attending University – Required supporting documentation: a signed letter from first-year students and transfers only, stating their intent not to enroll at the University. The housing deposit is non-refundable.

ii. Academic Withdrawal from the University (except withdrawal for student conduct issues) - Required supporting documentation: a completed Undergraduate Withdraw Form. The housing deposit is non-refundable.

iii. Co-op Outside the Area - Required supporting documentations: a Request for Release form signed by a Resident’s co-op advisor confirming the Resident's acceptance of a co-op assignment outside of a 10-mile radius of the University’s campus. Additionally, the Resident must provide verification of Resident’s new residence located outside a 10-mile radius of the University’s campus.

iv. Study Abroad – Required supporting documentation: a Request for Release form signed by Study Abroad Office verifying participation in a study abroad program.

v. Taking a Quarter Off – Required supporting documentation: a signed letter from the Resident stating their intent to take a quarter off by not registering for classes or co-op for any given quarter. The housing deposit is non-refundable.

A Resident’s contractual obligation for another living arrangement will not be honored as a valid reason for release from this Agreement. The University strictly enforces its cancellation policies. The Cancellation Fee for each quarter being cancelled is based on the date of receipt by University Housing of the Request for Release form, as outlined below.

6. If the Request for Release is either approved in writing by University Housing or is pre-approved as set forth in section 3 and 4 and is properly documented, the charges for the Resident for that term will be prorated based upon date of check-out and the Resident will receive a full refund for all future terms being canceled.

A Resident who has lost housing as a result of a disciplinary sanction imposed by the University is not entitled to receive a refund of any amounts paid for housing, and is liable for any and all amounts due or to become due during the remainder of the term of their Individual Housing Agreement.

In the event a Resident fails to provide written notice of their intention to cancel the Agreement using the Request for Release form, or fails in any other manner to comply with the cancellation provisions of this Agreement, the Resident will be liable for all housing charges for the remainder of the term of this Agreement.

7. The University reserves the right in its sole discretion to terminate and revoke this Housing Agreement if:
   I. Resident fails to pay any fees or housing charges when due; or
   II. Resident violates any University policies, rules, regulations and standards of conduct; or
   III. The Fraternity/Sorority of which Resident is a member loses its eligibility to conduct fraternity/sorority activities on the University’s campus under University rules and regulations; or
   IV. Resident is no longer an enrolled student or no longer registered for classes at the University; or
   V. Resident fails to abide by his obligations set forth in this Housing Agreement; or
   VI. The termination or revocation is necessary or advisable in the interest of health, safety, or the conduct of its Fraternity/Sorority residence program.

8. This Housing Agreement may also be terminated by the University, should the Resident:
   I. Violate Fraternity/Sorority rules, regulations, or guidelines; or
   II. Exhibit behavior and conduct deemed counterproductive to the attainment of the broader educational and social aspirations of the University’s Fraternity and Sorority undergraduate experience.

9. If the University revokes or terminates this Housing Agreement for the reasons set forth in Sections 7 or 8, Resident may be required to immediately vacate Resident’s room and the Chapter House. In the event Resident does not vacate when requested, the University has the right to repossess Resident’s room and to pack, remove and store all of Resident’s furnishings and personal property at Resident’s expense. The University also has the right to change the lock of Resident’s room and Chapter House and bill the Resident for the cost of the lock change. The University will not be responsible for Resident’s furnishings and personal property. In the event that the University revokes or terminates this Housing Agreement and requires the Resident to vacate his room, the University shall not be required to refund any amounts paid by the Resident to the University.

IV. ROOM ASSIGNMENTS.

1. This Housing Agreement may not be assigned, sublet or transferred without the prior written permission of the University. Any assignment, sublet or transfer without such written permission shall be null and void and in breach of the terms of this Housing Agreement.

2. The Resident will be assigned to a room in the Chapter House. Depending on the Chapter House, Resident may share a room with one or more persons. Room and roommate assignments are made by the University after consultation with the Fraternity/Sorority under its rules and
procedures. The University reserves the right to fill each room to its stated capacity, that capacity to be determined by the University after consultation with the Fraternity/Sorority.

3. If, during this term of occupancy, a Housing Agreement is terminated with respect to any Resident, the remaining Residents shall accept such roommate(s) as are assigned by the University after consultation with the Resident Assistant. The Fraternity/Sorority shall maintain a current roster of residents and room assignments with the University.

4. Reassignment of rooms is subject to the rules and regulations of the Fraternity/Sorority as approved by the University.

3. Following any expiration, termination or revocation of this Housing Agreement, Resident remains liable for all housing charges and any applicable charges and fees for cleaning, repairs, damage, storage or other housing charges in accordance with the schedule established by the University. Late fees and returned check fees may be imposed as set forth in the University Catalog.

4. Resident understands and agrees that all delinquent financial obligations to the University must be satisfied before Resident’s student transcript is released. The University reserves the right to submit all delinquent accounts to outside collection agencies and credit bureaus. 5. When one roommate (or user of a semi-private bathroom) moves out while others remain, each is equally responsible for cleaning the room/bathroom. If the room/bathroom is not found to be in acceptable condition after inspection, cleaning service will be provided and the Residents will bear the cost.

6. At the termination of occupancy the Resident is required to formally check out with the Resident Assistant or University Designee and update the Room Condition Report submitted at Check In. In the event that the Resident fails to provide to the University the updated Room Condition Report, the Resident shall accept the University’s determination of the amount of damage the Resident caused to his room and the cost of repairing such damage.

7. Residents are responsible to file with the post office and all creditors when they vacate the property so that any mail can be forwarded to the new address. University and Fraternity/Sorority shall not be held responsible for non-forwarded mail.
8. Students may reside in their assigned Chapter House over Term Break (the period between academic terms) provided that they have an active assignment for the academic term immediately preceding and the academic term immediately following the Term Break.
