Exit Survey Summary: AY 2014-2015

A total of 150 MSLIS students completed their programs in AY 2014-15, both on-campus and online, of whom sixty-five students participated in the Graduate Student Exit Survey. The following summary of the survey results based on 43% of response rate highlights key data pertinent to the Committee on Accreditation Standards for Accreditation of Master’s Programs in Library and Information Studies (2015). The overall results of student satisfaction are highly positive based on overall satisfaction with quality of education: 90% of survey participants reported that they would encourage others to attend our LIS program.
