Accreditation Information

Accreditation

Drexel University (DREXEL) College of Nursing and Health Professions, Division of Continuing Nursing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Accreditation does not imply that Drexel University (DREXEL) College of Nursing and Health Professions, Division of Continuing Nursing Education or ANCC-COA approves or endorses any product included in an educational activity.

DREXEL also has provider status with California BRN: Provider #CEP13661.

Faculty Presenters

Although rarely necessary, we reserve the right to substitute faculty presenters. The faculty presenters are all well qualified to speak in their area of expertise. The views expressed by them are not necessarily those of Drexel University.

Verification of Participation

Verification of your participation in this program is done by having you check in at the beginning of the conference.

Requirements for Successful Completion

You must attend the educational program in its entirety. You must complete the session evaluation form and submit it at the end of the program to receive continuing nursing education contact hour credit.

Commercial Support

No commercial support was received for any of the programs.

Sponsorship

No commercial support was received for any of the programs.

Disclosure Statement

All planners and presenters at nursing continuing education activities are required to disclose to the audience (1) any significant financial relationships with the manufacturer(s) of any commercial products, goods or services and (2) any unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in the course presentation materials.

CME Accreditation (For Select Courses Only – As Identified)

Select programs have been reviewed and approved for AAPA Category I CME credit by the Physician Assistant Review Panel.

These select programs were planned in accordance with AAPA's CME Standards for Live Programs and for Commercial Support of Live Programs.
