Strohmaier, H., DeMatteo, D., Fairfax-Columbo, J., Patel, U., & **Arnold, S.** (2015, May). *Successful psychopathy: Do abnormal selective attention processes observed in criminal psychopaths replicate among non-criminal psychopaths?* Poster presented at the 2015 Annual Convention of the Association for Psychological Science, New York, New York.

Zelle, H., Pennacchia, D., Ebbecke, J., **Arnold, S.,** Schecker, M, Goldstein, N.E.S. (2012, March). *Judges' treatments of the Knowing and Intelligent Requirements for Miranda Waivers*. Paper presented at the Annual Conference of the American Psychology-Law Society, San Juan, Puerto Rico.

RESEARCH EXPERIENCE

Research Assistant

July 2014-Present

DeMatteo Lab, Drexel University

Supervisor: David DeMatteo, J.D., Ph.D.

- Administer psychodiagnostic assessments to inmates for a study investigating how neuropsychology can predict violence risk after release from incarceration
- Participate in design, implementation, and data analysis for a study looking at state statutes for sexual assault to analyze how they relate to campus sexual assault
- Data coding for a study investigating abnormal selective attention processes in non-criminal psychopaths
- Data coding for a study investigating the effects of testimonial inconsistencies in US asylum hearings

Research Assistant

February 2013-June 2014

RACE Lab, John Jay College

Supervisor: Preeti Chauhan, Ph.D.

- Work on study investigating psychosocial effects of Stop, Question and Frisk practices in New York City, specifically effects of victimization during police interactions on self-reported levels of aggression
- Program study in Qualtrics and manage data collection

Lab Manager

August 2011- May 2012

Social Identity Lab, Wesleyan University

Supervisor: Clara Wilkins, Ph.D.

- Work on five separate studies involving stereotyping, Anti-White discrimination, self-esteem, social impressions of same-sex marriage, and attribution styles
- Assist in preparation of IRB materials, study design and creation of measures, norm and validate measures, and program studies in Medialab
- Oversee all data entry and create databases for all studies
- Analyze data from all studies
- Recruit and run participants in study measures
- Hire and train all research assistants
- Run lab meetings

Research Assistant

June 2010 – May 2012

Juvenile Delinquency and Intervention Lab, Drexel University

Supervisor: Naomi E. Goldstein, Ph.D.

Juvenile Justice Anger Management (JJAM) Treatment for Girls: Evaluation Phase

- Work on a study designed to develop, implement, and evaluate efficacy of an anger management intervention for female juvenile offenders in residential placements
- Administer assessment battery to study participants and score protocols, which include measures of anger, physical and relational aggression, mental health diagnoses, cognitive attribution style, emotion regulation, intellectual abilities, and academic achievement
- Assist with preparation of IRB submissions
- Specifically work on creating a Therapist Training Manual to distribute to clinicians to use the same intervention

Judges Treatment of the Knowing and Intelligent Requirements for Miranda Waivers

- Work on a study designed to evaluate judges' perceptions of the Knowing and Intelligent Miranda waivers
- Assisted with database management and data entry

Research Assistant/Lab Manager

September 2009-May 2012

Children's Media Representations of Crime, Wesleyan University

Supervisor: Sarah Carney, Ph.D.

- Code children's television shows for representations of crime, criminal characteristics, and punishment

- Maintain current database of TV shows
- Coordinate data entry and coding sheets
- Oversee lab management tasks, such as training RAs, scheduling lab meetings, and organizing RAs and all lab activities

Intern

August 2009- August 2010

Social Psychology Network

Supervisor: Scott Plous, Ph.D.

- Maintain upkeep of the largest internet database for social psychology, including an RSS feed of current headlines, literature, contact information for psychologists world-wide, and interactive teaching resources for social psychologists
- Maintain ranked list of social psychology doctoral programs by researching graduate schools in social psychology and obtaining contact information and location for each program

CLINICAL EXPERIENCE

Practicum Student, Re-Entry Project

July 2015-present

Drexel Psychological Services Center, Philadelphia, PA

Supervisor: Kirk Heilbrun, Ph.D.

- Conduct intake assessments regarding risk and treatment needs for men working with the Philadelphia Federal Re-Entry Court
- Co-lead cognitive skills group designed to aid re-entry clients in acclimating to society and reducing risk for future criminal behavior

Practicum Student, Mood/Anxiety Team

July 2015- present

Drexel Psychological Services Center, Philadelphia, PA

Supervisor: Pamela Geller, Ph.D.

- Provide therapy to clients with mood and anxiety disorders (including cognitive-behavioral therapy and acceptance and commitment therapy)
- Plan treatments and participate in weekly group and individual supervision
- Write intake reports and progress/contact notes

Forensic Assistant

September 2014- present

Private Practice of David DeMatteo, Philadelphia, PA

Supervisor: David DeMatteo, J.D., Ph.D.

- Accompany and assist Dr. DeMatteo with privately contracted forensic assessments including file review, clinical interview, psychometric testing and report writing

Forensic Case Manager

June 2012- June 2014

Queens TASC Mental Health Jail Diversion Program, EAC Inc.

Supervisor: Alexandra Garcia-Mansilla, Ph.D.

- Manage caseload of approximately 50 offenders with serious mental illness and often co-occurring substance abuse disorders
- Conduct initial diagnostic assessment of juvenile and adult offenders noted to have history of mental illness, conduct psychological assessment for diagnostic clarification as needed, present cases to clinical team, write psychosocial reports on each client
- Design appropriate treatment plans and present to court, help clients with obtaining social services when necessary (e.g., supportive housing, social security, insurance)
- Monitor clients throughout a 9 month-1 year treatment mandate and provide monthly updates to court on client's progress
- Collaborate with treatment providers when necessary
- Meet with clients in outpatient treatment on a weekly basis for case management appointments, drug toxicology tests, and crisis management
- Administer interactive CBT journals to all clients to target criminogenic thinking and negative behaviors that could lead to future recidivism

Staff Assistant

August 2010- December 2010

Child Development with Special Needs Practicum

Supervisor: Alis Jensen

- Completed 60 hour practicum at an integrated preschool and kindergarten for at-risk children with special needs or behavioral disorders in Brønshøj, Denmark
- Assist staff with daily activities for a classroom of 20 children

Assessor

September 2009 – May 2012

Juvenile Justice Anger Management (JJAM) Treatment for Girls: Evaluation Phase

Supervisor: Naomi E. Goldstein, PhD

- Administer and score cognitive, academic achievement, mental health, and behavioral assessments to adolescent female offenders within residential juvenile justice facilities
- Trained to discuss with participants histories of child abuse and danger to self or others if issues arise; trained to report these histories and risks to appropriate authorities

TEACHING EXPERIENCE

Teaching Assistant: Foundations in Contemporary Psychology	Spring 2011
Teaching Assistant: Social Psychology	Spring 2012
Teaching Assistant: Introduction to Psychology I	Fall 2014
Teaching Assistant: Introduction to Psychology II	Winter 2015
Teaching Assistant: Neuropsychology	Spring 2015

POLICY EXPERIENCE

Forensic Associate

August 2015- present

Specialized Clinical and Criminal Justice Unit

Philadelphia Department of Behavioral Health

Supervisors: Christy Giallella, Ph.D., Patricia Griffin, Ph.D.

- Assist with writing and submission of grant applications
- Conduct Hearing Voices That Are Distressing module at Crisis Intervention Training (CIT) for Philadelphia police officers
- Assist in implementation and management of Philadelphia Department of Behavioral Health activities and functions related to the criminal justice system
- Prepare internal monthly reports

PROFESSIONAL ORGANIZATIONS
