## **SPECIAL SKILLS**

Proficient with SPSS, HTML and web page design, MSExcel, MSAccess, MSPowerPoint, Intermediate level of fluency in French and Italian

## **RESEARCH & CLINICAL EXPERIENCE**

8/2011-Present

*Clinical Psychology Associate*

Supervisor: Kirk Heilbrun, Ph.D.

Forensic Mental Health Assessment Clinic

Philadelphia, PA

Assist in the evaluation and report writing of forensic mental health cases for civil and criminal litigation

Participate in weekly group supervision

7/2010-6/2011

*Clinical Psychology Intern*

Supervisor: Linda Welsh, Ed.D.  
The Anxiety and Agoraphobia Treatment Center  
Bala Cynwyd, PA

Carry a caseload of 3-5 patients with anxiety and mood disorders  
Participate in weekly group and individual supervision  
Present case presentations at team meetings

9/2009-Present

*Research Assistant*

Supervisor: David DeMatteo, J.D., Ph.D.  
DeMatteo Research Lab  
Department of Psychology  
Drexel University  
Philadelphia, PA

Conducting a meta-analysis regarding the efficacy of mandated treatment for  
substance using pregnant women

Review manuscripts for peer-reviewed journals

Collaborate in research projects regarding psychopathy, mandated treatment for  
substance use, juvenile sex offenders, and gender differences in the  
forensic psychology profession

Assist in forensic assessments for juvenile decertification

7/2006- 5/2008

*Research Assistant*

Supervisor: Paul Crits-Christoph, Ph.D.  
Center for Psychotherapy Research  
Department of Psychiatry  
University of Pennsylvania, Philadelphia, PA

*Primary Study Involvement*

**The Process of Group Therapy for Cocaine Dependence**

NIDA funded grant (R01-DA018935)

University of Pennsylvania

PI: Paul Crits-Christoph, Ph.D.

**Combined Treatment for Generalized Anxiety Disorder (GAD)**

NIMH funded grant (R34-MH072678)

University of Pennsylvania

PI: Paul Crits-Christoph, Ph.D.

*Secondary Study Involvement*

**Patient Feedback Effectiveness Study**

NIDA funded grant (R01-DA020799)

University of Pennsylvania

PI: Paul Crits-Christoph, Ph.D.

**Psychotherapy for Major Depression in the Community**

NIMH funded grant (R24-MH070698)

University of Pennsylvania

PI: Paul Crits-Christoph, Ph.D.

**Supportive Expressive Therapy Versus Treatment as Usual for Depression in the Community**

NIMH funded grant (K01-MH63149)

University of Pennsylvania

PI: Mary Beth Connolly Gibbons, Ph.D.

*General Research Responsibilities*

Institutional Review Board (IRB) correspondence for multiple studies, regarding protocol amendments, violations, serious adverse events, annual renewals, and progress reports

Hiring and managing of 6-8 undergraduate students at any given time- including the training of these students, monitoring their progress on data entry tasks, the coding of videos, administrative tasks, and literature reviews

Trained by doctoral-level psychologist to perform independent evaluations of depression with research participants at a community mental health center, that include the Hamilton Rating Scale for Depression (HAM-D), and the Structured Clinical Interview for the DSM-IV Axis 1 Disorders (SCID-I)

Management of study regulatory binders, participant logs, informed consent form logs, literature pertaining to various projects, study funds and monthly budget reports, participant compensation, supply ordering

Coordinating informed consent meetings and obtaining informed consent of study participants; coordinating psychotherapy treatment sessions of study participants

Monitoring the transfer of digital files of therapy sessions between our study therapists and study supervisor, and archiving digital files of therapy sessions for our data management unit

Data collection, database construction, data entry and checking, data analysis, interpretation of findings, composition of outcome reports

Correspondence and on-site training with multiple sites for our Patient Feedback project

Literature searches, literature reviews, manuscript preparation

8/2005-8/2006

*Research Assistant*

Supervisor: Dr. Rebecka Peebles, M.D

The Weight Lab

Clinic of Adolescent Medicine

Division of Pediatrics

Lucile Packard Children's Hospital/Stanford University School of Medicine, Mountain View, CA

Reviewed an assortment of clinical chart and lab information of adolescent eating disordered patients to update patient database

Trained in data entry, use of SPSS software, grant proposal writing, background research and literature review, data analysis and presentation

Participated in weekly research meetings to present and discuss results, current eating disorder research across sites, and received additional training

Shadowed Dr. Peebles monthly on inpatient comprehensive care unit as she evaluated and treated eating disordered patients

Conducted independent study under Dr. Peebles examining the relationship between histories of childhood abuse, eating disordered behaviors, and substance use

Reviewed patient chart information to write case summaries for insurance companies to fund patient's gastric bypass surgeries, and long-term in-patient treatment programs

8/2005-6/2006

*Research Assistant*

Supervisor: Dr. James Gross, Ph.D, Emma Seppala, MA

Psychophysiological Lab

Stanford University, Department of Psychology

Stanford, CA

Worked on study pertaining to empathy and emotion regulation

Recruited study participants

Administered study tasks and questionnaires to subjects

Participated in data entry and analysis, literature searches, preparing stimuli  
for projects, field research, subject scheduling

8-10/2005

*Research Assistant*

Supervisor: Dr. Ian Gottlieb, PhD

Mood and Anxiety Disorders Lab

Department of Psychology

Stanford University, Stanford, CA

Data entry for Information-Processing Study and Study on Intergenerational  
Transmission of Psychopathology

Coordinated assessments for mother-daughter dyadic participants

1-6/2005

*Marketing Research Intern*

Skystream Networks

Sunnyvale, California

Developed customer targeting and segmentation profiles for Telco and  
satellite markets

Analyzed customer research, industry trends, competitive intelligence reports

Coordinated and planned major trade shows

Distributed minutes from weekly sales meetings

6-8/2002

*International Business Intern*

Department of Human Resources, Marketing, and Sales

Cray Valley Division of AltaFina Elf

Paris, France

Analyzed and tabulated intra-European and Europe-Asia inventory data on  
sales and trading

Revised database and developed a systemized method for compiling sales  
information

Improved French language skills by participating in bi-weekly administrative  
meetings
