## **Science Electives**

## **CHEM**

Except 111 General Chemistry I, 112 General Chemistry II, 113 General Chemistry I Laboratory, 114 General Chemistry II Laboratory, 151 Applied Chemistry

## BIO

Except 161 General Biology I, 162 General Biology II, 163 General Biology III

## **PHYS**

Except 001, 100 Preparation for Engineering Studies, 103 General Physics I, 104 General Physics II, 105 Computational Physics I, 106 The Physics of High Fidelity, 121 Physical Science for Design I, 122 Physical Science for Design II, 151 Applied Physics, 160 Introduction to Scientific Computing, 305 Computational Physics II, 306 Computational Physics Laboratory II, 324 Topics in Mathematical Physics, 405 Advanced Computational Physics (cannot take both PHYS 131 Survey of the Universe & 181 Astronomy)

**PHEV** (Physics & Environmental Sci)

**NFS** (Nutrition & Food Science)

Except 275 Quantity Foods I, 276, 371 Institutional Organization and Administration, 372, 373, 374
