2017–2018 Verification of High School Completion

Student Name ___________________________________________ University ID __________________________

Please select and provide ONE of the following documents that indicate your high school completion status at the time you will begin college for the 2017–2018 academic year:

☐ A copy of your high school diploma

☐ A copy of your final official high school transcript that shows the date when the diploma was awarded

☐ A copy of the student's General Education Development (GED) certificate or transcript

☐ An academic transcript indicating that the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree

☐ A copy of the secondary school completion credential (other than a high school diploma or its recognized equivalent) for a homeschooled student, if state law requires the student to obtain one

☐ A transcript or the equivalent signed by your parent or guardian that lists the secondary school courses you completed if state law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent). The transcript or equivalent must document the successful completion of a secondary school education in a homeschool setting.

☐ A copy of DD form 214 (DD-214, Certificate of Release or Discharge from Active Duty). This is only accepted when a primary document (high school diploma, GED certificate, etc.) is unavailable. The DD-214 must indicate that the student is a high school graduate or equivalent, which is noted on Question 15b on Member Copy 1, 2, or 4.

If the student is unable to obtain any one of the documents listed above, he or she must contact the Financial Aid Office at 215.895.1600.
