

Donor Choice Program:

In addition to our Impact Partners, thousands of organizations are eligible to receive funding through United Way's Donor Choice Program. These agencies must be:

- Classified by the Internal Revenue Service as 501 (c) (3) tax exempt organizations
- Tax deductible in the United States
- Compliant with the USA Patriot Act (anti-terrorism legislation)

United Way does not monitor these organizations except to certify that they meet these three criteria.

Donor Choice organizations that received more than 60 designations in our most recent campaign are listed here.

Revisions to the listing after June 25, 2013, along with a full list of eligible agencies are available on our website www.UnitedForImpact.org/agency-search.

- Designations are also accepted for organizations not shown on this list or the website listing. Should you designate an agency that does not meet the specified criteria, United Way will notify you so that you may redirect your investment. If we do not hear from you, if your designation is less than \$24, if you have not provided sufficient information, or if the designated organization goes out of business or becomes ineligible at any point in the distribution schedule (such as if an agency's non-profit status is revoked), your gift will be redirected to United Way's Impact Fund.
- If you have questions about the Donor Choice Program or need additional assistance, please call our Donor Services Help Line at 800-417-8742, or email us at donorservices@uwgpsnj.org.
- Donor information is available through United Way's secure online reporting portal to organizations that receive designations.
- As United Way receives payments from donors, designations are distributed to organizations on a bi-monthly basis.

In order to recover expenses incurred to raise, collect, administer and distribute contributions, United Way of Greater Philadelphia and Southern New Jersey charges a cost recovery fee of 12.5% on each donated gift. In accordance with IRS requirements, United Way acknowledges that no goods or services were exchanged for your contribution.
