The OptumRx® consumer portal empowers members to become informed advocates of their own health by allowing them to easily manage and gain deeper insight into their prescription benefits.

**Simple:** The responsive design makes it easy for consumers to access their complete profile to manage their prescription benefits on any device.

**Smart:** With accurate drug pricing, proactive messaging on cost savings, and detailed order status information, all of the user’s real time benefits information is readily available.

**Seamless:** Consumers can enroll in text message reminders for taking their medications as well as when they need to refill or renew prescriptions and when orders have shipped.

Register or sign in to [optumrx.com](http://optumrx.com) to take advantage of these features.
**My Medicine Cabinet**

Upon log in, consumers will see their My Medicine Cabinet dashboard. This makes it easy for them to view their real time benefits and access the many tools and features to help them manage their medications and health from a single page.

Once registered on the website, users can access:

1. **Household access**
   Ability to manage prescriptions on behalf of family members

2. **Order status**
   Consumers are able to track where their home delivery order is within the process and view order hold information if applicable

3. **Proactive savings messaging**
   Advocates for the consumer by providing proactive ways to save such as transferring retail prescriptions to home delivery

4. **Member tools**
   Provides easy access to the most commonly used member tools throughout the site

5. **Medicine cards**
   Provides visibility to the most relevant information for medications a member takes
