TenetPreferred Physician and Hospital Listing

2012

An easy-to-use, detailed listing of participating providers

Search for doctors, hospitals, and ancillary providers at amerihealth.com
Welcome to AmeriHealth® HMO

This directory contains a list of participating primary care physicians (PCPs), specialists, hospital and ancillary providers that are part of the panel for your TenetPreferred program. You also have access to other available medical providers and facilities, which are part of the AmeriHealth HMO network. For updated or more detailed information on the AmeriHealth HMO network, visit our website at www.amerihealth.com/find_a_provider or call Customer Service at 1-800-275-2583, Monday through Friday, 8 a.m. to 6 p.m. to request a hard copy directory.

Under your TenetPreferred program, you must choose a primary care physician (PCP) to directly provide your health care and refer you to specialists when required. Each family member may choose his or her own PCP, including a pediatrician for children. You have two options in choosing a PCP, and those options are summarized below. Please refer to your benefits materials for details. Choose carefully to maximize your benefits.

- **Lowest out-of-pocket option.** By choosing a PCP from this TenetPreferred directory you will receive the highest level of benefits under your benefits program. Your co-pays are lower, and most provided services are 100 percent covered if you receive services from a TenetPreferred physician or hospital. If you need specialty or hospitalization care, ask your PCP to refer you to a provider listed in the TenetPreferred directory to maximize your benefits.

- **Highest out-of-pocket option.** AmeriHealth HMO allows you access to all other participating PCPs, specialists, and hospitals in the AmeriHealth HMO network. Your out-of-pocket costs will be highest if you seek care from PCPs, specialists and hospitals that are not listed in the TenetPreferred directory.

**HOSPITAL SERVICES**

This directory contains a list of the TenetPreferred facilities where you can maximize your benefits. You also have access to all AmeriHealth HMO participating hospitals at a higher copay amount. You can view a full list of AmeriHealth HMO participating hospitals by visiting our website www.amerihealth.com/find_a_provider/ or call Customer Service at 1-800-275-2583, Monday through Friday, 8 a.m. to 6 p.m. to request a hard copy directory. *If you are experiencing a medical emergency, go directly to the nearest hospital to receive care.*

**OB/GYN CARE**

With our Direct Access OB/GYN program, an AmeriHealth HMO member may visit a participating obstetrician/gynecologist (OB/GYN) or midwife for general OB/GYN care, including maternity care and non-routine OB/GYN care, without a referral. This directory contains a list of the TenetPreferred OB/GYNs that you can access for care and maximize your benefits. You also have access to all participating OB/GYNs in the AmeriHealth HMO network; however, your out-of-pocket costs will be higher.

**PATIENT-CENTERED MEDICAL HOME**

Patient-Centered Medical Home (PCMH) is a new model of primary care delivery recognized by the National Committee of Quality Assurance (NCQA) to improve access to and the coordination of care for members. Practices with a PCMH designation are organized with a physician who leads a team of care managers and health educators to help make sure patients, particularly those with chronic illnesses, receive key tests, take medication as directed, and have access to tools and resources to stay well. The PCMH is intended to provide more personalized, coordinated, effective and efficient care. Practices that achieve NCQA’s PCMH Recognition meet specific standards to enhance access and communication, provide patient self-management support, and track and coordinate care. This directory identifies the
primary care practices in the AmeriHealth network that are recognized by NCQA as a PCMH. For more information regarding Patient-Centered Medical Homes, visit our website at www.amerihealth.com, or call Customer Service at 1-800-275-2583, Monday through Friday, 8 a.m. to 6 p.m. ET.

This TenetPreferred directory is current as of the date it is published. It is important to know when you enroll in this plan that services are provided through the plan’s delivery system. AmeriHealth HMO reserves the right to add or delete participating physicians, hospitals, and/or other health care providers at any given time. AmeriHealth HMO cannot guarantee the continued participation of any one doctor, hospital or other health care provider. It is to your advantage to verify your provider’s network membership before receiving services. For more information regarding participating physicians, please call Customer Service at 1-800-275-2583, Monday through Friday, 8 a.m. to 6 p.m. Please refer to your benefits materials for additional information, including the benefits, exclusions, and limitations of your benefits program.

PRIMARY CARE PHYSICIANS

You may select a primary care physician (PCP) for yourself and each member of your family. This provider, either a group of physicians or a solo practitioner, will provide or arrange for all medically necessary services. This section is arranged alphabetically by state, county, specialty and then by group practice (participating physicians are listed in each group) within each county. Each entry includes the following information: physician name, practice name, provider number, address, phone number, and type of practice. Please include the physician/practice name and provider number on your Enrollment/Change Form.

OBSTETRICIANS/GYNECOLOGISTS AND MIDWIVES

Our DIRECT ACCESS OB/GYNSM program allows all members to visit a participating obstetrician/gynecologist or midwife for general OB/GYN care, including maternity care and non routine OB/GYN care, without a referral. Members have access to all other participating specialists with a referral from their primary care physician.
