Welcome to Personal Choice PPO

Personal Choice PPO is designed to offer you maximum freedom in choosing physicians for you and your covered dependents, while providing low-cost office visits and the preventive care associated with HMOs. By choosing Personal Choice, you enjoy freedom of choice and quality health care. As a Personal Choice member, your health care coverage will be simplified with freedom from claim forms and access to specialty care without a referral. With Personal Choice PPO, you are also free to choose health care providers that do not belong to our network; however deductibles, coinsurances, and maximums typically apply. You can reduce your out-of-pocket costs by choosing a participating provider listed in this directory.

This directory contains a list of participating primary care physicians (PCPs), specialists, hospital and ancillary providers that are part of the panel for your TenetPreferred program. You also have access to other available medical providers and facilities, which are part of the Personal Choice PPO network. For updated or more detailed information on the Personal Choice PPO network, visit our website at www.ibx.com/find_a_provider/ or call Customer Service at 1-800-ASK BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m. to request a hard copy directory.

Under your TenetPreferred program, you do not need to choose a primary care physician (PCP) and no referrals are required under your benefit. You have 3 options under your TenetPreferred program. These options are summarized below and explain how you can maximize your benefits:

- **Lowest out-of-pocket option.** By choosing a physician from this TenetPreferred directory you will receive the highest level of benefits under your benefits program. Your out-of-pocket costs will be lower if you receive services from a TenetPreferred physician or hospital.
- **Higher out-of-pocket option.** You can access all other participating physicians and hospitals in the Personal Choice PPO network, however, your out-of-pocket costs will be higher.
- **Highest out-of-pocket option.** You can access non-participating physicians and hospitals outside of the Personal Choice PPO network; however, your out-of-pocket costs will be higher.

HOSPITAL SERVICES

This directory contains a list of the TenetPreferred facilities where you can maximize your benefits. You also have access to all Personal Choice PPO participating hospitals; however, your out-of-pocket costs will be higher. You can view a full list of Personal Choice PPO participating hospitals by visiting our website www.ibx.com/find_a_provider/ or call Customer Service at 1-800-ASK BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m. for updated information on our provider network or to request a hard copy directory. ***If you are experiencing a medical emergency, go directly to the nearest hospital to receive care.***

OB/GYN CARE

With our Direct Access OB/GYNSM program, a Personal Choice PPO member may visit a participating obstetrician/gynecologist (OB/GYN) or midwife for general OB/GYN care, including maternity care and non-routine OB/GYN care, without a referral. This directory contains a list of the TenetPreferred OB/GYNs that you can access for care and maximize your benefits. You also have access to all Personal Choice PPO participating OB/GYNs, however, your out-of-pocket costs will be higher.

BLUE DISTINCTION CENTERS®

As a Personal Choice PPO member, you have access to Blue Distinction Centers®, participating network facilities that have extensive experience, meet rigorous quality standards, and consistently demonstrate positive results. Currently, Blue Distinction Centers® have been established for bariatric surgery, cardiac care, complex and rare cancers, knee/hip replacement, spine surgery and transplant services. All of the centers meet specific, evidence-based criteria on provider qualifications, best practices, and outcomes. These nationally established criteria were developed in collaboration with medical experts and organizations at the local and national level. The facilities within our provider network that have been recognized as Blue Distinction Centers® are identified in the directory.

PATIENT-CENTERED MEDICAL HOME

Patient-Centered Medical Home (PCMH) is a new model of primary care delivery recognized by the National Committee of Quality Assurance (NCQA) to improve access to and the coordination of care for members. Practices with a PCMH designation are organized with a physician who leads a team of care managers and health educators to help make sure patients, particularly those with chronic illnesses, receive key tests, take medication as directed, and have access to tools and resources to stay well. The PCMH is intended to provide more personalized, coordinated, effective and efficient care. Practices that achieve NCQA's PCMH Recognition meet specific standards to enhance access and communication, provide patient self-management support, and track and coordinate care. This directory identifies the primary care practices in the Personal Choice PPO network that are recognized by NCQA as a PCMH. For more information regarding Patient-Centered Medical Homes, visit our website at www.ibx.com, or call Customer Service at 1-800-ASK-BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m. ET.

This TenetPreferred directory is current as of the date it is published. It is important to know when you enroll in this plan that services are provided through the plan's delivery system. Personal Choice reserves the right to add or delete participating physicians, hospitals, and/or other health care providers at any given time. Personal Choice cannot guarantee the continued participation of any one doctor, hospital or other health care provider. It is to your advantage to verify your provider's network membership before receiving services. For more information regarding participating physicians, please call Customer Service at 1-800-ASK-BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m. Please refer to your benefits materials for additional information, including the benefits, exclusions, and limitations of your benefits program.
