TenetPreferred
Physician and Hospital Listing
2012

An easy-to-use, detailed listing of participating providers

Search for doctors, hospitals, and ancillary providers at ibx.com
Welcome to Keystone Health Plan East HMO

This directory contains a list of participating primary care physicians (PCPs), specialists, hospital and ancillary providers that are part of the panel for your TenetPreferred program. You also have access to other available medical providers and facilities, which are part of the Keystone Health Plan East HMO network. For updated or more detailed information on the Keystone Health Plan East HMO network, visit our website at www.ibx.com/find_a_provider or call Customer Service at 1-800-ASK BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m. to request a hard copy directory.

Under your TenetPreferred program, you must choose a primary care physician (PCP) to directly provide your health care and refer you to specialists when required. Each family member may choose his or her own PCP, including a pediatrician for children. You have two options in choosing a PCP, and those options are summarized below. Please refer to your benefits materials for details. Choose carefully to maximize your benefits.

- **Lowest out-of-pocket option.** By choosing a PCP from this TenetPreferred directory you will receive the highest level of benefits under your benefits program. Your co-pays are lower, and most provided services are 100 percent covered if you receive services from a TenetPreferred physician or hospital. If you need specialty or hospitalization care, ask your PCP to refer you to a provider listed in the TenetPreferred directory to maximize your benefits.

- **Highest out-of-pocket option.** Keystone Health Plan East HMO allows you access to all other participating Keystone Health Plan East PCPs, specialists, and hospitals in the Keystone Health Plan East HMO network. Your out-of-pocket costs will be highest if you seek care from PCPs, specialists and hospitals that are not listed in the TenetPreferred directory.

**HOSPITAL SERVICES**

This directory contains a list of the TenetPreferred facilities where you can maximize your benefits. You also have access to all Keystone Health Plan East HMO participating hospitals at a higher copay amount. You can view a full list of Keystone Health Plan East HMO participating hospitals by visiting our website www.ibx.com/find_a_provider or call Customer Service at 1-800-ASK BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m. for updated information on our provider network or to request a hard copy directory. *If you are experiencing a medical emergency, go directly to the nearest hospital to receive care.*

**OB/GYN CARE**

With our Direct Access OB/GYN℠ program, a Keystone Health Plan East HMO member may visit a participating obstetrician/gynecologist (OB/GYN) or midwife for general OB/GYN care, including maternity care and non-routine OB/GYN care, without a referral. This directory contains a list of the TenetPreferred OB/GYNs that you can access for care and maximize your benefits. You also have access to all participating OB/GYNs in the Keystone Health Plan East HMO network; however, your out-of-pocket costs will be higher.

**BLUE DISTINCTION CENTERS®**

As a Keystone Health Plan East HMO member, you have access to Blue Distinction Centers®, participating network facilities that have extensive experience, meet rigorous quality standards, and consistently demonstrate positive results. Currently, Blue Distinction Centers® have been established for bariatric surgery, cardiac care, complex and rare cancers, knee/hip replacement, spine surgery and transplant services. All of the centers meet specific, evidence-based criteria on provider qualifications, best practices, and outcomes. These nationally established criteria were developed in collaboration with medical experts and organizations at the local and national level. The facilities within our provider network that have been recognized as Blue Distinction Centers® are identified in the directory.

**PATIENT-CENTERED MEDICAL HOME**

Patient-Centered Medical Home (PCMH) is a new model of primary care delivery recognized by the National Committee of Quality Assurance (NCQA) to improve access to and the coordination of care for members. Practices with a PCMH designation are organized with a physician who leads a team of care managers and health educators to help make sure patients, particularly those with chronic illnesses, receive key tests, take medication as directed, and have access to tools and resources to stay well. The PCMH is intended to provide more personalized, coordinated, effective and efficient care. Practices that achieve NCQA’s PCMH Recognition meet specific standards to enhance access and communication, provide patient self-management support, and track and coordinate care. This directory
identifies the primary care practices in the Keystone Health Plan East network that are recognized by NCQA as a PCMH. For more information regarding Patient-Centered Medical Homes, visit our website at [www.ibx.com](http://www.ibx.com), or call Customer Service at 1-800-ASK-BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m. ET.

This TenetPreferred directory is current as of the date it is published. It is important to know when you enroll in this plan that services are provided through the plan’s delivery system. Keystone Health Plan East reserves the right to add or delete participating physicians, hospitals, and/or other health care providers at any given time. Keystone Health Plan East cannot guarantee the continued participation of any one doctor, hospital or other health care provider. It is to your advantage to verify your provider’s network membership before receiving services. For more information regarding participating physicians, please call Customer Service at 1-800-ASK-BLUE (1-800-275-2583), Monday through Friday, 8 a.m. to 6 p.m. Please refer to your benefits materials for additional information, including the benefits, exclusions, and limitations of your benefits program.

OBSTETRICIANS/GYNECOLOGISTS AND MIDWIVES

Our DIRECT ACCESS OB/GYN program allows all members to visit a participating obstetrician/gynecologist or midwife for general OB/GYN care, including maternity care and non-routine OB/GYN care, without a referral. Members have access to all other participating specialists with a referral from their primary care physician.
