Approving/Acknowledging a Labor Redistribution

Approvers and Acknowledgers will receive an email notification when a redistribution has been submitted for their approval or review.

All Principal Investigators are automatically inserted as approvers if the Labor Redistribution is initiated on their award.

1. Log in to DrexelOne (http://one.drexel.edu)

2. Select the Employee tab

3. Select More Banner Web Employee Services under the Payroll heading

4. Select Labor Distribution
5. Select the **Labor Redistribution** tab

6. Click on **Approvals**. A list of transactions awaiting approval will be displayed.
   - This icon appears in the **Comments** column if there is a comment on the Redistribution
   - A batch number appears in the Batch ID column to indicate that this action included multiple pay periods with identical actions.
7. Select the records for approval.
   - Single Record: Select the desired transaction(s) and **Double Click** to open the transaction or select the **Open** icon.
   - Batch:
     a. Click on a record within the batch
     b. Then click on **Select Batch**
     c. Then click on Open

Click on **Unselect Batch** to remove the check marks from the Select box.
8. Audit and review **Current** and **Updated** distribution

The current and updated distributions will appear. The first pay period will display in a new window. The other pay periods can be viewed and selected from the in the Pay Period & Earn Codes box.

Use the down arrow \( \downarrow \) to display the other selected pay events.

**Important:** You must close a record prior to signing out or the records that you are editing/viewing may be locked.
12. Optional: Select **Comments** in the left navigation bar to enter comments.

To enter a comment, select the **Add Comment** button in the bottom right corner. Any user in the routing queue can add comments to the transaction. Once saved, the comments cannot be edited for deleted. The comment field can hold up to 4000 characters of text.

```
```

b. Enter comment text, and select the **Save** button.

**Important:**
- In accordance with Research policy, justification for all grant redistributions must be included in the comments section.
- Any comment entered becomes part of the employees record.
13. Optional: Select **Routing Queue** in the left navigation bar to add additional users to the routing queue.

**Tips:**
- Only one person in each routing approval level must take action. Multiple members of an approval queues may appear, but not all members are required to approve the redistribution.
- Additional approvers and acknowledgers are added for this transaction only. This is not a permanent change in approval routing.
- Once added, the approver or acknowledger for the transaction cannot be removed.

Select the **Add Member** button in the bottom right corner.
A new Window will appear:

Name: Type in the users first or last name and the system will suggest matches. Click on the name to make the selection.
