

DREXEL UNIVERSITY

Center for

Hospitality &
Sport Management

Summer Institute Registration Form

The Center for Hospitality and Sport Management's Summer Institute offers a one-week, non-residential program to expose talented and motivated high school students to career possibilities in the fields of culinary arts and science, hospitality management, and sport management. Students entering either their junior or senior year will attend classes taught by Drexel faculty in the labs, kitchens, and classrooms. Students will experience lectures, hands-on projects, field trips and presentations from distinguished speakers. The Center's Summer Institute will offer programs in Culinary Arts and Science, Hospitality Management and Sport Management.
