Article 4: Standing Committees

4.1 General. Every standing committee must include at least one member of the Council. Membership in standing committees is not limited to members of the Council but is open to membership and attendance by any member of the KSLAN. The involvement of the non-Council members of the KSLAN in standing committees is encouraged. Members of standing committees should make efforts to recruit alumni to become members of the committee. All standing committees will develop their own governance documents, goals, and tasks as needed for the efficient operation of the committee, in accordance with the KSLAN’s Statement of Purpose. Committee members will designate one person to report back on the committee’s activity at Council meetings; this person is not required to be a Council member, nor the President of the committee itself. The Council may ask a standing committee to accomplish a task that is not specifically part of its description; in such a situation, the committee may choose to take on the task, or it may suggest and the Council may agree to form an ad-hoc committee for the task.

4.2 Membership, Social and Networking Committee. The Membership, Social and Networking Committee (1) seeks to increase active, participatory membership in the KSLAN by promoting the KSLAN to each year's new graduates as well as to alumni who have not yet acted upon their automatic membership by: (a) organizing regular events for EMLAN members, including at least one yearly event involving that year’s Kline School of Law graduates; (b) maintaining KSLAN’s Internet presence via social media and e-mail; (c) liaising with other standing committees and
Kline School of Law’s website administrator to provide content for the Kline School of Law website; and (d) liaising with the Kline School of Law alumni office to implement and publicize an online system for KSLAN members to contact one another; and (2) runs the Council elections using substantially the same method used by the Kline School of Law administration for the inaugural Council election. The Committee will determine its process for conducting the inaugural Council’s term (i.e., ending at the end of fiscal year 2012-13) and may amend the process, from time to time, as it sees fit.

4.3 Career Advancement. The Career Advancement Committee seeks to help Kline School of Law graduates find employment in professional positions and works with the Kline School of Law Career Strategies Office to fulfill that office’s mission.

4.5 Strategic Plan. The Strategic Plan Committee develops the KSLAN’s 3- to 5-year plan for advancement, including but not limited to modifying the KSLAN’s Statement of Purpose when or if necessary; proposing a modified Council structure to accommodate new graduation year classes; and raising funds.

4.6 Inn of Court. The Inn of Court Committee coordinates with the Kline School of Law administration to establish and maintain the Kline School of Law Inn of Court, a general Inn offering programs in practical lawyering skills.

Article 5: Ad-hoc Committees

5.1 Creation. The Council will create ad-hoc committees as needed by decision at meetings.

5.2 By-Laws. The By-Laws Committee will draft revisions to the by-laws as needed. Revisions may include but are not limited to changing the length of Council positions’ terms; adding positions such as “President-Elect” or “Immediate Past President”; and staggering some positions’ terms so that the entire Council is not removed in a single election. After the Council adopts the revised by-laws, this committee may be dissolved or may become a standing committee.
5.3 **Dissolution.** Ad-hoc committees may be dissolved by the committee’s members or by a decision at a meeting of the Council.

**Article 6: Parliamentary Process and Amendment**

6.1 **Consensus where possible.** To make decisions based on the will of the Council’s entire membership, the Council uses a consensus-based process to make decisions.

6.1.1 Participants accept all relevant input to a discussion.

6.1.2 To come to decisions and end meetings in a timely manner, participants will not prolong discussion with irrelevant input and will not seek to block consensus in an adversarial manner.

6.1.3 The President will direct discussions to facilitate consensus-based decisions while keeping meetings efficient and purposeful.

6.1.4 In the event that the Council must make a decision and is unable to reach complete consensus in a timely manner for a particular question, the Council will use Robert’s Rules of Order and the Vice-President will serve as parliamentarian.

6.2 **Methods of Voting.** Each Council member shall have the right to vote on any proposed amendment or policy. He or she may vote in person, by telephone, by Internet, or by proxy. If a Council member abstains or otherwise fails to vote, his or her abstention will not be counted against the total number of votes necessary to carry a proposed amendment or policy, and the vote will be counted as if that person was not a voting member of the Council (the remainder of non-abstaining, voting members shall hereinafter be referenced as “Participating Members”).

6.3 **Amendment.** The Council may amend these by-laws, repeal them, or adopt new ones at any time (“Change”). Notice of amendment, repeal, or new adoption, including the full text of the Change, will appear on the agenda of the Council meeting immediately previous to the Council meeting at which the Change will be voted upon, and in no event less
than seven (7) days prior to the intended vote. No Change will be effective unless 2/3rds of the Participating Members vote in favor of the Change. For example, if the Council consists of eighteen (18) members, and three (3) abstain or do not otherwise vote, the total number of votes necessary to carry the amendment would be 2/3rds of the fifteen (15) members who voted, or ten (10) votes in favor of the Change. The Council will liaise with the appropriate standing committee or Kline School of Law contact person to post any Change on the Kline School of Law website.

6.4 Adoption of Policies. The Council may adopt a policy deemed to be necessary for the efficient, orderly and/or professional operation of the Council (the "Policy"), so long as the Policy does not change, modify or otherwise conflict with any By-law. Notice of a new Policy will be given in the same manner as notice of amendment as set forth in Section 6.3. No Policy will be effective unless a majority of the Participating Members vote in favor of the Policy. For example, if the Council consists of eighteen (18) members, and three (3) abstain or do not otherwise vote, the total number of votes necessary to carry the amendment would be one-half of the fifteen (15) members who voted, or eight (8) votes in favor of the Policy. Each KSLAN Policy will be recorded and kept in the same manner as the KSLAN By-laws.

Article 7: Geographical Chapters

7.1 Geographical Chapters. Geographical chapters shall consist of alumni who reside or work in a city, region or area outside of the Philadelphia region, and who opt to join the chapter.

7.2 Activities. Each geographical chapter shall have the ability to hold events, develop programming, and otherwise perform activities in accordance with the furtherance of Article 2 of these Bylaws. A geographical chapter seeking funding shall submit a proposal or budget to the Treasurer for approval by the Executive Committee.

7.3 Contact Person. Each fiscal year, a geographical chapter shall propose a contact person to correspond with the Council, who will be recognized by the President. The contact person may be a member of the Council, or any other alumnus. If the contact person is not a member of the Council, the
Council may, from time to time, request that the contact person attend Council meetings or otherwise provide updates to the Council. A contact person who is not a member of the Council does not have voting rights on Council items.

7.4 Formation. Geographical Chapters shall be formed in accordance with an Amendment as outlined in Section 6.3 of these Bylaws, requiring a 2/3rds vote of participating members. The Council recognizes the following geographical chapters:

- Central PA Chapter

Article 8: Outstanding Alumni Award ("OAA")

The OAA recognizes one Kline School of Law alumna or alumnus, or a group of alumni, for his/her/their exceptional representation of the law school, thereby enhancing its reputation and furthering its core values and goals, and recognizes him/her/them at an alumni associated event and with a permanent display at the Law School building.

8.2 Criteria. To qualify for the OAA, the Council may rely on the following non-exclusive criteria for awarding the OAA: professional success; community engagement; connection to the law school; civic engagement; and, perseverance.

8.3 Timing and Frequency. The Council may establish how often and when the OAA is given by adopting policies in accordance with these Bylaws. Only one OAA may be awarded in any fiscal year.

8.4 Nomination of Candidates. Any member of the law school community may nominate an alumna, alumnus, or group of alumni to the Council for the OAA. The Council may form an ad hoc committee to select nominees and to provide recommendations with regard to nominees.

8.5 Voting. A 2/3rds vote of the participating Council members is required for a nominee (either an alumna, alumnus, or group of alumni) to be awarded the OAA. If there are multiple nominees, the Council will vote on each nominee. If more than one nominee obtains the required 2/3rds
vote, the Council will determine, by majority vote of participating members, which alumna, alumnus, or group of alumni should receive the award in the fiscal year at issue. The alumna, alumnus, or group of alumni who is not given the OAA in the fiscal year at issue may be given the award in a future fiscal year.
