THREE TIER REVIEW PROCESS OF AN APPLICATION FOR A MASTER OF SCIENCE PROGRAM

This diagram shows what happens after a complete application is submitted electronically for any of the following programs:

- MS in Biomedicine Series (Business, Digital Media, Entrepreneurship and Business)
- MS in Immunology
- MS in Infectious Disease
- MS in Molecular Medicine

This entire process takes 1-2 weeks to complete. Students are accepted into a program based on the sum of prior coursework, cumulative GPA, standardized test scores (if provided), recommendation letters, and relevant research or professional experiences.
