*You're Invited to the
BEST OF DDW & EASL 2016*

TARGET AUDIENCE

This symposium is designed to provide gastroenterologists, primary care physicians, NPs, PAs, and nurses who are involved in the management of liver patients with the most up-to-date information about the diagnosis, management and treatment options for complex liver disease, as presented at the recent DDW & EASL meetings.

LEARNING OBJECTIVES

After attending this program, the participant will be able to:

- Discuss guidelines for the diagnosis and management of hepatitis B and C virus infection as presented at the gastroenterology and hepatology meetings.
- Recognize new information on management of the most common complications of liver failure (ascites, infection, renal dysfunction) from the 2016 national and international conferences.
- Identify new treatments and management of decompensated liver failure and NASH.
- Manage and plan the treatment of hepatocellular carcinoma according to the most recent information presented at the liver conferences.

- 7:30 am** Registration and Continental Breakfast
- 8:00 am** Introductions, Agenda & Requirements for CME Credits
Santiago Munoz, MD
Event Moderator & Event Co-Chair

All Presenters
- 1:00 pm** Adjournment – Buffet Lunch

ACCREDITATION STATEMENT: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Drexel University College of Medicine and Hahnemann University Hospital. The Drexel University College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT: The Drexel University College of Medicine designates this live activity for a maximum of 5.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA: This program is eligible for 5.0 credits in Category 2A of the American Osteopathic Association.

FACULTY DISCLOSURE STATEMENT: It is the policy of Drexel University College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience, any relevant commercial interest (which is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients). Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgments about the educational content of this activity and determine whether the speaker's commercial interests influenced the presentation. In addition, speakers are required to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.

ACKNOWLEDGEMENTS: All financial support (educational grants and exhibits) for this program will be acknowledged prior to the beginning of the activity.
