

CURRICULUM VITAE

Jeffrey D. Burl, M.A.

Drexel University Department of Psychology
MS 626, 245 North 15th Street, Philadelphia, PA 19102

Education

Drexel University, Philadelphia, PA

Ph.D. in Clinical Psychology, Forensic Psychology emphasis (expected June 2012)

G.P.A. = 3.92

John Jay College of Criminal Justice (CUNY), New York, NY

M.A. in Forensic Psychology (2007)

G.P.A. = 3.86

Fordham University, Bronx, NY

B.A. in American Studies and Anthropology (2001)

G.P.A. = 3.56

Honors and Awards

Travel Subsidy Award, Department of Psychology, March 2010

1st place Graduate Student Poster, 4th Annual Philadelphia Area Psi Chi Psychology Research Conference, Philadelphia, PA, April 2009

Drexel University Provost Fellowship, Two-Year Competitive Fellowship, 2007 to 2009

Clinical Experience

Outpatient Psychotherapy Practicum Training

July 2009 to June 2011

Practicum student at the Drexel University Student Counseling Center. Responsibilities included: administering intake interviews, designing and implementing therapeutic interventions for individual clients and couples, and conducting case presentations and other in-service activities. Supervisor: Laura Windham, Psy.D., LCSW, Screening Coordinator, Student Counseling Center.

Forensic Mental Health Assessment Practicum Training

July 2009 to July 2010

Practicum student at the Drexel University Forensic Clinic. Responsibilities included: administering assessments (e.g., intelligence and personality tests, symptom inventories, and risk assessments) to adolescent and adult forensic populations (e.g., juvenile transfer, capital

sentencing, and federal sentencing). Supervisor: Kirk Heilbrun, Ph.D., Professor and Chair, Department of Psychology, Drexel University.

Juvenile Forensic Treatment Practicum Training

July 2008 to June 2009

Practicum student at the Delaware Division of Child and Mental Health Services (DCMHS) Ferris School for Boys. The Ferris School is a maximum secure (Level V) facility for male adolescents adjudicated for an average of 6 to 12 months. Responsibilities included: conducting intake interviews; administering the Global Appraisal of Individual Needs (GAIN), a biopsychosocial assessment, to determine substance use and mental health treatment needs of residents; consulting with multidisciplinary team to develop residents' treatment plans; and maintaining a therapy caseload. Supervisor: Aileen Fink, Ph.D., Supervising Psychologist, DCMHS.

Research Experience

Dissertation Research

June 2010 to present

Examination of the reliability of file review-based SAVRY Risk Ratings. Supervisor: David DeMatteo, J.D., Ph.D., Assistant Professor of Psychology, Drexel University.

Substance Abuse Intervention Grant Research Assistant

September 2007 to June 2009

Research assistant on a NIDA-funded study seeking to develop an intervention for low-risk drug court clients ("The Development of a Prevention Intervention for Low-Risk Drug Court Clients"; R21-DA|-022293-01). Responsibilities included: preparation of drug court manual, monthly meetings with drug court staff and court personnel, providing therapeutic intervention according to treatment manual, data analysis, and co-drafting of manuscripts. Supervisor: David DeMatteo, J.D., Ph.D., Assistant Professor of Psychology, Drexel University.

Stalking Prevention Treatment Study Research Assistant

September 2006 to May 2007

Research assistant in a study comparing a modified Dialectical Behavior Therapy treatment program against a treatment-as-usual (TAU) anger management program for a group of male stalking offenders. Responsibilities included: preparation of TAU anger management sessions based on Duluth model, weekly meetings with TAU co-facilitator and lead investigators to discuss development of project, and co-facilitation of weekly TAU meetings with offenders. Supervisor: Michelle Galietta, Ph.D., Director of Clinical Training, John Jay College of Criminal Justice.

Thesis Research

September 2006 to May 2007

Investigation of the effectiveness of various MMPI-2 scales to detect malingering among a sample of criminal defendants. Supervisor: L. Thomas Kucharski, Ph.D., Associate Professor of Psychology, John Jay College of Criminal Justice.

Competency to Stand Trial Research Project Manager

January 2006 to August 2006

Project Manager for a study examining factors differentiating incompetent defendants who are restored to competency versus those who are unable to be restored to competency. Responsibilities included: training research assistants on scoring of competency assessments and directing literature search of previous competency research. Supervisor: Roslyn M. Caldwell, Ph.D., Associate Professor of Psychology, John Jay College of Criminal Justice.

African American Male Identity Research Project Coordinator

October 2005 to October 2006

Co-coordinator for a study examining and comparing identity development, cultural mistrust, and mental health issues among African American male college students and African American male offenders. Responsibilities included: communication with Lab Director on project progress, administering assessment battery (NEO PI-R, QOLI, SCL-90, and CRI-A), and scheduling and maintaining data collection and entry. Supervisor: Roslyn M. Caldwell, Ph.D., Associate Professor of Psychology, John Jay College of Criminal Justice.

Certification in CPR/AED and Basic First Aid
2008 to present

Relevant Prior Employment

Counselor and Teacher

August 2003 to August 2005

Counselor and teacher at the Nativity Mission Center (NMC). NMC is a year-round and extended-day school and support center for at-risk male youths from low-income families in New York City. Responsibilities included: conducting individual and group counseling sessions for students with behavioral and academic struggles; administering assessments to screen for learning difficulties (e.g., Woodcock Johnson Reading Mastery Test); and designing and teaching various curricula for sixth and eighth grade students. Supervisor: Vincent DeCola, S.J., Director, Nativity Mission Center, New York.

Prison Counselor

August 2001 to June 2003

Volunteer counselor, through the Jesuit Volunteers International, at the Belize Central Prison. Responsibilities included: leading supportive counseling sessions for minimum and maximum security male and female inmates; advocating for the therapeutic needs of prisoners to administration; establishing and teaching a program to provide inmates an opportunity to earn their Primary School equivalency certificate; and teaching literacy classes. Supervisor: John Woods, Director of the Kolbe Foundation, Belize Central Prison, Hattieville, Belize, Central America.

Vera Institute of Justice Research Assistant

October 2000 to May 2001

Research Assistant for a study evaluating the effectiveness of the Manhattan Misdemeanor Drug Court as an alternative to traditional drug sentencing. Responsibilities included: assisting in development of assessments; monitoring of drug court trials; interviewing judges, attorneys, treatment providers, and other participants in the drug court; and collection and entry of data used in the final report: *Supervised treatment in the criminal court: A process evaluation of the Manhattan Misdemeanor Drug Court*. Supervisor: Rachel Porter, Research Associate, Vera Institute of Justice, New York, NY.
