

CURRICULUM VITAE

SANJAY SHAH, J.D., M.S.

MS 626, 245 N. 15th Street, Philadelphia, PA 19102 • sbs46@drexel.edu

October 2011

Education

Drexel University, Ph.D., Clinical Psychology (expected 2013)

Villanova University School of Law, J.D. (2011)

Drexel University, M.S. in Psychology (2009)

Emory University, B.A. in Psychology and International Studies, (Summa Cum Laude, 2005)

Employment

2011-Present	<i>Forensic Specialist Intern</i> , Philadelphia Mental Health Care Corporation
2008-Present	<i>Research Assistant</i> , Drexel Department of Psychology
2010	<i>Adjunct Instructor</i> , Drexel Department of Psychology
2007-2008	<i>Teaching Assistant</i> , Drexel Department of Psychology
2005-2006	<i>Neuropsychological Research Specialist</i> , Emory School of Medicine

Student Reviewer Positions

2008-2012	American Psychology-Law Society Annual Conferences
2011	<i>Criminal Justice and Behavior</i> , Special Issue
2009-2010	<i>Law and Human Behavior</i>

Professional/Student Affiliations

2010-present	Philadelphia Behavior Therapy Association (PBTA), <i>Student Representative and Webmaster</i>
2006-present	American Bar Association (Law Student Division)
2006-present	American Psychological Association
2007-present	American Psychology-Law Society (Division 41 of APA)
2006-2007	South Asian Bar Association
2003-2005	Psi Chi, The National Honor Society in Psychology

Honors & Awards

2011	Dorothy Day Award for Pro Bono Service
2010	Travel Award, American Psychology-Law Society (Division 41 of APA)
2009	Travel Award, American Psychology-Law Society (Division 41 of APA)
2005	Summa Cum Laude, Emory University
2004	1 st place in faculty-judged poster session of undergraduate psychological experiments, Emory University

CLINICAL EXPERIENCE

2011-Present, Center for Evidence-based Psychological Services, Philadelphia, PA

Responsibilities: Provide psychotherapy, using an integrative approach to behavioral, cognitive, emotional, and physiological experiences, to an average weekly caseload of 2-3 clients; complete intake assessment and case formulation; administer, score, and interpret psychodiagnostic tests; maintain inventory of psychodiagnostic tests; maintain progress notes, complete five-axis diagnosis using DSM-IV-TR, and attend individual and group supervision.

Supervisor: C. Nezu, Ph.D.

2010-Present, Drexel University Student Counseling Center-Center City, Philadelphia, PA

Responsibilities: Provide psychotherapy, using cognitive-behavioral approaches, to an average weekly caseload of 6-8 clients; co-lead mindfulness-based group therapy ("Breathe Easy"); complete intake assessment and case formulation; prepare case presentations, in-service presentations, and workshops; maintain progress notes; complete five axis diagnosis using DSM-IV-TR; and attend individual and group supervision.

Supervisors: P. Geller, Ph.D., L. Windham, Psy.D.

2010-2011, Forensic Assessment Clinic, Philadelphia, PA

Responsibilities: Completed forensic evaluations including juvenile decertification, federal sentencing, capital sentencing, competency to stand trial, independent medical examination, capacity to waive Miranda rights, and guardianship evaluations; reviewed records; scored and interpreted intellectual, personality, and other forensic-based tests; prepared reports and recommendations; and attended group supervision.

Supervisor: K. Heilbrun, Ph.D.

2009-2010, Hospital at the University of Pennsylvania-Brain/Behavior Lab, Philadelphia, PA

Responsibilities: Completed day-long neuropsychological evaluation with geriatric clients and those involved in civil and criminal legal matters, review medical charts/reports, reviewed criminal files, scored and interpreted neuropsychological, intellectual, and personality tests administered during evaluation, prepared reports and recommendations, provided feedback to clients and attorneys; and attended individual and group supervision.

Supervisors: P. Moberg, Ph.D., R. Gur, Ph.D.

2008-2009, Community Education Centers, Bo Robinson, Trenton, NJ

Responsibilities: Prepared criminal files for interviews; interviewed inmates (2-3/week) for purpose of community reentry; administered and scored risk assessment, personality, and drug assessment tools; and prepared reports/recommendations for classification.

Supervisor: R. Fretz, Ph.D.

2007, Tower Hill School (through Drexel University), Wilmington, DE

Responsibilities: Administered and scored instruments testing adolescents (2/week for 4 weeks) on factual understanding decision-making in legal context, perceptions of authority figures, and misperceptions of their Miranda Rights.

Supervisors: R. Kalbeitzer, M.A., K. Heilbrun, Ph.D.

2005-2006, Emory University School of Medicine, Atlanta, GA

Responsibilities: Administered and scored conventional and computer-based neuropsychological test batteries to adult and geriatric clients (4/week) including those with mild cognitive impairments, Parkinson's disease, Progressive Supranuclear Palsy (PSP), and Alzheimer's disease.

Supervisors: J. Green, Ph.D., J. Juncos, M.D.

2004-2005, Emory University Department of Psychology, Atlanta, GA

Responsibilities: Treated migraine headache sufferers (3-4 sessions/week up to 8-10 sessions/client) using neurofeedback technology called infrared brain emission neurofeedback (IRBEN).

Supervisor: D. Freides, Ph.D.

2004, Canterbury primary school (through Emory University), Canterbury, England

Responsibilities: Observed and recorded behaviors of children aged 4-5 daily in rural classroom setting; administered and scored instruments testing cognitive and social development of children (1/day for 2 weeks).

Supervisor: M. McCleod, Ph.D.

PRESENTATIONS & PUBLICATIONS

Presentations

Shah, S. (2011, August). Homicidal and suicidal clients: Ethical, legal, and clinical implications. In-Service presentation at the Drexel University Student Counseling Center-Center City Hahnemman Campus, Philadelphia, PA.

Shah, S., & Burl, J. (2011, May). Ethical responses and responsibilities to attorney contact. In-Service presentation at the Drexel University Student Counseling Center-Center City Hahnemman Campus, Philadelphia, PA.

Shah, S., Foster, E., & Heilbrun, K. (2011, April). The role of empathy and acceptance of responsibility in assessment and treatment of juvenile offenders. Poster presented at the Drexel University Research Day 2011, Philadelphia, PA.

Shah, S., DeMatteo, D., Keesler, M., & Present-Koller, J. (2011, March). Comparing measures of baseline substance use severity in predicting drug court graduation. Paper presented at the 2011 Annual Conference of the American Psychology-Law Society (AP-LS)/4th International Congress of Psychology and Law, Miami, FL.

King, C., Pich, M., Yasuhara, K., Brooks, S., **Shah, S.**, Cooke, D., et al. (2011, March). Comparing geographic domains in law-psychology: North America, Europe, and Australia/New Zealand. In K. Heilbrun (Chair), *Law-psychology 2010: An international survey*. Symposium conducted at the 2011 Annual Conference of the American Psychology-Law Society (AP-LS)/4th International Congress of Psychology and Law, Miami, FL.

- Brooks, S., **Shah, S.**, King, C., Pich, M., Yasuhara, K., Ogloff, J., et al. (March, 2011). Gender and diversity in law-psychology: Perceptions and satisfaction of those in the field. In K. Heilbrun (Chair), *Law-psychology 2010: An international survey*. Symposium conducted at the 2011 Annual Conference of the American Psychology-Law Society (AP-LS)/4th International Congress of Psychology and Law, Miami, FL.
- Yasuhara, K., Brooks, S., **Shah, S.**, King, C., Pich, M., Cooke, D., et al. (March, 2011). Entering the field of law-psychology: Consideration by seniority-defined cohorts. In K. Heilbrun (Chair), *Law-psychology 2010: An international survey*. Symposium conducted at the 2011 Annual Conference of the American Psychology-Law Society (AP-LS)/4th International Congress of Psychology and Law, Miami, FL.
- Shah, S.** (2011, March). The case of AJ: Combining ACT and Exposure. Case presentation given at the Drexel University Student Counseling Center-Center City Hahnemman Campus, Philadelphia, PA.
- Shah, S.**, & Reid, K. (2010, October). How to manage the quarter-life crisis. Workshop given at the Drexel University Student Counseling Center-Center City Hahnemman Campus, Philadelphia, PA.
- Shah, S.**, DeMatteo, D., Heilbrun, K., & Festinger, D. (2010, March). *Addiction Severity Index Scores and Urine Drug Screens at Baseline as Predictors of Graduation from Drug Court*. Paper presented at the 2010 Annual Conference of the American Psychology-Law Society (AP-LS), Vancouver, BC.
- Burl, J., **Shah, S.**, DeMatteo, D. (2010, March). *Developing Core Competencies in Forensic Training Programs: A Survey of Law-Psychology Coursework*. Poster presented at the 2010 Annual Conference of the American Psychology-Law Society (AP-LS), Vancouver, BC.
- Shah, S.** (2010, March). *Neuropsychological Function in Patients with Neurofibromatosis Type 1: A Case Study of CB*. Guest lecturer during Neuropsychology Brown Bag Seminar at the Hospital of the University of Pennsylvania, Department of Neuropsychiatry.
- Shah, S.** (2009, July). *Eyewitness testimony and memory*. Guest lecturer in a course for undergraduate students on Personality Psychology, College of Arts and Sciences, Drexel University, Philadelphia, PA.
- Shah, S.**, Wolbranski, M., Heilbrun, K. (2009, March). *Risk Communication of terrorism, natural disaster, and criminal violence: Comparing the processes of understanding and responding*. Paper presented at the 2009 Annual Conference of the American Psychology-Law Society (AP-LS), San Antonio, TX.
- Burl, J., **Shah, S.**, & DeMatteo, D. (2008, August). *Graduate training in forensic psychology: A survey of training models*. Poster presented at the 116th Annual Convention of the American Psychological Association (APA), Boston, MA.

Shah, S. (2008, May). *Statistics in Psychological Research*. Guest lecturer in a course for undergraduate students on Research Methods, College of Arts and Sciences, Drexel University, Philadelphia, PA.

Shah, S., & DeMatteo, D. (2008, March). *Neuropsychological deficits and psychopathy: A systematic literature review*. Paper presented at the 2008 Annual Conference of the American Psychology-Law Society (AP-LS), Jacksonville, FL.

Kalbeitzer, R., Strachan, M. K., Green, H. K., Goldstein, N. E. S., Riggs Romaine, C., Hodges, H., Kemp, K., Anumba, N., Yasuhara, K., Wolbransky, M., **Shah, S.**, et al. (2008, March). *The Miranda Rights Education Project: Findings from a longitudinal study*. Paper presented at the 2008 Annual Conference of the American Psychology-Law Society (AP-LS), Jacksonville, FL.

RESEARCH EXPERIENCE

Juror Perceptions of Neurological Evidence in Capital Sentencing (Dissertation Research)

2011-Present, Drexel University Department of Psychology, Philadelphia, PA

Investigation of whether neurological evidence presented during expert testimony influences mock juror-decision making in capital sentencing when presented by the defense as mitigating and prosecution as aggravating. Responsibilities include reviewing literature, designing study methodology, gathering data, statistical analyses, and writing of graduate dissertation under supervision of dissertation director.

Supervisor: D. DeMatteo, J.D., Ph.D.

Predictors of Drug Court Graduation (Thesis Research)

2008-Present Drexel University Department of Psychology, Philadelphia, PA

Investigation of whether graduates from drug court are more likely to be those presenting with less severe substance use issues upon enrollment. An archival database consisting of 251 drug court graduates from Delaware drug courts will be used to examine predictors of drug court graduation including. Responsibilities include reviewing literature; designing study methodology; conducting regression analysis; writing of graduate thesis under supervision of thesis director, and preparation of manuscript..

Supervisor: D. DeMatteo, J.D., Ph.D.

Community Education Centers Studies

2008-Present, Drexel University Department of Psychology, Philadelphia PA,

Investigations involve a review of the decision-making process for community reentry of prison inmates specifically looking at the 3 phases of custody, release, and community supervision/discharge. Responsibilities include reviewing literature; co-drafting manuscripts; data collection; and meeting with inmates' counselors to discuss progress and behavior of inmates.

Supervisors: K. Heilbrun, Ph.D., & D. DeMatteo, Ph.D.

Statewide Mental Health Procedures Act (MHPA) Training Curriculum

2010-2011, Drexel University, Department of Psychology, Philadelphia, PA

Research assistant on ARRA/Byrne Justice Assistance Grant Program-funded project seeking to promote uniformity in the interpretation and implementation of the Mental Health Procedures Act (MHPA) across Pennsylvania by developing and offering a

statewide, up-to-date, and comprehensive MHPA training curriculum ("Statewide MHPA Training Curriculum"; Federal 16.803 ARRA/JAG). Responsibilities included assisting in integrating case law, social science research, and best practice material into curriculum for legal and mental health professionals.

Supervisors: K. Heilbrun, Ph.D., & D. DeMatteo, J.D., Ph.D.

Graduate Training in Forensic Psychology: A Survey of Training Models

2008-2011, Drexel University, Department of Psychology, Philadelphia, PA

Internet-based investigation of coursework offered in forensic psychology programs in the United States and Canada. Responsibilities included gathering data, study design, preparation of presentations at national conferences, and co-drafting of manuscript.

Drug Court Study

2007-2010, Drexel University Department of Psychology, Philadelphia, PA

Research assistant on a NIH/NIDA-funded study seeking to develop an intervention for low-risk drug court clients ("The Development of a Prevention Intervention for Low-Risk Drug Court Clients"; R21-DA|-022293-01). Responsibilities included preparation of drug court manual; monthly meetings with drug court staff and court personnel; implementation of the intervention; data analysis; and co-drafting of manuscripts.

Supervisor: D. DeMatteo, J.D., Ph.D.

Opinions on Risk Communication Study

2007-2009, Drexel University Department of Psychology, Philadelphia, PA

Investigation of effective risk communication in response to differing imminence and probability of terrorist attack, natural disaster and criminal activity. Responsibilities included creating online survey taken by 258 undergraduates; weekly meetings with fellow researchers; data analysis; and co-drafting of manuscripts.

Supervisor: K. Heilbrun, Ph.D.

Neurofeedback and Information Processing Study (Undergraduate Thesis Research)

2004-2005, Emory University Department of Psychology, Atlanta, GA

Investigation of the effects of Infrared Brain Emission Neurofeedback (IRBEN) on the speed and accuracy of information processing in college students. Responsibilities included operating IRBEN technology on 46 undergraduates; gathering data on measures of cognitive and motor functioning; data analysis; and writing thesis under supervision of thesis advisor.

Supervisor: D. Freides, Ph.D.

TEACHING EXPERIENCE

Drexel University Department of Psychology

June 2011 – September 2011, Adjunct Instructor, Course: Forensic Psychology

Taught course encompassing multiple topics in forensic psychology including forensic mental health assessment, psychology of crime, juvenile and adult corrections, introduction to the legal system, and other topics.

September 2007 – June 2008, Teaching Assistant, Courses: Data Analysis, Approaches to Personality, Research Methods, and Experimental Psychology

Assisted professors in grading assignments and exams, held office hours, lectured classes, and proctored exams.

POLICY EXPERIENCE

The Philadelphia Mental Health Care Corporation (PMHCC)

August 2011 – Present, Forensic Specialist Intern

Coordinate projects seeking to create a more effective and responsive system of services for people with serious mental illness, substance use disorders, and co-occurring disorders; develop advanced veterans and trauma Crisis Intervention Team (CIT) training; train police officers in Hearing Voices module of CIT training; assist in the implementation and management of Philadelphia Department of Behavioral Health activities and functions related to the criminal justice system.

Supervisor: P. Griffin, Ph.D.

LEGAL EXPERIENCE

Civil Justice Clinic

August 2010 – December 2010, Certified Legal Intern, Villanova University School of Law

Represented indigent clients in cases involving child support, Social Security Income (SSI) benefits, Medicaid benefits, and unemployment compensation. Responsibilities included interviewing/counseling clients, legal research, writing and submitting briefs, gathering records, maintaining files, and preparing and representing client during an SSI hearing.

Supervising attorney: M. Musumeci, Esq.

Judicial Externship

June 2010 – August 2010, Judicial Extern, Court of Common Pleas, Philadelphia County

Summer position at the Criminal Justice Center. Responsibilities included conducting legal research, writing legal memos, assisting Judge during criminal trials, and engaging in miscellaneous tasks requested by the Judge during the course of ongoing proceedings.

Judge: Hon. Linda Carpenter

Lawyering Together (Pro Bono) Project

2006-2008, Volunteer, Jacoby Donner, P.C., Philadelphia, PA

Volunteer for a Prisoner First Amendment Retaliation case provided by American Civil Liberties Union (ACLU). Responsibilities included writing legal memos to supervising attorney; assisting with composition of complaint; assisting with process of discovery and disclosure; attending depositions.

Supervising attorney: L. Braber, Esq.
