A. PLAYERS
   1. Each game will consist of 2-on-2 play

B. GAME PLAY
   1. Players will stand on opposite sides of the boards from their partners
   2. Teams will alternate throws until all 4 bean bags have been thrown
   3. A player may throw from any point behind the front of the board.
      Any bag thrown from in front of the foul line will not count.
   4. A bag-in-the-hole is worth three (3) points
   5. A bag coming to rest on the surface of the platform but does not pass through the hole is worth one (1) point.
   6. No points are awarded for bean bags that come to rest outside of the surface or in-the-hole
   7. Points can be cancelled out by opponents. For example, if team A gets two bags in the hole and team B gets one bag in the hole, team A will be awarded 3 points.
   8. The first team to reach 21 points is the winner
