TABLE TENNIS RULES

A. SINGLES GAME PLAY
   1. 11-point sets
   2. Serve changes every two points
   3. Games are best of 5
   4. Any ball size is acceptable as far as both players agree before match starts
   5. In case of deuce (10/10) serve changes every point and winner is the player who first takes a two-point lead

B. DOUBLES GAME PLAY
   1. Same as in singles but also:
      a. Partners should alternate in hitting
      b. Serve must be delivered from alternating sides of the centerline (like tennis)
      c. Serve must always be delivered diagonally from the right court to the right handed opponent's forehand
