ALLOCATIONS

SECTION 3.1. Profits. After giving effect to the special allocations set forth in Sections 3.3 and 3.4, Profits for any Allocation Year shall be allocated to the Members in proportion to their Percentage Interests.

SECTION 3.2. Losses. After giving effect to the special allocations set forth in Sections 3.3 and 3.4 and subject to Section 3.5, Losses for any Allocation Year shall be allocated to the Members in proportion to their Percentage Interests.

SECTION 3.3. Special Allocations. The following special allocations shall be made in the following order:

(a) Minimum Gain Chargeback. Except as otherwise provided in Regulations Section 1.704-2(f), notwithstanding any other provision of this Article III, if there is a net decrease in Company Minimum Gain during any Allocation Year, each Member shall be specially allocated items of Company income and gain for such Allocation Year (and, if necessary, subsequent Allocation Years) in an amount equal to such Member’s share of the net decrease in Company Minimum Gain, determined in accordance with Regulations Section 1.704-2(g). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 3.3(a) is intended to comply with the minimum gain chargeback requirement in Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(b) Member Minimum Gain Chargeback. Except as otherwise provided in Regulations Section 1.704-2(i)(4), notwithstanding any other provision of this Article III, if there is a net decrease in Member Nonrecourse Debt Minimum Gain attributable to a Member...
Nonrecourse Debt during any Allocation Year, each Member who has a share of the Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(5), shall be specially allocated items of Company income and gain for such Allocation Year (and, if necessary, subsequent Allocation Years) in an amount equal to such Member’s share of the net decrease in Member Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2). This Section 3.3(b) is intended to comply with the minimum gain chargeback requirement in Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(c) Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations, or distributions described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), Section 1.704-1(b)(2)(ii)(d)(5), or Section 1.704-1(b)(2)(ii)(d)(6), items of Company income and gain shall be specially allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of the Member as quickly as possible, provided that an allocation pursuant to this Section 3.3(c) shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article III have been tentatively made as if this Section 3.3(c) were not in this Agreement.

(d) Gross Income Allocation. In the event any Member has an Adjusted Capital Account Deficit at the end of any Allocation Year, each such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 3.3(d) shall be made only if and to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article III have been made as if Section 3.3(c) and this Section 3.3(d) were not in this Agreement.

(e) Nonrecourse Deductions. Nonrecourse Deductions for any Allocation Year shall be specially allocated to the Members in proportion to their respective Percentage Interests.

(f) Member Nonrecourse Deductions. Any Member Nonrecourse Deductions for any Allocation Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Regulations Section 1.704-2(i)(1).

(g) Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Company asset, pursuant to Code Section 734(b) or Section 743(b) is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Member in complete liquidation of such Member’s interest in the Company, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially
allocated to the Members in accordance with their interests in the Company in the event Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Member to whom such distribution was made in the event Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(h) **Allocations Relating to Taxable Issuance of Company Units.** Any income, gain, loss, or deduction realized as a direct or indirect result of the issuance of Units by the Company to a Member (the “Issuance Items”) shall be allocated among the Members so that, to the extent possible, the net amount of such Issuance Items, together with all other allocations under this Agreement to each Member shall be equal to the net amount that would have been allocated to each such Member if the Issuance Items had not been realized.

SECTION 3.4. **Curative Allocations.** The allocations set forth in Sections 3.3(a), 3.3(b), 3.3(c), 3.3(d), 3.3(e), 3.3(f), 3.3(g), and 3.5 (the “Regulatory Allocations”) are intended to comply with certain requirements of the Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss, or deduction pursuant to this Section 3.4. Therefore, notwithstanding any other provision of this Article III (other than the Regulatory Allocations), the Management Committee shall make such offsetting special allocations of Company income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member’s Capital Account balance is, to the greatest extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of the Agreement and all Company items were allocated pursuant to Sections 3.1, 3.2, and 3.3(h).

SECTION 3.5. **Loss Limitation.** Losses allocated pursuant to Section 3.2 hereof shall not exceed the maximum amount of Losses that can be allocated without causing any Member to have an Adjusted Capital Account Deficit at the end of any Allocation Year. In the event some but not all of the Members would have Adjusted Capital Account Deficits as a consequence of an allocation of Losses pursuant to Section 3.2 hereof, the limitation set forth in this Section 3.5 shall be applied on a Member by Member basis and Losses not allocable to any Member as a result of such limitation shall be allocated to the other Members in accordance with the positive balances in such Member’s Capital Accounts so as to allocate the maximum permissible Losses to each Member under Regulations Section 1.704-1(b)(2)(ii)(d).

SECTION 3.6. **Other Allocation Rules.**

(a) For purposes of determining the Profits, Losses, or any other items allocable to any period, Profits, Losses, and any such other items shall be determined on a daily, monthly, or other basis, as determined by the Management Committee using any permissible method under Code Section 706 and the Regulations thereunder.

(b) The Members are aware of the income tax consequences of the allocations made by this Article III and hereby agree to be bound by the provisions of this Article III in reporting their shares of Company income and loss for income tax purposes.

(c) Solely for purposes of determining a Member’s proportionate share of the
“excess nonrecourse liabilities” of the Company within the meaning of Regulations Section 1.752-3(a)(3), the Members’ interests in Company profits are in proportion to their Percentage Interests.

(d) To the extent permitted by Regulations Section 1.704-2(h)(3), the Manager shall endeavor to treat distributions of Net Cash Flow as having been made from the proceeds of a Nonrecourse Liability or a Member Nonrecourse Debt only to the extent that such distributions would not cause or increase an Adjusted Capital Account Deficit for any Member.

SECTION 3.7. Tax Allocations; Code Section 704(c).

(a) Except as otherwise provided in this Section 3.7, each item of income, gain, loss and deduction of the Company for federal income tax purposes shall be allocated among the Members in the same manner as such items are allocated for book purposes under this Article III. In accordance with Code Section 704(c) and the Regulations thereunder, income, gain, loss, and deduction with respect to any Property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such Property to the Company for federal income tax purposes and its initial Gross Asset Value (computed in accordance with the definition of Gross Asset Value) using the “traditional method” as defined in Treas. Reg. Section 1.704-3.

(b) In the event the Gross Asset Value of any Company asset is adjusted pursuant to subparagraph (ii) of the definition of Gross Asset Value, subsequent allocations of income, gain, loss, and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in the same manner as under Code Section 704(c) and the Regulations thereunder.

(c) Allocations pursuant to this Section 3.7 are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Member’s Capital Account or share of Profits, Losses, other items, or distributions pursuant to any provision of this Agreement.

ARTICLE IV.
DISTRIBUTIONS

SECTION 4.1. Net Cash Flow. Except as otherwise provided in Article XII hereof, Net Cash Flow, if any, shall be distributed as follows:

(a) First, to the Members in proportion to their Percentage Interests in amounts reasonably estimated to enable such Members (or any Person whose tax liability is determined by reference to the income of a Member) to satisfy their required United States Federal, state and local quarterly estimated tax payments (at the assumed top rate bracket applicable to any Member); and

(b) Second, from time to time at the discretion of the Management Committee, to the Members in proportion to their Percentage Interests.
SECTION 4.2. Amounts Withheld. All amounts withheld pursuant to the Code or any provision of any state, local, or foreign tax law with respect to any payment, distribution, or allocation to the Company or the Members shall be treated as amounts paid or distributed, as the case may be, to the Members with respect to which such amount was withheld pursuant to this Section 4.2 for all purposes under this Agreement. The Company, at the discretion of the Management Committee, is authorized to withhold from payments and distributions and to pay over to any federal, state, local, or foreign government, any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state, local, or foreign law, and shall allocate any such amounts to the Members with respect to which such amount was withheld. In the event the Company lacks sufficient Net Cash Flow to fund the required withholding the Management Committee, in its sole discretion may treat any tax withheld and paid over to a taxing authority as provided for herein as a guaranteed distribution to the affected Member or may require that the affected Member provide to the Company funds sufficient to reimburse the Company for the required withholding amount, which shall be treated as a contribution by and a distribution to the affected Member on the books of the Company.

SECTION 4.3. Limitations on Distributions.

(a) The Company shall make no distributions to the Members except (i) as provided in this Article IV or Section 12.1 hereof or (ii) as agreed to by all of the Members.

(b) A Member may not receive a distribution from the Company to the extent that, after giving effect to the distribution, all liabilities of the Company, other than liability to Members on account of their Capital Contributions, would exceed the fair value of the Company’s assets.

ARTICLE V.

MANAGEMENT

SECTION 5.1. Managers; Management Committee.

(a) The management of the Company shall be vested in the committee of Managers (the “Management Committee”) designated by the Members as provided in Section 5.1(c) hereof.

(d) A Manager may be removed at any time, with or without cause, by a [ ] percent (%) vote of the Members.

(e) Each Manager shall have one (1) vote. Except as otherwise provided in this Agreement, the Management Committee shall act by the affirmative vote of [a majority of the total number of members of the Committee].

(f) Each Manager shall perform the duties as a Manager in good faith, in a manner the Manager reasonably believes to be in the best interests of the Company, and with such care as an ordinarily prudent person in a like position would use under similar circumstances. A person who so performs the Manager’s duties shall not have any liability by reason of being or having been a Manager of the Company.

(g) The Management Committee shall have the power to delegate authority to such committees of Managers, Officers, employees, agents, and representatives of the Company as it may from time to time deem appropriate. Except as provided for in this Agreement with respect to Officers, any delegation of authority to take any action must be approved in the same manner as would be required for the Management Committee to approve such action directly.

(h) A Manager shall not be liable under a judgment, decree or order of court, or in any other manner, for a debt, obligation, or liability of the Company.

SECTION 5.2. Meetings of the Management Committee.

(a) The Management Committee shall hold regular meetings no less frequently than once every Fiscal Quarter and shall establish meeting times, dates, and places, and requisite notice requirements (not shorter than those provided in Section 5.2(b)), and adopt rules or procedures consistent with the terms of this Agreement. Unless otherwise approved by the Management Committee, each regular meeting of the Management Committee will be held at the Company’s principal place of business. Notice of each such meeting shall be given to each Manager on the Management Committee by telephone, telecopy, telegram, or similar method (in each case, notice shall be given at least seventy-two (72) hours before the time of the meeting) or sent by first-class mail (in which case notice shall be given at least five (5) days before the meeting), unless a longer notice period is established by the Management Committee. Each such notice shall state (i) the time, date, place (which shall be at the principal office of the Company unless otherwise agreed to by all Managers), or other means of conducting such meeting and (ii) the purpose of the meeting to be so held. No actions other than those specified in the notice may be considered at any special meeting unless unanimously approved by the Managers. Any Manager may waive notice of any meeting in writing before, at, or after such meeting. The attendance of a Manager at a meeting shall constitute a waiver of notice of such meeting, except when a Manager attends a meeting for the express purpose of objecting to the transaction of any business because the
meeting was not properly called.

(c) Any action required to be taken at a meeting of the Management Committee, or any action that may be taken at a meeting of the Management Committee, may be taken at a meeting held by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Participation in such a meeting shall constitute presence in person at such meeting.

(d) Notwithstanding anything to the contrary in this Section 5.2, the Management Committee may take without a meeting any action that may be taken by the Management Committee under this Agreement if such action is approved by the unanimous written consent of the Managers.

SECTION 5.3. Management Committee Powers.

(a) Except as otherwise provided in this Agreement, all powers to control and manage the Business and affairs of the Company shall be exclusively vested in the Management Committee and the Management Committee may exercise all powers of the Company and do all such lawful acts as are not by statute, the Certificate, or this Agreement directed or required to be exercised or done by the Members and in so doing shall have the right and authority to take all actions that the Management Committee deems necessary, useful, or appropriate for the management and conduct of the Business, including exercising the following specific rights and powers:

(b) The Management Committee will appoint the Officers of the Company and will establish policies and guidelines for the hiring of employees to permit the Company to act as an operating company with respect to its Business. The Management Committee may adopt appropriate management incentive plans and employee benefit plans.

SECTION 5.4. Duties and Obligations of the Management Committee.

(a) The Management Committee shall cause the Company to conduct its business and operations separate and apart from that of any Member or Manager or any of its Affiliates, including, without limitation, (i) segregating Company assets and not allowing funds or other assets of the Company to be commingled with the funds or other assets of, held by, or registered in the name of any Member or Manager or any of its Affiliates, (ii) maintaining books and financial records of the Company separate from the books and financial records of any Member or Manager and its Affiliates, and observing all Company procedures and formalities, including, without limitation, maintaining minutes of Company meetings and acting on behalf of the Company only pursuant to due authorization of the Members, (iii) causing the Company to pay its liabilities from assets of the Company, and (iv) causing the Company to conduct its dealings with third parties in its own name and as a separate and independent entity.

(b) The Management Committee shall take all actions that may be necessary or appropriate (i) for the continuation of the Company’s valid existence as a limited liability company under the laws of the State of Delaware and of each other jurisdiction in which such existence is necessary to protect the limited liability of the Members or to enable the Company to conduct the business in which it is engaged and (ii) for the accomplishment of the Company’s purposes, including the acquisition, development, protection, maintenance, preservation, operation, transfer and sale of Property in accordance with the provisions of this Agreement and applicable laws and regulations.

(c) The Management Committee shall be under a fiduciary duty to conduct the affairs of the Company in the best interests of the Company and of the Members, including the acquisition, development, protection, maintenance, preservation, operation, transfer and sale of all of the Property for the exclusive benefit of the Company.

SECTION 5.5. Reimbursements. The Company shall reimburse the Members and Managers for all expenses incurred and paid by any of them in the organization of the Company and as authorized by the Company, in the conduct of the Company’s business, including, but not limited to, expenses of maintaining an office, telephones, travel, office equipment, and secretarial and other personnel as may reasonably be attributable to the Company. Such expenses shall not include any expenses incurred in connection with a Member’s or Manager’s exercise of its rights as a Member or a Manager apart from the authorized conduct of the Company’s business. Such reimbursement shall be treated as expenses of the Company and shall not be deemed to constitute distributions to any Member of profit, loss, or capital of the Company.

SECTION 5.6. Indemnification of the Managers and Officers.

(a) Unless otherwise provided in Section 5.6(d) hereof, the Company shall
indemnify, save harmless, and pay all judgments and claims against any Manager or Officer relating to any liability or damage incurred by reason of any act performed or omitted to be performed by any Manager or Officer in connection with the Business, including reasonable attorneys’ fees incurred by the Manager or Officer in connection with the defense of any action based on any such act or omission, which attorneys’ fees may be paid as incurred.

(b) Unless otherwise provided in Section 5.6(d) hereof, in the event of any action by a Member against any Manager or Officer, including a Company derivative suit, the Company shall indemnify, save harmless, and pay all expenses of such Manager or Officer, including reasonable attorneys’ fees incurred in the defense of such action.

(c) Unless otherwise provided in Section 5.6(d) hereof, the Company shall indemnify, save harmless, and pay all expenses, costs, or liabilities of any Manager or Officer, if for the benefit of the Company and in accordance with this Agreement, said Manager or Officer makes any deposit or makes any other similar payment or assumes any obligation in connection with any Property proposed to be acquired by the Company and suffers any financial loss as the result of such action.

(d) Notwithstanding the provisions of Sections 5.6(a), 5.6(b), and 5.6(c) above, such Sections shall be enforced only to the maximum extent permitted by law and no Manager shall be indemnified from any liability for the fraud, intentional misconduct, gross negligence, or a knowing violation of the law that was material to the cause of action.

SECTION 11.3. Offer to Sell Units; Options to Purchase.

(a) Notice. Except as otherwise provided in this Agreement, if a Member desires to transfer any Units to a third party (the “Offeror”), whether or not the Offeror is a Member, such Member (the "First Selling Member") will deliver a written notice (the "Primary Sale Notice") to Company with respect to the proposed sale of such Units (the "Offered Units") stating in reasonable detail, the number of Units to be transferred, the identity of the prospective purchaser(s) and the terms and conditions of the proposed sale. Within five (5) days of Company's receipt of the Primary Sale Notice, Company will transmit a copy of the Primary Sale Notice to all Members other than the First Selling Member (collectively, the "Offeree Members"). Transmittal of the Primary Sale Notice to Company will constitute an offer by the First Selling Member to sell the Offered Units to both Company and the Offeree Members in accordance with this Article XI.

(b) Option of Company. Within ten (10) days of Company's receipt of the Primary Sale Notice (the "Company Option Period"), Company may elect to purchase all but not less than all of the Offered Units, upon the same terms and conditions set forth in the Primary Sale Notice. During the Company Option Period, Company will transmit notice of such election to the First Selling Member (the "Company Option Notice"), with a copy to each of the Offeree Members, specifying whether Company is accepting or rejecting the offer. If Company accepts the offer, then Company and the First Selling Member will effect the sale in accordance with Section 11.5, and the provisions of Sections 11.3(c) – (f) will not apply to such offer. If Company fails to submit a Company Option Notice within the Company Option Period, then Company will forfeit the option to purchase Units in connection with the applicable Primary Sale Notice.

(c) Option of Offeree Members. If Company does not elect to purchase the Offered Units, then within twenty-five (25) days of an Offeree Member's receipt of the Primary Sale Notice (the "Offeree Option Period"), such Offeree Member may request either to purchase Units in an amount not to exceed the number of Offered Units (the "Offered Amount") or to sell Units in an amount not to exceed the Offered Amount. The Offeree Members desiring to purchase the Offered Units (collectively, the "Purchasing Members") will each submit, within the Offeree Option Period, written notice to Company disclosing the number of Units proposed to be purchased by such Purchasing Member (each, a "Purchase Notice"). The Offeree Members desiring to sell Units (collectively, with the First Selling Member, the "Selling Members") will each submit, within the Offeree Option Period, written notice to Company disclosing the number of Units owned by and proposed to be sold by such Selling Member (each, a "Secondary Sale Notice"). A Purchasing Member or Selling Member shall also indicate on the Purchase Notice or Secondary Sale Notice the total number of Units owned by such Purchasing Member or Selling
Member. If an Offeree Member fails to submit a Purchase Notice or a Secondary Sale Notice, then such Member will forfeit the option to purchase or sell Units in connection with the applicable Primary Sale Notice.

(d) Purchase Pool. If the aggregate number of Units requested to be purchased by all Purchasing Members (the "Purchase Pool") is less than or equal to the Offered Amount, then each Purchasing Member will purchase the number of Units indicated on such Purchasing Member's Purchase Notice, and the First Selling Member will sell such number of Units to each such Purchasing Member. If the Purchase Pool is greater than the Offered Amount, then each Purchasing Member will purchase Units as follows, unless an alternate allocation of Units is agreed upon in writing by all of the Purchasing Members: first, (i) each Purchasing Member will purchase from the First Selling Member such number of Units equal to the Offered Amount multiplied by a fraction, the numerator of which is the number of Units owned by such Purchasing Member and the denominator of which is the aggregate number of Units owned by all Purchasing Members; provided that the aggregate number of Units that each Purchasing Member will purchase will not exceed the number of Units indicated on the Purchase Notice of such Purchasing Member; and second, (ii) if there are any remaining Units in the Purchase Pool, then each remaining Purchasing Member will, in addition, purchase from the First Selling Member that proportionate part of the then remaining Purchase Pool that the number of Units owned by such Purchasing Member bears to the aggregate number of Units owned by all remaining Purchasing Members.

(e) Sale Pool. If the aggregate number of Units requested to be sold by all Selling Members, including, as to the First Selling Member, only those Offered Units of the First Selling Member that are not committed to be sold under Section 11.3(d) (the "Sale Pool"), is less than or equal to the Offered Amount, then each such Selling Member will sell the number of Units indicated on such Selling Member's Secondary Sale Notice, and the Offeror will be entitled to purchase such number of Units from such Selling Member. If the Sale Pool is greater than the Offered Amount, then each Selling Member will sell Units (including, as to the First Selling Member, only those Offered Units of the First Selling Member that are not committed to be sold under Section 11.3(d)) as follows, unless an alternate allocation of Units is agreed upon in writing by all of the Selling Members: first, (i) each Selling Member will sell to the Offeror such number of Units equal to the Offered Amount multiplied by a fraction, the numerator of which is the number of Units owned by such Selling Member and the denominator of which is the aggregate number of Units owned by all Selling Members; provided that the aggregate number of Units that each Selling Member is entitled to sell shall not exceed the number of Units indicated on the Secondary Sale Notice of such Selling Member (or, in the case of the First Selling Member, the Offered Units that are not committed to be sold under Section 11.3(d)); and second, (ii) if there are any remaining Units in the Sale Pool, then each remaining Selling Member will, in addition, sell to the Offeror that proportionate part of the then remaining Sale Pool that the number of Units owned by such Selling Member bears to the aggregate number of Units owned by all remaining Selling Members.

(f) Allocation Notice and Closing. Within five (5) days after the expiration of the Offeree Option Period, Company will transmit notice (the "Allocation Notice") to each Purchasing Member and Selling Member who has elected to buy or sell Units and to the Offeror.
specifying the allocation of Units determined in accordance with this Article XI. Each participating Purchasing Member and Selling Member and the Offeror will effect the sale in accordance with Section 11.5.

(g) Conversion Assumed. In calculating the number of Units owned by a Purchasing Member or by a Selling Member, a conversion will be assumed for all equity interests that are convertible into the class of Units being purchased or sold.

SECTION 11.4. Drag-Along Right.

(a) Notwithstanding anything to the contrary contained in this Agreement, if at any time, and from time to time, a bona fide written offer to acquire the Company, whether by merger, stock sale or sale of assets (the "Drag-Along Offer"), is made by a third party to Company or to the holders of at least % of the then outstanding Units (the "Controlling Members") and Company or the Controlling Members wish to accept the Drag-Along Offer, then Company or the Controlling Members, as the case may be, will have the right (the "Drag-Along Right") to require the other Members (including Drexel, the "Minority Members") to sell their Units to the third-party proposed purchaser(s) at the same price per unit and upon the same terms and conditions as set forth in the Drag-Along Offer. Each Member will take all reasonable actions requested by the Controlling Members to facilitate the exercise of the Drag-Along Right, including, but not limited to, voting to approve the transaction.

(b) To exercise a Drag-Along Right, Company or the Controlling Members will deliver to each Minority Member a written notice (a "Drag-Along Notice") containing (a) the name and address of the third-party proposed purchaser(s), (b) the proposed price per unit, terms of payment and other material terms and conditions of the Drag-Along Offer and (c) all such other documents, instruments and information as may be required to enable the Members to effectuate the transfer of their Units. Within thirty (30) days from their receipt of the Drag-Along Notice, the Minority Members will take such actions as are necessary to transfer their Units to the third-party proposed purchaser(s).

SECTION 11.5. Purchase Price, Terms and Settlement. For each closing pursuant to Sections 11.3(f) or 11.4, the purchase price per Unit and the terms of payment will be as set forth in the Primary Sale Notice or the Drag-Along Offer, as applicable. Settlement for the purchase of Units by Company and by Members (including Drexel) under Section 11.3(f) and by the Offeror or third-party proposed purchaser(s) under Sections 11.3(f) or 11.4 will be made within thirty (30) days following the later of (i) exercise of the last option exercised or (ii) expiration of any Notice applicable under such Articles. All settlements for the purchase and sale of Units, unless otherwise agreed to by all of the purchasers and sellers, will be held at the principal executive offices of Company during regular business hours. The precise date and hour of settlement will be fixed within the time limits prescribed in this Agreement by the purchaser or purchasers giving written notice to each seller, or if the purchasers fail to agree, by the President of Company giving written notice to the purchasers and each seller. Notice by the purchaser or purchasers, or by the President of Company, as the case may be, must be given at least five (5) days in advance of the settlement date specified. At settlement, each seller will deliver to the applicable purchaser(s) instruments of conveyance with respect to the Units, free

and clear of all liens, claims, restrictions and encumbrances, except for the terms of this Agreement.

ARTICLE XII.

DREXEL PUT AND PREEMPTIVE RIGHTS

SECTION 12.1. Redemption of Shares.

(a) From and after the occurrence of a Trigger Event (as defined below) and subject to the limitations set forth in this Section 12.1(a), Drexel may require the Company to purchase all or such portion of the Units held by Drexel (the “Redeemed Units”) as Drexel may specify ("Redemption Rights") at the per Unit price set forth below. Drexel may exercise its Redemption Rights by providing written notice (the "Redemption Notice") of Drexel’s desire to do so to the Company. The term "Redemption Price" means the higher of (a) __________ Dollars ($__________) per Unit of the Company's Units, subject to equitable adjustment after the Effective Date, or (b) the fair market value per unit of the Company's Units as of the date the Redemption Notice is received by the Company as determined by an Appraisal (as defined in Exhibit E) pursuant to the procedures set forth in Exhibit E. The term "Trigger Event" means the occurrence of any of the following: (i) a material default by the Company under either the Securities Purchase Agreement attached as Exhibit B or this Agreement, which default is not cured during any specified cure periods; (ii) the Company (A) becomes insolvent, bankrupt or generally fails to pay its debts as such debts become due, (B) is adjudicated insolvent or bankrupt, (C) admits in writing its inability to pay its debts, (D) suffers the appointment of a custodian, receiver or trustee for it or substantially all of its property to be appointed and, if appointed without its consent, not discharged within thirty (30) days, (E) makes an assignment for the benefit of creditors or (F) suffers proceedings under any law related to bankruptcy, insolvency, liquidation or the reorganization, readjustment or the release of debtors to be instituted against it and, if contested by it, not dismissed or stayed within ten (10) days; (iii) any proceeding under any law related to bankruptcy, insolvency, liquidation, or the reorganization, readjustment or release of debtors is instituted or commenced by the Company; (iv) the entering of any order for relief relating to any of the proceedings described in Sections 12.1(a)(ii) or (iii) above; (v) the calling by the Company of a meeting of its creditors with a view to arranging a workout or adjustment of its debts; (vi) the act or failure to act by the Company indicating its consent to, approval of or acquiescence in any of the proceedings described in Sections 12.1(a)(ii)-(v) above; or (vii) the ____ anniversary of the Effective Date. Drexel acknowledges that the Redemption Rights will not restrict the Company from granting other redemption rights in favor of future investors in the Company.

(b) At a closing, in exchange for the Redeemed Units, the Company will make payment to Drexel of an amount equal to the Redemption Price multiplied by the number of Redeemed Units (the "Aggregate Redemption Amount") then being redeemed by Drexel. If the Trigger Event is caused by an occurrence described in Sections 12.1(a)(i)-(vi), then all Redeemed Units pursuant to Section 12.1(a) will be transferred, and the Aggregate Redemption Amount for such Redeemed Units will be paid, at a closing to be held within thirty (30) days of the date the Company received the Redemption Notice, or in the case of an Appraisal, within

{PAGE}
fifteen (15) days after a final Appraisal has been delivered to the Company and Drexel as set forth in Exhibit E. If the Trigger Event is caused by an occurrence described in Section 12.1(a)(vii) then all Redeemed Units pursuant to Section 12.1(a) will be transferred, and the Aggregate Redemption Amount for such Redeemed Units will be paid, in two (2) equal installments at two (2) consecutive annual closings. The first such closing will be held within thirty (30) days of the date the Company received the Redemption Notice, or in the case of an Appraisal, within fifteen (15) days after a final Appraisal has been delivered to the Company and Drexel as set forth in Exhibit E, and the second such closing will be held on the same date the following year. All payments of the Aggregate Redemption Amount will be by certified bank check or wire transfer of same day funds and will not be deemed made until received by Drexel.

SECTION 12.2. Preemptive Rights. If Company proposes to issue, sell or exchange any additional Units or other interests in the Company ("Offered Units"), then the Company will first deliver to Drexel a written offer to sell ("Offer") the Offered Units to Drexel. The Offer will specify the price and the terms and conditions of the sale and shall be irrevocable for a period of fifteen (15) days from the date the Offer is given to Drexel (the "Offer Period"). Drexel, its assignee(s) or its designee(s) will have the right to purchase up to such number of units, as will cause Drexel and its assignee(s) or designee(s) to own collectively Units representing at least ________ percent (___%) of the outstanding units of the Company on a fully diluted basis, assuming the exercise, conversion and exchange of all outstanding securities of the Company for or into units. Drexel, its assignee(s) or its designee(s) may exercise such right to purchase any portion of Offered Units by giving written notice to the Company within the Offer Period setting forth the percentage of the Offered Units that Drexel, its assignee(s) or its designee(s) elects to purchase ("Notice of Acceptance"). If at the end of the Offer Period, Drexel, its assignee(s) and/or its designee(s) elects to purchase less than all of the Offered Units, then the Company may issue, sell or exchange those Offered Units for which no Notice of Acceptance was received. However, such issuance, sale or exchange must be on the same terms and conditions as the Offer. No additional Units of the Company shall be issued, sold or exchanged, offered for sale or exchange, or reserved or set aside for issuance unless and until the Company has complied with the requirements of this Section 12.2.

ARTICLE XIII.
DISSOLUTION AND WINDING UP

SECTION 13.1. Dissolution Events. The Company shall dissolve and shall commence winding up and liquidating upon the first to occur of any of the following (each, a "Dissolution Event"):  

(i) The unanimous vote of the Members to dissolve, wind up, and liquidate the Company;

(ii) A judicial determination that an event has occurred that makes it unlawful, impossible, or impractical to carry on the Business; or

(iii) The Bankruptcy, dissolution, retirement, resignation, or expulsion
of any Member, provided that any such event will not be deemed a Dissolution Event in the event that there are at least two remaining Members and each remaining Member agrees to continue the business of the Company within ninety (90) days after the occurrence of such an event.

The Members hereby agree that, notwithstanding any provision of the Act, the Company shall not dissolve prior to the occurrence of a Dissolution Event.

**SECTION 13.2. Winding Up.** Upon the occurrence of a Dissolution Event, the Company shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors and Members, and no Member shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Company’s business and affairs, provided that all covenants contained in this Agreement and obligations provided for in this Agreement shall continue to be fully binding upon the Members until such time as the Property has been distributed pursuant to this Section 13.2 and the Certificate has been canceled pursuant to the Act. The Management Committee shall appoint a Liquidator that shall be responsible for overseeing the winding up and dissolution of the Company, which winding up and dissolution shall be completed within ninety (90) days of the occurrence of the Dissolution Event. The Liquidator shall take full account of the Company’s liabilities and Property and shall cause the Property or the proceeds from the sale thereof (as determined pursuant to Section 13.9 hereof), to the extent sufficient therefor, to be applied and distributed, to the maximum extent permitted by law, in the following order:

(a) First, to creditors (including Members and Managers who are creditors, to the extent otherwise permitted by law) in satisfaction of all of the Company’s Debts and other liabilities (whether by payment or the making of reasonable provision for payment thereof), other than liabilities for which reasonable provision for payment has been made and liabilities for distribution to members under Section 18-601 or Section 18-604 of the Act;

(b) Second, except as provided in this Agreement, to Members and former Members of the Company in satisfaction of liabilities for distribution under Section 18-601 or Section 18-604 of the Act; and

(c) The balance, if any, to the Members in accordance with the positive balance in their Capital Accounts, after giving effect to all contributions, distributions and allocations for all periods.

No Member or Manager shall receive additional compensation for any services performed pursuant to this Article XIII.

**SECTION 13.3. Compliance With Certain Requirements of Regulations; Deficit Capital Accounts.** In the event the Company is “liquidated” within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g), distributions shall be made pursuant to this Article XII to the Members who have positive Capital Accounts in compliance with Regulations Section 1.704-1(b)(2)(ii)(b)(2). If any Member has a deficit balance in his Capital Account (after giving effect to all contributions, distributions and allocations for all Allocation Years, including the
Allocation Year during which such liquidation occurs), such Member shall have no obligation to make any contribution to the capital of the Company with respect to such deficit, and such deficit shall not be considered a debt owed to the Company or to any other Person for any purpose whatsoever. In the discretion of the Liquidator, a pro rata portion of the distributions that would otherwise be made to the Members pursuant to this Article XIII may be:

(i) Distributed to a trust established for the benefit of the Members for the purposes of liquidating Company assets, collecting amounts owed to the Company, and paying any contingent or unforeseen liabilities or obligations of the Company. The assets of any such trust shall be distributed to the Members from time to time, in the reasonable discretion of the Liquidator, in the same proportions as the amount distributed to such trust by the Company would otherwise have been distributed to the Members pursuant to Section 13.2 hereof; or

(ii) Withheld to provide a reasonable reserve for Company liabilities (contingent or otherwise) and to reflect the unrealized portion of any installment obligations owed to the Company, provided that such withheld amounts shall be distributed to the Members as soon as practicable.

SECTION 13.4. Deemed Contribution and Distribution. In the event the Company is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g) but no Dissolution Event has occurred, the Property shall not be liquidated, the Company’s Debts and other liabilities shall not be paid or discharged, and the Company’s affairs shall not be wound up. Instead, solely for federal income tax purposes, the Company shall be deemed to have contributed all Property and liabilities to a new limited liability company in exchange for an interest in such new limited liability company and, immediately thereafter, the Company will be deemed to liquidate by distributing interests in the new limited partnership to the Members.

SECTION 13.5. Rights of Members. Except as otherwise provided in this Agreement, each Member shall look solely to the Property of the Company for the return of its Capital Contribution and has no right or power to demand or receive Property other than cash from the Company. If the assets of the Company remaining after payment or discharge of the debts or liabilities of the Company are insufficient to return such Capital Contribution, then the Members shall have no recourse against the Company or any other Member or Manager.

(a) In the event a Dissolution Event occurs or an event occurs that would, but for provisions of Section 13.1, result in a dissolution of the Company, the Management Committee shall, within thirty (30) days thereafter, provide written notice thereof to each of the Members and to all other parties with whom the Company regularly conducts business (as determined in the discretion of the Management Committee) and shall publish notice thereof in a newspaper of general circulation in each place in which the Company regularly conducts business (as determined in the discretion of the Management Committee).

(b) Upon completion of the distribution of the Company’s Property as provided in this Article XII, the Company shall be terminated, and the Liquidator shall cause the
filing of the Certificate of Cancellation pursuant to Section 18-203 of the Act and shall take all such other actions as may be necessary to terminate the Company.

SECTION 13.7. The Liquidator. The Company is authorized to pay a reasonable fee to the Liquidator for its services performed pursuant to this Article XIII and to reimburse the Liquidator for its reasonable costs and expenses incurred in performing those services. The Company shall indemnify, save harmless, and pay all judgments and claims against such Liquidator or any officers, directors, agents, or employees of the Liquidator relating to any liability or damage incurred by reason of any act performed or omitted to be performed by the Liquidator, or any officers, directors, agents, or employees of the Liquidator in connection with the liquidation of the Company, including reasonable attorneys’ fees incurred by the Liquidator, officer, director, agent, or employee in connection with the defense of any action based on any such act or omission, which attorneys’ fees may be paid as incurred, except to the extent such liability or damage is caused by the fraud, intentional misconduct of, or a knowing violation of law by the Liquidator that was material to the cause of action.

SECTION 13.8. Form of Liquidating Distributions. For purposes of making distributions required by Section 13.2 hereof, the Liquidator may determine whether to distribute all or any portion of the Property in-kind or to sell all or any portion of the Property and distribute the proceeds therefrom.

ARTICLE XIV.
MISCELLANEOUS

SECTION 14.1. Notices. Any notice, payment, demand, or communication required or permitted to be given by any provision of this Agreement shall be in writing and shall be deemed to have been delivered, given, and received for all purposes (i) if delivered personally to the Person or to an officer of the Person to whom the same is directed or (ii) when the same is actually received, if sent either by registered or certified mail, postage and charges prepaid, or by facsimile, if such facsimile is followed by a hard copy of the facsimile communication sent promptly thereafter by registered or certified mail, postage and charges prepaid, addressed as follows, or to such other address as such Person may from time to time specify by notice to the Members and Managers:

(a) If to the Company, to the address determined pursuant to Section 1.4 hereof;

(b) If to the Managers, to the address set forth in Exhibit D hereto; or

(c) If to a Member, to the address set forth in Exhibit A hereto.

SECTION 14.2. Binding Effect. Except as otherwise provided in this Agreement, every covenant, term, and provision of this Agreement shall be binding upon and inure to the benefit of the Members and their respective successors, transferees, and assigns.

SECTION 14.3. Construction. Every covenant, term, and provision of this
Agreement shall be construed simply according to its fair meaning and not strictly for or against any Member.

SECTION 14.4. **Time.** In computing any period of time pursuant to this Agreement, the day of the act, event, or default from which the designated period of time begins to run shall not be included, but the time shall begin to run on the next succeeding day. The last day of the period so computed shall be included, unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next day that is not a Saturday, Sunday, or legal holiday.

SECTION 14.5. **Headings.** Section and other headings contained in this Agreement are for reference purposes only and are not intended to describe, interpret, define, or limit the scope, extent, or intent of this Agreement or any provision hereof.

SECTION 14.6. **Severability.** Except as otherwise provided in the succeeding sentence, every provision of this Agreement is intended to be severable, and, if any term or provision of this Agreement is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity or legality of the remainder of this Agreement. The preceding sentence of this Section 14.6 shall be of no force or effect if the consequence of enforcing the remainder of this Agreement without such illegal or invalid term or provision would be to cause any Member to lose the material benefit of its economic bargain.

SECTION 14.7. **Incorporation by Reference.** Every exhibit, schedule, and other appendix attached to this Agreement and referred to herein is not incorporated in this Agreement by reference unless this Agreement expressly otherwise provides.

SECTION 14.8. **Variation of Terms.** All terms and any variations thereof shall be deemed to refer to masculine, feminine, or neuter, singular or plural, as the identity of the Person or Persons may require.

SECTION 14.9. **Dispute Resolution and Governing Law.** This Agreement shall be governed by and interpreted under the laws of the State of Delaware, without giving effect to the principles of conflicts of law of any jurisdiction. The parties will use reasonable efforts to resolve amicably any disputes that may relate to or arise under this Agreement. If the parties are unable to resolve amicably a dispute, then the parties hereby submit to the exclusive jurisdiction of and venue in the state and federal courts located in the District of Delaware with respect to any and all disputes concerning the subject, or arising out, of this Agreement.

SECTION 14.10. **Waiver of Jury Trial.** Each of the Members irrevocably waives to the extent permitted by law, all rights to trial by jury and all rights to immunity by sovereignty or otherwise in any action, proceeding, or counterclaim arising out of or relating to this Agreement.

SECTION 14.11. **Specific Performance.** Each Member agrees with the other Members that the other Members would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms and that monetary damages would not provide an adequate remedy in such event. Accordingly, it is agreed that, in addition to any other remedy to which the nonbreaching Members may be entitled, at law or in equity, the
nonbreaching Members shall be entitled to injunctive relief to prevent breaches of the provisions of this Agreement and specifically to enforce the terms and provisions hereof in any action instituted in any court of the United States or any state thereof having subject matter jurisdiction thereof.

SECTION 14.12. Remedies. If an Adverse Act has occurred or is continuing with respect to any Member, any non-Adverse Member whose Percentage Interest is greater than [_________] percent (___%) may seek to enjoin such Adverse Act or to obtain specific performance of the Adverse Member’s obligations or Damages (as defined and subject to the limitations specified below) in respect of such Adverse Act. The foregoing remedy shall not be deemed to be exclusive and the pursuit thereof shall not preclude selection or resort to others. The Company shall be entitled to recover from the Adverse Member in an appropriate proceeding any and all damages, losses and expenses (including reasonable attorneys’ fees and disbursements) (collectively, “Damages”) suffered or incurred by the Company as a result of such Adverse Act, provided that the Company shall not have or assert any claim against the Adverse Member for punitive Damages or for indirect, special, or consequential Damages suffered or incurred by the Company as a result of an Adverse Act.

SECTION 14.13. Counterpart Execution. This Agreement may be executed in any number of counterparts with the same effect as if all of the Members had signed the same document. All counterparts shall be construed together and shall constitute one agreement.
IN WITNESS WHEREOF, the parties have executed and entered into this Agreement of the Company as of the day first above set forth.

Adverse Act unless and until (and assuming that such breach or default has not theretofore been cured in full and that any applicable grace period has expired) there is a Final Determination that such Member’s actions or failures to act constituted such a breach or default;

(iii) A Transfer of all or any portion of such Member’s Interest except as expressly permitted or required by this Agreement;

INITIAL OFFICERS

1.
2.
3.
Within ten (10) days after the Company, pursuant to Section 12.1 of this Agreement, receives the Redemption Notice, the Company and Drexel will attempt to agree upon the selection of a disinterested independent qualified investment banking firm or other disinterested independent qualified appraiser (the “Appraiser”) to determine the Redemption Price. If the parties are able to agree upon an Appraiser, then such Appraiser will be instructed to furnish a written valuation or appraisal (an “Appraisal”) within thirty (30) days after its selection. If the parties are unable to agree upon the selection of an Appraiser within a ten (10) day period, then Drexel and the Company will, within five (5) days after the end of such ten (10) day period, each select an Appraiser to determine the Redemption Price. If either Drexel or the Company fails to so select an Appraiser, then the Appraisal of the Appraiser selected by the other shall determine the Redemption Price. If the higher of the two Appraisals is not more than one hundred ten percent (110%) of the lower Appraisal, then the Redemption Price will be the arithmetic average of the two Appraisals. If the higher of the two Appraisals is equal to or greater than one hundred ten percent (110%) of the lower Appraisal, then the two Appraisers shall, within ten (10) days after the issuance of their respective reports, select a third Appraiser to determine the Redemption Price. The third Appraiser will be instructed to issue a written Appraisal within thirty (30) days after this selection. The third Appraiser will be arithmetically averaged with the two Appraisals, and the Appraisal furthest from the average of all three Appraisals will be disregarded. The arithmetic average of the two remaining Appraisals will be the Redemption Price.

Each Appraiser engaged to provide an Appraisal will be instructed (i) to include in the Appraisal a statement of the criteria applied and assumptions made to determine the Redemption Price, (ii) to arrive at a single calculation of the Redemption Price rather than alternative calculations or a range of calculations, and (iii) not to attribute a premium or discount based on the fact that the Units being valued constitutes a majority or less than a majority of the total issued and outstanding Units of the Company. Any Appraisal by an Appraiser that fails to follow the instructions set forth in this Exhibit E will not constitute an Appraisal for purposes of this Agreement; except that the failure of an Appraiser to complete an Appraisal within thirty (30) days as instructed will not affect the validity of such Appraiser’s Appraisal. The expenses of all Appraisals will be borne by the Company.
