

GENERAL BUSINESS

The General Business major is designed for students who do not want to specialize in any one area but want a more extensive exposure to all the various areas of business. This field of study is ideal for those students who want to leave themselves open to many career choices within business.

The recommended plan of study includes classes in economics, accounting, statistics, organizational behavior, critical reasoning, human resource management and more.

Students wanting specific information about the major are encouraged to stop by the undergraduate advising office in Gerri C. LeBow Hall, call the department at 215.895.2110, or visit their website at lebow.drexel.edu/academics/programs/undergraduate/degrees/business-administration/plan-study/general-business.
