University of Pennsylvania

EMPLOYERS VALUE DREXEL STUDENTS

“Chau brought an energy and an enthusiasm to learn to every task that has yet to be duplicated. She was unique in her ability to work in the lab with both a high level of accuracy and high speed. Chau was even recognized amongst her peer students as a leader and became their source for advice and instruction…Because of her strong initiative, dependability, and professionalism, I believe that Chau would make an excellent addition to Amicus.”

- Leo Dungan
Amicus Therapeutics

GO TO STEINBRIGHT AND GET TO WORK

Steinbright’s powerful combination of co-op and career services is a Drexel advantage for job placement and beyond.

From the One-Year-Out Alumni Survey, graduating class of 2015:

95% of Biomedical Engineering graduates are working or enrolled in graduate or professional education.

91% of those working full-time were satisfied with their positions.

92% of those working full-time were satisfied with their level of responsibility.

41% of Biomedical Engineering co-op participants working full-time had received a job offer from a former co-op employer.

The Steinbright Career Development Center is Drexel University’s go-to resource for students, employers, faculty, and advisors to connect on co-ops and career services. There is no better place to get the answers and resources you need for every step of your academic and career path.
## FOUR-YEAR CURRICULUM – ONE CO-OP OPTION
