Employers value Drexel students:

“Sandra demonstrated a desire to learn, and develop her skills, competencies, and understanding of internationalization in higher education. We would absolutely hire her in our office as a full-time employee.”
- Office of International Programs, Drexel University

Go to Steinbright and get to work:

Steinbright’s powerful combination of co-op and career services is a Drexel advantage for job placement and beyond.

From the One-Year-Out Alumni Survey, graduating class of 2015:

- 93% of Arts and Sciences graduates are working or enrolled in graduate or professional education.
- 87% of those working full-time were satisfied with the extent of which their job is related to their major.
- 86% of those working full-time were satisfied with their positions.
- 36% of those working full-time had received a job offer from a former co-op employer.

The Steinbright Career Development Center is Drexel University’s go-to resource for students, employers, faculty, and advisors to connect on co-ops and career services. There is no better place to get the answers and resources you need for every step of your academic and career path.
