The Steinbright Career Development Center is Drexel University’s go-to resource for students, employers, faculty and advisors to connect on co-ops and career services. There is no better place to get the answers and resources you need for every step of your academic and career path.

**YOUR FUTURE IS STEINBRIGHT**

Danielle has been an active member of the research team for numerous projects focused on understanding and promoting positive recovery in children and parents following injuries or illnesses. She developed a partnership with CHOP's oncology department which significantly increased their ability to support more pediatric cancer patients. Before Danielle, CHOP reached about 15 families of children with cancer per month or 180 families per year. Now, CHOP reaches twice as many families.
