Michelle,

When you were born, you were the first... daughter, granddaughter, niece and you were loved so very much. As the years have passed, (way to quickly) you have brought so much to our families. Your love, compassion, perseverance, honesty, hope, enthusiasm, and kindness make you truly remarkable. You are loved so very much and the pride that we feel in the beautiful young woman, artist and doctor, that you have become knows no bounds. We were truly blessed by God when He brought you into our lives.
Congratulations
