Drexel University believes that dining on campus plays an important role in fostering a sense of community. Drexel Campus Dining developed a dining program that reflects the diversity and spirit of Drexel University. As first-year students living in University housing, Drexel wants to make your transition to college life a smooth and rewarding experience. The University requires all resident first-year students, as well as transfer students, to participate in an all-inclusive dining plan. Many commuter and continuing students also choose to take advantage of the flexibility and convenience of a campus dining plan.

Application
All first-year students will select a dining plan via the DrexelOne MyHousing portal by visiting one.drexel.edu.

Drexel Dining Plans
Drexel dining plans provide students with options and flexibility. Each all-inclusive plan consists of meals and dining dollars. Meals, called “meal swipes,” may be enjoyed “all-you-can-eat” at the Handschumacher Dining Center, which features a variety of stations including Asian fusion, American grille, pasta, global bowls, deli, as well as soup and salad bar with takeout options. You may also use meal swipes at the Urban Eatery, a 400-seat dining venue offering six individual and unique platforms: Downtown Grounds (bakery café), Greene St. (salads, wraps, and smoothies), Ignite (grille), Vespa (Mediterranean), Street Fare (global), and SoLA Deli (made to order).

The dining dollars included with each dining plan may be used at the following on-campus dining locations to purchase food items à la carte:
- Handschumacher Dining Center (Chestnut Square)
- Northside Dining Terrace featuring Subway, SUSHI, Chick-fil-A, and The Market (34th and Race streets)
- Starbucks (Gerri C. LeBow Hall)
- ThirtyOne41 (Main Building)
- Urban Eatery (34th Street and Lancaster Avenue)
