

Deadline to Submit:  
**Monday, February 2, 2015**  
**No later than 4:00PM**

The STAR (Students Tackling Advanced Research) Scholars Program is an opportunity for high-achieving first-year students to engage in an early undergraduate research, scholarship, or creative experience during the summer after their freshman year. This highly competitive program seeks to identify and encourage students to take a hands-on approach to their education through undergraduate research.

**Evaluators:** Please fill out all information, including applicant information. Please be as thorough as possible, as the recommendation factors significantly into the assessment of applicants. We do not require that this recommendation remain confidential. Please return this completed form and any accompanying materials via email to the **Office of Undergraduate Research (our@drexel.edu)** no later than **4:00 pm on Monday, February 2, 2015**.
