

For Departments: Validate visitor ticket

	<p>Validator can send a text which will validate the customer's ticket.</p> <ol style="list-style-type: none"> 1. Send a new text to (321) 541-4421 2. Use this specific syntax: <p>PARK24 {Space} {Ticket Number}</p> <p>For example: PARK24 839493</p> <p>*Requires that Sender's cell phone number is registered in Validation System. Contact Parking Services to register a new cell phone number*</p>
	<ol style="list-style-type: none"> 1. Log into the Validation Portal https://v.flashvalet.com with your assigned username and password. 2. Enter the Ticket Number and select the Find Ticket. 3. Select a Validation Price [24 Hour validation] 4. Click Validate.
	<p>Download the FlashValet iOS App.</p>  <ol style="list-style-type: none"> 1. Log into the iOS FlashValet App with a validator user account. 2. Select Validate Ticket > enter Ticket Number <i>or</i> use camera scanner to scan the barcode of the ticket to validate. Tap Search. 3. Select 24 Hour Validation and click Validate Ticket.
	<p>Place a pre-printed sticker on the guest's parking ticket. For best results, a department validator should complete this task; avoid issuing the sticker to the customer without directly affixing to the ticket.</p> <p>If customer does not have their entry ticket, use an alternative method to validate.</p>
