

Understanding Your Style with the MBTI Prework Instructions (for Career Pathway)

Introduction

Welcome, SCP Participant!

Thank you for registering to attend the second core offering in the Supervisory Certificate Program, "**Understanding Your Style with the MBTI**". This workshop was designed to help you foster a better understanding of the ways in which your unique personality type interacts with others and how it influences your role as a supervisor.

Participation in this session <u>requires</u> the completion of the Myers Briggs Type Indicator (MBTI). This online assessment will help you identify your unique personality type.

**Please note*: You must complete the Myers Briggs Type Indicator (MBTI) *1 week prior* to your scheduled session in order to attend the session.

During the workshop, you will receive a copy of your MBTI results and engage in activities that will help you interpret and understand your assessment results. You will learn how to use this information to form better partnerships with coworkers and direct reports.
