

## Default Question Block

Congratulations on your admission to Drexel University and welcome to the First-year Self-Assessment survey!

The survey is an opportunity for you to share information with your academic adviser on:

- The reasons that you chose to attend Drexel
- Your long-term life and career goals
- Your level of confidence in your ability to succeed at Drexel
- Your sense of your current skills and knowledge in broad areas such as writing, mathematics, and so on

The survey should take **less than five minutes** to complete. The information will **not** be used to determine course assignments, program placements, or any other aspect of your program. It will be used solely by your academic adviser(s) to better understand and support your needs and goals.

Therefore, **please answer each question carefully and honestly**, to enable your academic adviser(s) to best serve you.

Thank you for your response and, again, Welcome to Drexel!
