Congratulations on your graduation from Drexel University! This is a significant achievement and we are proud of your success. As part of the graduation process, we would like to request your help completing a short survey. The survey consists of two parts: Post-graduation plans What will you be doing after you graduate? The Department of Education mandates that we collect this information. Evaluation of your Drexel Experience The second part of the survey asks you to reflect on your experience at Drexel. This is information that we will use to improve the educational experiences and services we provide for current and future students. We realize that some of these questions might not apply to you given the timing of your graduation; if that is the case, feel free to skip them. The survey should take between 10-12 minutes to complete. Please know that this survey is not anonymous. However, the Office of Institutional Research, Assessment, and Effectiveness (IRAE) has a strict policy on maintaining the confidentiality of student survey data. Original survey data will be kept in a secure, password-protected location within IRAE, and data will only be summarized in any oral or written reports in groups of five or more individuals. Although you may be required to visit the survey link, your responses to any and all questions in the survey are voluntary – you may skip any question that you prefer not to answer, for whatever reason. The only questions requiring answers are those necessary for the survey to function properly. Thank you again for your response – be assured that the information you provide will be summarized and reviewed by the leadership in order to help the University improve.

The Office of Institutional Research, Assessment, and Effectiveness (IRAE) is required by federal educational regulations to gather information on student experiences and post-graduate outcomes (employment and graduate school). We would like to use your mobile telephone number and email address to invite you to participate by sending a text message and email with the online survey link to you. These will not be shared with other offices, and will be used by IRAE only to send a text message and email invitation (for most students, this will be only one additional survey between now and one year after you graduate).
