

Curriculum Vitae – June 15, 2018
Formatted Per Drexel University College of Medicine
David J. Reich, MD, FACS

A.

B. Current Addresses:

Professional Address:

Drexel University College of Medicine
Hahnemann University Hospital
Department of Surgery
Division of Transplantation
216 North Broad Street
5th Floor Feinstein Building
MS 1001
Philadelphia, PA 19102

Office Phone Number: 215-762-3900
Office Fax Number: 215-762-3846
Professional Email Address: djr56@drexel.edu

Home Address:

201 North Bowman Avenue
Merion Station, PA 19066
Home Phone Number: 610-617-4549

C. Education:

2001 – 2002
Physician Executive Leadership Program
La Salle University
School of Business Administration
Philadelphia, PA

1985 - 1989
M.D.C.M.
McGill University
School of Medicine
Montreal, Canada

1981 – 1985
B.A.
Columbia College
Columbia University
New York, NY

D. Postgraduate Training:

1989 - 1993
Internship and Residency
General Surgery
Beth Israel Medical Center
New York, NY

1993 - 1994
Chief Residency
General Surgery
Beth Israel Medical Center
New York, NY

1994 - 1996
Fellowship
Multiorgan Transplantation and Hepatobiliary Surgery
The Mount Sinai Hospital
New York, NY

E. Employment History:

Faculty Appointments:

1994 - 1996
Instructor in Surgery
Mount Sinai School of Medicine
New York, NY

1997 - 2001
Assistant Professor of Surgery
Temple University School of Medicine
Philadelphia, PA

2003 - 2005
Clinical Associate Professor of Surgery
Jefferson Medical College
Philadelphia, PA

2005 - 2008
Associate Professor of Surgery
Jefferson Medical College
Philadelphia, PA

2007 – 2008
Associate Chair, Department of Surgery
Albert Einstein Medical Center
Philadelphia, PA

2008 - Present
Professor of Surgery
Drexel University College of Medicine
Philadelphia, PA

2008 – Present
Chief, Division of Multiorgan Transplantation and Hepatobiliary Surgery
Department of Surgery
Drexel University College of Medicine
Philadelphia, PA

2008 - Present
Vice Chair, Department of Surgery
Drexel University College of Medicine
Philadelphia, PA

Hospital Appointments:

1996 - 2008
Attending Surgeon
Department of Surgery
Albert Einstein Medical Center
Philadelphia, PA

1997 - 2007
Associate Director
Liver Transplantation and Hepatobiliary Surgery Program
Albert Einstein Medical Center
Philadelphia, PA

2007 – 2008
Director
Liver Transplantation and Hepatobiliary Surgery Program
Albert Einstein Medical Center
Philadelphia, PA

2008 - 2017
Attending Surgeon
Department of Surgery
Abington Memorial Hospital
Abington, PA

2008 - Present
Attending Surgeon
Department of Surgery
Hahnemann University Hospital
Philadelphia, PA

2008 - Present
Director, Center for Multiorgan Transplantation and Hepatobiliary Surgery
Hahnemann University Hospital
Philadelphia, PA

2010 - Present
Attending Surgeon
Department of Surgery
St. Christopher's Hospital for Children
Philadelphia, PA

F. Certifications and Licensure:

Certifications:

American Board of Surgery, Certificate 40712, November 1, 1995

American Board of Surgery Recertification, Certificate 40712
October 17, 2003

American Board of Surgery Recertification, Certificate 40712
December 13, 2013

National Board of Medical Examiners, Certificate 379134, July 1, 1990

Advanced Trauma Life Support, 1991

Advanced Cardiac Life Support, 1989

Licensure:

Pennsylvania MD046027L, December 11, 1991
Expires December 31, 2018

New York 184922, February 1, 1991
Currently inactive

New Jersey 25MA08246100, May 8, 2007 - June 30, 2013
Currently inactive

DEA: BR4984995, active April 24, 2017 - April 30, 2020

G. Military Service: Not Applicable

H. Honors and Awards:

1987

Farquarhson Research Scholar
Medical Research Council of Canada

2000

First Prize Scientific Achievement Award
Maimonides Society, Philadelphia

2004

Transplant Surgeon of the Year Honoree
American Liver Foundation
Delaware Valley Chapter, Philadelphia

2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018

Top Docs, Philadelphia Magazine
America's Top Doctors, Castle Connolly, 2010-2018
America's Top Cancer Doctors, Castle Connolly, 2010-2018

2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017

Marquis Who's Who in America

I. Memberships and Offices in Professional Societies:

Current Memberships:

National / International:

American Society of Transplant Surgeons
United Network for Organ Sharing
American Association for the Study of Liver Diseases
American College of Surgeons
International Liver Transplantation Society
American Society of Transplantation
American Medical Association

Local:

Gift of Life Donor Program
Metropolitan Philadelphia Chapter of the American College of Surgeons
Philadelphia Academy of Surgeons

Offices:

National / International:

United Network of Organ Sharing (UNOS)

Member, Region Two Liver Sharing / Payback Committee,
2003 – 2004

Region Two Representative to OPTN/UNOS Liver and Intestinal
Organ Transplantation Committee, 2007 – 2009

Co-Chair, OPTN/UNOS National Liver Allocation Review Board,
2007 - 2009

Hahnemann University Hospital Transplant Programs
Representative to OPTN/UNOS, 2009 – Present

AASLD (American Association for the Study of Liver Diseases)
Representative to OPTN/UNOS, 2010 – 2012

Associate Councilor, Region Two, OPTN/UNOS, 2013 - 2015

Region Two Representative to OPTN/UNOS Membership and
Professional Standards Committee, 2013 – 2015

Councilor, Region Two, OPTN/UNOS, 2015 - 2017

Member, Board of Directors, OPTN/UNOS, 2015 – 2019

Member, IT Advisory Committee (ITAC) of the OPTN/UNOS Board
of Directors, 2015 - 2017

Chair, IT Advisory Committee (ITAC) of the OPTN/UNOS Board
of Directors, 2016 - 2017

Member, President's Committee on Committees of the OPTN/UNOS
Board of Directors, 2016 – 2018

Member, Executive Committee of the OPTN/UNOS Board of
Directors, 2016 – 2019

Treasurer, OPTN/UNOS Board of Directors, 2017 - 2019

Chair, Finance Committee of the OPTN/UNOS Board of Directors,
2017 - 2019

Member, Corporate Affairs Committee of the OPTN/UNOS Board of Directors, 2017 - 2019

American Society of Transplant Surgeons (ASTS)

Member, ASTS Education Committee, 2000 – 2003

NIH Transplant Fellowship Site Reviewer, Bethesda, MD.
June 13, 2001

Member, ASTS Fellowship Training Committee, 2003 – 2006

University of Rochester Transplant Fellowship Site Reviewer,
Rochester, NY. April 30, 2004

Cleveland Clinic Foundation Transplant Fellowship Site Reviewer,
Cleveland, OH. May 5, 2005

Member, Abstract Review Committee for the annual ATC meeting,
2006 – 2008, 2010 - 2012, 2014 - 2016

Co-Chair, ASTS Standards on Organ Transplantation
Committee, 2006 – 2009

ASTS Representative, Physician Consortium for Performance
Improvement of the American Medical Association (PCPI / AMA),
2009 - Present

Chair, ASTS Standards on Organ Transplantation Committee,
2009 – 2012

Chair, ASTS Legislative Committee, 2012 – 2015

Chair, ASTS Task Force on MACRA, Value Based Practice and
Pay Reform, 2015 – Present

American Association for the Study of Liver Diseases (AASLD)

Member, Abstract Selection Committee for the annual AASLD and
DDW meetings, 2003 – 2005, 2009 - 2012

Member, AASLD Clinical Research Committee, 2008 – 2010

Member, Steering Committee, AASLD Liver Transplantation and
Hepatobiliary Surgery Special Interest Group, 2008 – 2013

Member, AASLD Education Oversight Committee, 2009 - 2012

Member, AASLD Scientific Program Committee, 2009 - 2012

Chair, AASLD Liver Transplantation and Surgery Committee,
2009 – 2012

Member, AASLD Practice Guidelines Committee, 2016 - 2019

American College of Surgeons

Fellow, ACS, 1999 - Present

ASTS Representative, ACS Surgical Quality Alliance (SQA),
2008 – Present

International Liver Transplantation Society (ILTS)

Member, Consensus Development Group, Symposium on Extended
Criteria Liver Donors, Philadelphia, PA. December 1 - 2, 2005

American Society of Transplantation (AST)

Invited Member (ASTS Representative), Strategies for
Implementation Work Group, Consensus Conference on Optimal
Testing of Live Donors to Prevent Transmission of Infectious
Diseases. Baltimore, MD. July 28, 2011

Invited Member, Working Group on Operationalizing a System of
Incentives, AST and ASTS Workshop on Exploring Incentives for
Increasing Organ Donation. Chicago, IL. June 2 - 3, 2014

United States Department of Health and Human Services (DHHS)

Invited Participant and Speaker, DHHS Organ Transplantation
Breakthrough Collaborative to Increase Organ Donation,
2005 - 2006
(Gift of Life Donor Program Team. Chicago IL, October 26 – 27,
2005; Washington DC, May 30 - 31, 2006; New Orleans LA, October
18 - 19, 2006)

Invited Member (ASTS Representative), Working Group on
Techniques for Organ Preservation and Utilization, DHHS
Consensus Conference on Improving the Safety and Effectiveness
of Donation after Cardiac Death. Phoenix, AZ. April 1 - 2, 2008

Invited Member, Working Group on Increased Risk Definitions,
DHHS Agency for Healthcare Research and Quality (AHRQ)-funded
Northwestern University/ASTS/AST Consensus Conference
Increased Risk Donors to Improve Access to Organ Transplantation.
Chicago, IL. April 27, 2012

United Resource Networks (URN) / OptumHealth

Physician Reviewer, Abdominal Organ Transplantation, 2008 - 2016

Member, Organ Transplant Expert Panel on Centers of Excellence
Selection Criteria, 2008 – 2010

Local:

Gift of Life Donor Program

Member, Liver/Small Bowel Committee, 1999 – 2001

Member, Medical Advisory and Policy Board, 2001 – 2015

Chair, Liver/Small Bowel sub-Committee, 2001 – 2015

Greater Delaware Valley Society of Transplant Surgeons

Founder and organizer, Delaware Valley Liver Transplantation Club,
1997 – 2006

J. Professional Committees and Administrative Service:

1. Institutional Committees:

Albert Einstein Medical Center, Philadelphia:

Member, Continuing Medical Education Committee, 1997 - 1998

Member, Operating Room Committee, 1998 – 2006

Member, Patient Safety Improvement and Management Committee,
2002 - 2008

Member, Liver Disease and Transplantation Services Business Plan
Strategic Workgroup, 2004 - 2005

Member, Graduate Education Committee, 2005 - 2007

Member, Research Committee, 2007 - 2008

Member, Medical Staff Board, 2007 – 2008

**Drexel University College of Medicine / Hahnemann University
Hospital, Philadelphia:**

Chair, Liver Transplantation Strategic Workgroup, 2008 - Present

Chair, Kidney Transplantation Strategic Workgroup, 2008 – Present

Chair, Task Force on CMS Certification of Transplant Program,
2008 – Present

(liver transplant program certified May 1, 2009;
recertified March 22, 2012; July 8 2015
kidney transplant program certified December 1, 2010;
recertified June 11, 2012; July 8, 2015)

Member, Surgical Performance Improvement Committee, HUH,
2008 - Present

Member, Steering Committee, DUCOM, 2010 – 2013

Member, Mediation and Grievance Panel, DUCOM, 2010 – 2013

Member, Department of Medicine Search Committee for Pulmonary and
Critical Care Medicine Division Chief, DUCOM, 2013 – 2014

Co-Chair, Physician Advisory Council, HUH Practice Physicians,
2014 – 2016

Member, Utilization Management Committee, HUH, 2017 – Present

Chair, Surgical Performance Improvement Committee, HUH,
2018 - Present

Member, Medical Executive Committee, HUH, 2018 - Present

2. Extramural:

Data Safety Monitoring Board

Chair, Independent Data Monitoring Committee (DSMB), CSL Behring, Protocol CSL842_3001 (FDA phase III multicenter randomized controlled trial of human plasma-derived C1-esterase inhibitor for refractory antibody mediated rejection in renal transplantation), 2017 – Present

Editorial Boards:

Graft - Organ and Cell Transplantation, 1999 - 2002

New Surgery, 2000 – 2002

Liver Transplantation, 2010 – 2016

Associate Editor, Clinical Transplantation, 2017 – Present

Reviewer of manuscripts for journal publications:

New England Journal of Medicine

American Journal of Transplantation

Transplantation

Journal of Hepatology

Nature Clinical Practice Gastroenterology and Hepatology

Service as examiner for professional organization:

Examiner, Annual Mock Oral Board Examination organized by the Metropolitan Philadelphia Chapter of the American College of Surgeons, September 19, 2015

Reviewer of grants for extramural funding sources:

Reviewer, Research Grant Proposals, American Society of Transplant Surgeons (at request of ASTS Grant Review Committee), 2010

Convener of symposium or of conferences or of workshop in one's field:

United Network of Organ Sharing (UNOS)

Nov 19-20, 2008; National HCC Consensus Conference, Chicago, IL.

1) Member, Planning Committee, 2) Chair, Ablative Therapy Working Group

American Society of Transplant Surgeons (ASTS)

Jan 16-18, 2009; National State of the Art Winter Symposium on The Right Organ for the Right Recipient, Marco Island, FL.

Co-organizer, Premeeting Symposium on Standards for Organ Procurement and Transplantation

Jan 13-16, 2011; National State of the Art Winter Symposium – Transplantation at the Crossroads, Hollywood, FL.

Co-organizer, Premeeting Symposium on Pay for Performance: An Update on National Quality Improvement Initiatives

Jan 23-26, 2014; National State of the Art Winter Symposium – Meeting the Challenges of Innovation, Miami, FL.

Co-organizer, Premeeting Symposium on Legislative Advocacy

Jan 15-18, 2015; National State of the Art Winter Symposium – Transplant – the Ultimate Team Sport, Miami, FL.

Co-organizer, Premeeting Symposium on Regulatory Compliance, Quality and Advocacy

American Association for the Study of Liver Diseases (AASLD)

May 1-5, 2010; Digestive Disease Week (DDW), New Orleans, LA.
Member, AASLD Annual Meetings Planning Task Force

Oct 31-Nov 4, 2010; AASLD Annual Meeting, Boston, MA.

1) Member, Annual Meetings Planning Task Force, 2) Course Director, Transplant Surgery Workshop on Donation after Cardiac Death Liver Transplantation

May 7-10, 2011; Digestive Disease Week (DDW), Chicago, IL.

Member, AASLD Scientific Program Committee

Nov 4-8, 2011; AASLD Annual Meeting, San Francisco, CA.
1) Member, Scientific Program Committee, 2) Course Director,
Transplant Surgery Workshop on The Practice of Donor/Recipient
Matching for Liver Transplantation: Science or Art?

May 19-22, 2012; Digestive Disease Week (DDW), San Diego, CA.
Member, AASLD Scientific Program Committee

Nov 9-13, 2012; AASLD Annual Meeting, Boston, MA.
Member, Scientific Program Committee

Delaware Valley Liver Transplantation Club, Philadelphia

June 2, 1997 Relationship of Hepatobiliary Surgery & Liver
Transplantation, organizer
Jan 13, 1998 Biliary Complications Following Liver
Transplantation, organizer
Oct 22, 1998 Multivisceral Transplantation, organizer
Mar 23, 1999 Viral Hepatitis and Liver Transplantation, co-
organizer
Oct 19, 1999 Contraindications to Listing for Liver Transplantation,
organizer
May 7, 2001 Living Donor Liver Transplantation, organizer
Oct 4, 2001 Hepatocellular Carcinoma and Ablative Techniques,
co-organizer
Mar 27, 2003 Hepatocellular Carcinoma and Liver Transplantation,
organizer
June 9, 2004 Bioartificial Liver Support, co-organizer
June 1, 2005 History of Organ Transplantation, co-organizer

AEMC Postgraduate Course – Hepatobiliary Disease & Liver Transplantation, Philadelphia

April 10, 1999; co-organizer
April 8, 2000; co-organizer
April 21, 2001; co-organizer

K. Community Service:

American Liver Foundation (ALF):

Member, Board of Directors, Delaware Valley Chapter, 2001 – 2009

Chair, 2003 Gala of the ALF Delaware Valley Chapter, 2003

Chair, Medical Advisory Committee, Delaware Valley Chapter, 2003 – 2006

Member, Fundraising Committee, 2006 – 2008

Columbia University:

Undergraduate applicant interviewer, Columbia College Alumni Relations Committee, 2004 - 2013

L. Educational Activities:

Drexel University College of Medicine / Hahnemann University Hospital:

Teaching attending for abdominal multiorgan transplantation / hepatobiliary surgery (for general surgery residents [internal and visiting], GI/hepatology and nephrology fellows, and medical students) - provide teaching rounds, clinic preceptorship, lectures for residents, lectures for medical students, mentoring of residents and medical students for conference presentations, and advising of residents and medical students regarding career paths, 10 days/month, 2008 – Present

Administrator for teaching initiatives of Division of Multiorgan Transplantation and Hepatobiliary Surgery (for general surgery residents [internal and visiting] and medical students), 2008 - Present

Lecturer and examiner for 3rd and 4th year medical student General Surgery Clerkship, 2008 – Present

Member, General Surgery Residency Program Admissions Committee, 2008 – Present

Member, General Surgery Residency Program Evaluation and Promotion Committee, 2008 – Present

Member, Department of Surgery Education Committee, 2013 – Present

Director, Department of Surgery Grand Rounds Series on Systems Based Practice (organize 6 conferences annually), 2013 - 2016

Faculty Chair, Transplant Special Interest Group for 1st and 2nd year medical students (developed this initiative of surgeries and lectures), 2014 - Present

Abington Memorial Hospital:

Teaching attending for hepatopancreatobiliary (HPB) surgery (for general surgery residents and medical students) - provide lectures and teaching rounds, 2008 – 2017

Organizer and Moderator for weekly hepatopancreatobiliary (HPB) case management and teaching CME conference – joint Hahnemann and Abington audiovisual meeting, 2009 – 2013

Albert Einstein Medical Center:

Teaching attending for liver transplantation / hepatobiliary surgery (for transplant fellows, general surgery residents, GI/hepatology fellows and medical students) – provide teaching rounds, lectures for residents, and mentoring of residents for conference presentations, 10-15 days / month, 1996 – 2008

Director, ASTS Approved Abdominal Multiorgan Transplantation Surgery Fellowship Training Program, 2007 – 2008

M. Clinical Activities:

1. Major Clinical Activities:

Hahnemann University Hospital:

a. Rounds, Clinics

Inpatient Attending, abdominal multiorgan transplantation (liver, kidney, pancreas) and hepatobiliary surgery service; primary service rounds and call, consult service rounds and call, elective and emergency surgeries; 10 days / month, 2008 – Present

Transplant Organ Donor Call (liver, kidney, pancreas); 10-13 days / month, 2008 – Present

Organ Transplant Surgeries Call (liver, kidney, pancreas); primary call 10-13 days/month, back-up call 10-13 days/month; 2008 – Present

Outpatient Clinic Attending, abdominal multiorgan transplantation And hepatobiliary surgery service; primary patients, consults; 2 mornings and one afternoon / week, 2008 – Present

Immunosuppression Management (preceptor for transplant pharmacist and nurse coordinators); several hours / week, 2008 – Present

Hepatobiliary Imaging Interpretation and Management (including CT and MRI of malignant and benign tumors); several hours / week, 2008 – Present

b. Development and/or implementation of clinical programs, quality assessment of programs

Chair, Liver Transplant Candidate Selection and Evaluation Multidisciplinary Committee; develop policies and procedures, run weekly meetings, 2008 – Present

Chair, Liver Transplant Quality Assessment and Performance Improvement Multidisciplinary Committee; develop outcome measures, monitor results, implement QI projects, lead morbidity and mortality presentations, run monthly meetings, 2008 – Present

Chair, Kidney/Pancreas/Live Donor Transplant Quality Assessment and Performance Improvement Multidisciplinary Committee; develop outcome measures, monitor results, implement QI projects, lead morbidity and mortality presentations, run monthly meetings, 2008 – Present

Abington Memorial Hospital:

a. Rounds, Clinics

Hepatopancreatobiliary (HPB) Surgery Attending; primary service rounds and call, consult service rounds and call, elective and emergency surgeries; 15 days / month (clinic 1 morning / month, inpatient coverage 12-15 days / month [typically round and/or operate a couple days / month]), 2008 – 2016

b. Development and/or implementation of clinical programs, quality assessment of programs

Organizer and Moderator for weekly hepatopancreatobiliary (HPB) case Management conference – joint Hahnemann and Abington audiovisual meeting, 2009 - 2013

Albert Einstein Medical Center:

a. Rounds, Clinics

Inpatient Attending, liver transplantation and hepatobiliary surgery service; primary service rounds and call, consult service rounds and call, elective and emergency surgeries; 10-15 days / month, 1996 – 2007

Inpatient Attending, abdominal multiorgan transplantation (liver, kidney, pancreas) and hepatobiliary surgery service; primary service rounds and call, consult service rounds and call, elective and emergency surgeries; 10 days / month, 2007 - 2008

Liver Transplant Organ Donor Call; 10-15 days / month, 1996 - 2008

Liver Transplant Surgeries Call; primary call 10-15 days/month, back-up call 10-15 days / month; 1996 - 2008

Kidney and Pancreas Transplant Surgeries Call; primary call 10 days / month; 2007 – 2008

Outpatient Clinic Attending, liver transplantation and hepatobiliary Surgery service; primary patients, consults; 2 mornings and one afternoon / week, 1996 - 2008

Outpatient Clinic Attending, kidney and pancreas transplantation service; primary patients, consults; 2 mornings and one afternoon / week, 2007 - 2008

Immunosuppression Management (preceptor for transplant pharmacist and nurse coordinators); several hours / week, 1996 – 2008

Hepatobiliary Imaging Interpretation and Management (including CT and MRI of malignant and benign tumors); several hours / week, 1996 - 2008

b. Development and/or implementation of clinical programs, quality assessment of programs

Chair, Liver Transplant Candidate Selection and Evaluation Multidisciplinary Committee; develop policies and procedures, run weekly meetings, 2007 - 2008

2. Health Care Education of the Lay Community:

Presentations:

American Liver Foundation, Chinese American Patient Symposium on Hepatitis B, "Surgical Treatments for Liver Cancer", Philadelphia, PA. November 20, 2005.

American Liver Foundation, Korean American Patient Symposium on Hepatitis B, "Surgical Treatments for Liver Cancer", Philadelphia, PA. May 12, 2007.

Transplant Recipients International Organization (TRIO), Delaware Valley Multiorgan Support Team, "Cancer and Transplant: How to Maintain your Health and Well Being", Philadelphia, PA. Oct 29, 2015 (video of presentation posted to TRIO International Transplant Presentation Library [<https://www.youtube.com/watch?v=fdhijExhhEM>], Posted October 30, 2015).

Publications in the lay press:

Reich DJ: Exciting Treatments Offer Hope to Patients with Liver Cancer – Patients Need to Seek Expert Care. American Liver Foundation Website (http://www.liverfoundation.org/cgi-bin/dbs/chapter.cgi?db=news&uid=default&NewsID=1275&view_records=1), Featured January 2006 – January 2007.

N. Support:

Primary Investigator (extramurally funded research activities):

Liver transplantation using vascular staples:

Stapled vs. Hand Sewn Liver Transplantation - Analysis of the VCS Clip. Primary Investigator, Investigator Initiated Trial (DJ. Reich, in conjunction with Wolff Kirsch, MD, Loma Linda University), United States Surgical / Tyco Corporation, \$50,000.00, 6/1999 – 10/2000.

Management of renal dysfunction after liver transplantation:

An Open Label Active Controlled Study to Evaluate the Use of CellCept in Post-Liver Transplant Patients with Renal Impairment Who are Currently on Neoral Cyclosporine.

Primary Investigator (National co-PI), FDA Phase III Multicenter Trial, Roche Laboratories, \$100,000.00, 6/1999 - 12/2001.

Mycophenolate mofetil for decreasing immunosuppression toxicity:

Mycophenolate Mofetil Monotherapy Immunosuppression in Liver Transplant Recipients with Long-term Follow-up Post Transplantation for Non-Autoimmune Liver Disease.

Primary Investigator, Investigator Initiated (DJ. Reich) FDA Phase IV Multicenter Trial, Roche Laboratories, \$440,000.00, 6/2004 – 12/2009.

Organ preservation using Custodiol HTK solution:

A Multicenter, Prospective, Randomized Comparison of the Effectiveness Of Custodiol HTK Solution with Viaspan UW Solution in the In-situ Perfusion, Storage, and Transplantation of Cadaveric-Donor Kidneys and Livers.

Primary Investigator (National co-PI), Multicenter Trial, Odyssey Pharmaceuticals, \$100,000.00, 6/2004 – 12/2008.

Sirolimus for decreasing immunosuppression toxicity:

A Prospective, Open Label, Multicenter, Randomized Trial of the Efficacy and Safety of a Long Term Calcineurin Inhibitor Free Maintenance Regimen with Mycophenolate Mofetil and Sirolimus in Recipients of an Orthotopic Liver Transplant.

Primary Investigator, FDA Phase IV Multicenter Trial, Roche Laboratories, \$100,000.00, 6/2005 – 6/2008.

Platelet growth factor for thrombocytopenia in cirrhotics undergoing procedures:

A Phase II, Randomized, Multi-center, Placebo-controlled, Double-Blind, Parallel-Group Study to Evaluate the Efficacy, Safety, and Population Pharmacokinetics of Once-Daily Oral E5501 Tablets Used Up to 7 Days in Subjects with Chronic Liver Diseases and Thrombocytopenia Prior to Elective Surgical or Diagnostic Procedures.

Primary Investigator, FDA Phase II Multicenter Trial, Eisai Medical Research Inc, \$75,000.00, 9/2009 – 12/2011.

Belatacept costimulation blockade for immunosuppression:

A Prospective, Multicenter, Randomized, Controlled Trial of the Safety and Efficacy of Belatacept; Belatacept Evaluation for Nephroprotection and Efficacy as First-Line Immunosuppression (BENEFIT) Trial.

Primary Investigator, FDA Phase III Multicenter Trial, Bristol-Myers Squibb Pharmaceuticals, \$50,000.00, 4/2010 – 12/2013.

Belatacept for immunosuppression after ECD organ transplantation:

A Prospective, Multicenter, Randomized, Controlled Trial of the Safety and Efficacy of Belatacept; Belatacept Evaluation for Nephroprotection and Efficacy as First-Line Immunosuppression – Extended Criteria Donor (BENEFIT-Ext) Trial.

Primary Investigator, FDA Phase III Multicenter Trial, Bristol-Myers Squibb Pharmaceuticals, \$50,000.00, 4/2010 – 12/2013.

Bioartificial extracorporeal liver assist device (ELAD) for acute alcoholic hepatic failure:

A Randomized, Open-Label, Multicenter, Controlled Study (VTI-208) to Assess the Safety and Efficacy of ELAD in Subjects with Alcohol-Induced Liver Decompensation (AILD).

Primary Investigator, FDA Phase II Multicenter Trial, Vital Therapies, Inc., \$150,000.00, 11/2012 – 3/2015.

Economic assessment of bioartificial extracorporeal liver assist Device (ELAD):

Protocol (VTI-209) for Tracking Economic Data of Subjects Participating in Protocol VTI-208 (A Randomized, Open-Label, Multicenter, Controlled Study to Assess the Safety and Efficacy of ELAD in Subjects with Alcohol-Induced Liver Decompensation [AILD]).

Primary Investigator, FDA Phase II Multicenter Trial, Vital Therapies, Inc., \$25,000.00, 6/2013 – 6/2015.

Bioartificial extracorporeal liver assist device (ELAD) for acute Alcoholic hepatic failure:

A Randomized, Open-Label, Multicenter, Controlled, Pivotal Study (VTI308) To Assess Safety And Efficacy of ELAD in Subjects with Alcohol-Induced Liver Decompensation (AILD).

Primary Investigator, FDA Phase II Multicenter Trial, Vital Therapies, Inc., ~\$150,000.00, 1/2016 – 12/2018.

Bioartificial extracorporeal liver assist device (ELAD) to resuscitate marginal human donor livers:

ELAD with normothermic ex-vivo perfusion for resuscitation and transplantation of marginal human livers and study of ELAD mechanisms of action on hepatic regeneration.

Primary Investigator, Investigator Initiated (DJ. Reich) Pilot Study, Vital Therapies, Inc., \$500,000.00, 3/2016 - 12/2018.

Co-Investigator (extramurally funded research activities):

Hepatitis B in organ donors – correlation of serum serology with tissue DNA:

A Pilot Study of True Prevalence of Hepatitis B Markers in Seronegative Organ Donors.

Co-Investigator (PI: C. Manzarbeitia), Albert Einstein Society, \$25,000.00, 12/1998 – 12/2000.

Recurrent hepatitis C after transplantation – Pegasys prophylaxis:

Randomized Open Label Multicenter Efficacy and Safety Study of Pegasys as a Prophylaxis Against Hepatitis C Virus Infection Recurrence After Liver Transplantation.

Co-Investigator (PI: C. Manzarbeitia), FDA Phase III Multicenter Trial, Roche Laboratories, \$126,000.00, 6/2000 – 8/2003.

Recurrent hepatitis C after transplantation – Pegasys treatment:

Randomized Open Label Multicenter Efficacy and Safety Study of Pegasys for the Treatment of Hepatitis C Virus Infection Post Liver Transplantation.

Co-Investigator (PI: C. Manzarbeitia), FDA Phase III Multicenter Trial, Roche Laboratories, \$104,500.00, 6/2000 – 8/2003.

Cyclosporine immunosuppression – peak vs. trough monitoring:

A Multicenter, Randomized, Open-label, Parallel Group Study to Compare Neoral with C-2h Monitoring to Tacrolimus with Trough Monitoring in *De Novo* Liver Transplant Recipients.

Co-Investigator (PI: J. Ortiz), FDA Phase IV Multicenter Trial, Novartis Pharmaceuticals, \$60,000.00, 6/2001 – 6/2003.

Recurrent hepatitis C after transplantation – Pegasys/Ribavirin prophylaxis:

A Prospective, Randomized, Multicenter, Open-Label, Comparative Safety and Efficacy Study of Prophylactically Administered Pegasys Plus Ribavirin vs. no Prophylaxis Following Liver Transplantation for Hepatitis C.

Co-Investigator (PI: C. Manzarbeitia), FDA Phase III Multicenter Trial, Roche Laboratories, \$250,000.00, 6/2004 – 6/2006.

Calcineurin inhibitor free immunosuppression:

A Randomized, Open-Label, Comparative Evaluation of Conversion from Calcineurin Inhibitor Treatment to Sirolimus Treatment vs. Continued Calcineurin Inhibitor Treatment in Liver Allograft Recipients Undergoing Maintenance Therapy.

Co-Investigator (PI: C. Manzarbeitia), FDA Phase IV Multicenter Trial, Wyeth, \$75,000.00, 6/2005 – 6/2007.

Mycophenolate mofetil - concentration controlled vs. fixed dose immunosuppression:

An Open Label, Prospective, Randomized, Controlled, Multicenter Study Assessing Fixed Dose vs. Concentration Controlled CellCept Regimens for Patients Following a Single Organ Renal Transplantation in Combination with Full Dose and Reduced Dose Calcineurin Inhibitors.

Co-Investigator (PI: R. Zaki), FDA Phase IV Multicenter Trial, Roche Laboratories, \$125,000.00, 8/2005 – 8/2007.

Liver assist device for hepatic failure:

A Phase I Prospective, Longitudinal Feasibility Trial of Safety, Tolerance And Efficacy of SEPET in Patients with Acute Exacerbation of Chronic Liver Disease.

Sub-Investigator (PI: SJ. Munoz), FDA Phase I Multicenter Trial, ARBIOS Systems, Inc., \$190,000.00, 8/2005 - 6/2008.

Hemostatic techniques for liver resection:

A Randomized, Open Label, Parallel-group, Multi-center Trial to Compare the Efficacy and Safety of TachoSil Versus Standard Hemostatic Fleece Material for the Secondary Treatment of Local Bleeding in Hepatic Resection Surgery.

Sub-Investigator (PI: G. Xiao), FDA Phase III Multicenter Trial, Nycomed Pharma, \$30,000.00, 2/2010 – 6/2012.

Vasopressin analog therapy for hepatorenal syndrome:

A Multi-Center, Randomized, Placebo-Controlled, Double-Blind Study to Confirm the Reversal of Hepatorenal Syndrome Type 1 with Lucassin® (Terlipressin).

Sub-Investigator (PI: D. Sass), FDA Phase III Multicenter Trial, Ikaria Therapeutics LLC, 12/2011 – 6/2013.

Amino acid deprivation therapy for HCC:

A Randomized, Double-Blind, Multi-Center Phase 3 Study of ADI-PEG 20 Plus Best Supportive Care (BSC) Versus Placebo Plus BSC in Subjects With Advanced Hepatocellular Carcinoma (HCC) Who Have Failed Prior Systemic Therapy.

Sub-Investigator (PI: G. Xiao), FDA Phase III Multicenter Trial, Polaris Group, 2/2012 – 2/2014.

Platelet growth factor for thrombocytopenia in cirrhotics undergoing procedures:

A Randomized, Global, Double-blind, Placebo-controlled, Parallel-group Study to Evaluate the Efficacy and Safety of Once-daily Oral Avatrombopag for the Treatment of Adults with Thrombocytopenia Associated with Liver Disease Prior to an Elective Procedure.

Sub-Investigator (PI: K. Rothstein), FDA Phase III Multicenter Trial, Eisai Medical Research Inc, \$75,000.00, 3/2014 – 12/2017.

Stem cell regulation for advanced hepatocellular carcinoma:

An Open label, Three-arm, Phase Ib Dose Escalation Study and Phase II Study of BBI608 in Combination with Sorafenib, or BBI503 in Combination with Sorafenib in Adult Patients with Hepatocellular Carcinoma.

Sub-Investigator (PI: G. Xiao), FDA Phase Ib/II Multicenter Trial, Boston Biomedical Inc, 6/2016 – 6/2019.

Immunotherapy for advanced hepatocellular carcinoma:

A Phase III Study of Pembrolizumab (MK-3475) vs. Best Supportive Care as Second-Line Therapy in Subjects with Previously Systemically Treated Advanced Hepatocellular Carcinoma.

Sub-Investigator (PI: G. Xiao), FDA Phase III Multicenter Trial, Merck Sharpe and Dohme, 6/2016 – 4/2020.

HIV+ donor organ transplant for HIV+ recipients (HOPE Act):

Prospective Observational Study to Evaluate Safety and Outcomes of Solid Organ Transplantation in HIV+ Recipients of HIV+ Deceased Donors.

Sub-Investigator (PI: S. Guy), DHHS/NIH/OPTN Trial, 6/2016 – 1/2021.

O. Postgraduate Medical Trainees:

Transplant Fellows Trained (ASTS Approved Abdominal Multiorgan Transplantation Surgery Fellowship Training Program, AEMC, Philadelphia):

1996	Lutf Rehman
1996-97	Luiz Jimenez
1997-99	Tomohide Takahashi - Transplant Attending; Tokyo, Japan
1998-00	Khavir Sharrief - Transplant Attending; Fairfax, VA
1999-01	Radi Zaki - Chief, Transplant; AEMC, Philadelphia, PA
2000-02	Sergio Alvarez - Chief, Transplant; Clinic Davila, Santiago, Chile
2000-03	Hoonbae Jeon - Chief, Liver Transplant; Tulane, New Orleans, LA
2003-05	Abdaal Khan - Chief, Transplant; Sindh Inst, Karachi, Pakistan
2005-07	Adena Osband - Chief, Live Donor Program; Brown, Providence, RI
2007-08	Hussam Kudsi

(Presentation at the ASTS/AST American Transplant Congress, June 2018; Seattle, WA).

Q. Presentations:

Local:

Philadelphia City Hall Office of the Mayor, Commissioner of Health Advisory Panel, "Impact on Philadelphians of Proposed National Liver Allocation Policy Changes", Philadelphia, PA. December 4, 1996.

Cumberland County Medical Society, "Issues in Organ Transplantation", Vineland, NJ. February 15, 1997.

The Fourth Annual Carlos J. Finlay, MD, Symposium, Society of Iberto Latin American Medical Professionals, "Management of the Surgical Patient with Liver Disease", Philadelphia, PA. April 26, 1997.

Chaplaincy Grand Rounds, Albert Einstein Medical Center, "Issues Involved in Organ Transplantation", Philadelphia, PA. May 5, 1997.

Postgraduate Update on Recent Developments in Hepatobiliary Disease and Liver Transplantation, "What's New in Liver Transplantation for Gastroenterologists", Philadelphia, PA. April 10, 1999.

Medicine Grand Rounds, Atlantic City Medical Center, "Using the Extended Donor Pool for Liver Transplantation", Atlantic City, NJ. April 15, 1999.

Postgraduate Critical Care Program, "Current Trends in Liver Transplantation", Dover, DE. November 10, 1999.

Critical Care / Trauma Surgery Grand Rounds, Crozer-Chester Medical Center, "Non Heart Beating Donor Liver Transplantation", Upland, PA. March 28, 2000.

Postgraduate Update on Recent Developments in Hepatobiliary Disease and Liver Transplantation, Roundtable Discussion Moderator "Living Related Donor and Reduced Size Liver Transplantation", Philadelphia, PA. April 8, 2000.

Postgraduate Update on Recent Developments in Hepatobiliary Disease and Liver Transplantation, "Long-term Management of the Liver Transplant Patient", Philadelphia, PA. April 21, 2001.

Transplantation Grand Rounds, Thomas Jefferson University Hospital, "Renal Dysfunction Following Liver Transplantation", Philadelphia, PA. May 16, 2003.

Gift of Life Institute, Preceptorship on Donation after Cardiac Death (DCD), "Transplantation from DCD Recoveries: From Surgical Recovery through Post-Transplant Management", Philadelphia, PA. April 19, 2005.

Gift of Life Institute, International Workshop on Donation after Cardiac Death (DCD), "Surgical Recovery and the Long-term Success of DCD Organs", Philadelphia, PA. December 8, 2005.

Tumor Board Grand Rounds, CentraState Medical Center, "Advances in Surgical Therapy for Hepatobiliary Malignancy", Freehold, NJ. February 17, 2006.

Gift of Life Institute, International Workshop on Donation after Cardiac Death (DCD), "Surgical Recovery and the Long-term Success of DCD Organs", Philadelphia, PA. April 6, 2006.

Tumor Board Grand Rounds, Bryn Mawr Hospital, Main Line Health System, "Advances in Surgical Therapy for Hepatobiliary Malignancy", Bryn Mawr, PA. April 7, 2006.

Anesthesiology Grand Rounds, Albert Einstein Medical Center, "Donation after Cardiac Death (DCD) Donors – Surgical Procurement and Organ Transplantation", Philadelphia, PA. July 19, 2006.

Postgraduate Update on Practical Management of Liver Disorders, "Practical Management of a Liver Mass", Philadelphia, PA. September 15, 2007.

Gastroenterology Grand Rounds, Drexel University College of Medicine, "Evaluation and Treatment of a Liver Mass", Philadelphia, PA. October 30, 2008.

The Inaugural Joint Grand Rounds, Drexel University College of Medicine Department of Surgery / Hahnemann University Hospital, "The Future of Abdominal Organ Transplantation at Hahnemann University Hospital", Philadelphia, PA. November 10, 2009.

Nephrology Grand Rounds, Drexel University College of Medicine, "Abdominal Organ Transplantation – An Update for Nephrologists", Philadelphia, PA. December 15, 2009.

Pennsylvania Society of Gastroenterology Annual Scientific Meeting, Invited Speaker, "Current Strategies for Treatment of Hepatocellular Carcinoma", Philadelphia, PA. September 25, 2010.

Hepatology Grand Rounds, Temple University School of Medicine, "Donation after Cardiac Death (DCD) Donors – Surgical Procurement and Organ Transplantation", Philadelphia, PA. January 3, 2011.

Department of Surgery Grand Rounds, Chestnut Hill Hospital, "Update on Abdominal Organ Transplantation", Philadelphia, PA. October 11, 2011.

Department of Medicine Grand Rounds, St. Peter's University Hospital, "Practical Management of the Liver Mass", New Brunswick, NJ. October 25, 2011.

Department of Surgery Grand Rounds, Mercy Fitzgerald Hospital, "Update on Abdominal Organ Transplantation", Philadelphia, PA. October 27, 2011.

Nephrology Grand Rounds, Drexel University College of Medicine, "Quality Assessment and Performance Improvement in the New Era of Reform, Regulation and Reimbursement - Lessons Learned from Transplantation", Philadelphia, PA. December 20, 2011.

Department of Medicine Grand Rounds, Nazareth Hospital, "Practical Management of the Liver Mass", Philadelphia, PA. January 4, 2012.

Department of Medicine Grand Rounds, Easton Hospital, "Update on Abdominal Organ Transplantation", Easton, PA. March 2, 2012.

Department of Surgery Grand Rounds, Drexel University College of Medicine, "Quality Improvement in the New Era of Reform, Regulation, and Reimbursement - Lessons Learned from Transplantation", Philadelphia, PA. April 10, 2012.

Department of Anesthesiology Grand Rounds, Drexel University College of Medicine, "Pearls and pitfalls of Liver Transplant Anesthesiology - A surgeon's update", Philadelphia, PA. August 14, 2013.

Gastroenterology Grand Rounds, Drexel University College of Medicine, "Quality Assessment and Performance Improvement in the New Era of Reform, Regulation and Reimbursement - Lessons Learned from Transplantation", Philadelphia, PA. November 14, 2013.

Medical Grand Rounds, Abington Memorial Hospital, "Abdominal Organ Transplantation - Where We've Come From And Where We're Headed", Abington, PA. February 26, 2014.

Postgraduate Update: The Best of AASLD 2014 – Highlights from the Annual Hepatology Meeting of the AASLD, "News in Liver Transplantation", Philadelphia, PA. November 22, 2014.

Gastroenterology Grand Rounds, Drexel University College of Medicine, "Bio-Artificial Liver Support and Acute Liver Failure", Philadelphia, PA. May 28, 2015.

Gastroenterology Grand Rounds, Cooper University Hospital, "Bioartificial Liver Support", Camden, NJ. April 12, 2016.

Postgraduate Update: The Best of AASLD 2016 – Highlights from the Annual Hepatology Meeting of the AASLD, "News in Liver Transplantation", Philadelphia, PA. November 19, 2016.

Organ Donation and Transplantation Summit, Gift of Life Donor Program, "Scientific Advances and Innovations in Donation and Transplantation", Philadelphia, PA. October 19, 2017.

Gastroenterology Grand Rounds, Drexel University College of Medicine, "Bio-artificial Liver Support: On The Cusp Of Therapeutic Devices", Philadelphia, PA. May 10, 2018.

National:

Surgery Grand Rounds, Beth Israel Medical Center, "Liver Transplantation", New York, NY. April 16, 1999.

Transplantation Grand Rounds, Recanati/Miller Transplantation Institute, The Mount Sinai Hospital, "Liver Transplantation Using Non Heart Beating Donors", New York, NY. December 11, 2000.

Transplantation Grand Rounds, University of Rochester Medical Center, "Solid Organ Transplantation Using Non Heart Beating Donors", Rochester, NY. February 14, 2001.

United Network of Organ Sharing (UNOS), Region 9 Clinical Forum, "Solid Organ Transplantation Using Non Heart Beating Donors", New York, NY. April 6, 2001.

Johns Hopkins / University of Maryland Multicenter Transplant Group, "Non Heart Beating Donor Organ Transplantation", Baltimore, MD. May 9, 2002.

Transplantation Grand Rounds, Johns Hopkins Hospital, "Renal Dysfunction Following Liver Transplantation", Baltimore, MD. May 10, 2002.

Transplantation Grand Rounds, Barnes Hospital, Washington University, "Multiorgan Transplantation Using Non Heart Beating Donors", St Louis, MO. March 12, 2003.

Washington University / St. Louis University Multicenter Transplant Group, "Renal Dysfunction Following Liver Transplantation", St Louis, MO. March 12, 2003.

Transplantation Grand Rounds, St. Louis University Medical Center, "Multiorgan Transplantation Using Non Heart Beating Donors", St. Louis, MO. March 13, 2003.

Roche Laboratories National Liver Advisory Board Meeting, "Future Issues Related To Renal Dysfunction And Liver Transplantation", Atlanta, GA. April 3, 2003.

Immunology and Transplantation Grand Rounds, The University of Texas Health Science Center, Liver Transplantation With Non Heart Beating Donors", Houston, TX. October 1, 2003.

Transplantation Grand Rounds, Duke University Medical Center, "Non Heart Beating Donor Multiorgan Transplantation", Durham, NC. October 26, 2004.

Transplantation Grand Rounds, University of North Carolina Hospital, "Non Heart Beating Donor Multiorgan Transplantation", Chapel Hill, NC. October 27, 2004.

Transplantation Grand Rounds, Mayo Clinic, "Multiorgan Transplantation using Non Heart Beating Donors", Rochester, MN. November 8, 2004.

Transplantation Grand Rounds, Texas Transplant Institute, "Multiorgan Transplantation using Non Heart Beating Donors", San Antonio, TX. February 15, 2005.

AHPBA Congress, Symposium on Current Controversies in Liver Transplantation, Invited Panelist and Speaker, "Deceased after Cardiac Death Donors", Miami, FL. March 12, 2006.

DHHS Organ Transplantation Breakthrough Collaborative Congress, Symposium on Donation after Cardiac Death (DCD), Invited Panelist and Speaker, "How to Build a Successful DCD Liver Transplantation Program – Overcoming the Challenges", New Orleans, LA. October 19, 2006.

ASTS Annual State of the Art Winter Symposium on Implications of Expanding the Organ Donor Pool, Session on Donation after Cardiac Death (DCD), Invited Speaker, “Beat of My Heart – DCD Liver Transplantation”, Marco Island, FL. January 14, 2007.

ASTS Transplant Surgery Fellowship Training Program Directors’ Consensus Conference, Invited Speaker, “ASTS Manpower Study”, Chicago, IL. June 12, 2007.

National Transplant Summit, Invited Faculty, “Expanded Criteria Donors – Case Based Discussion”, Chicago, IL. September 25, 2007.

DHHS Transplantation Growth and Management Collaborative Congress, Invited Panelist and Speaker, “Registry Outcomes for DCD Organ Transplantation”, Nashville, TN. October 23, 2008.

ASTS Annual State of the Art Winter Symposium on The Right Organ for the Right Recipient, Symposium on Standards for Organ Procurement and Transplantation, Invited Speaker, “Developing Standards for DCD Liver Transplantation”, Marco Island, FL. January 16, 2009.

ASTS Annual State of the Art Winter Symposium, Fellowship Training Satellite, Invited Speaker, “Fellow Demographics, Perceptions about Training, and the Post-Fellowship Job market”, Marco Island, FL. January 16, 2009.

ASTS/AST Annual American Transplant Congress, Chair, Oral Abstract Session 46, “Liver Malignancies: Hepatocellular and Cholangiocarcinoma”, Boston, MA. June 1, 2009.

New York State Department of Health and New York Organ Donor Network (NYODN) DCD Consensus Conference, Invited Panelist and Speaker, “DCD - Organ Procurement Standards and Transplantation Outcomes”, New York, NY. Sept 12, 2009.

AASLD Annual Hepatology Meeting, Moderator, Early Morning Workshop, “Managing Immunosuppression after Liver Transplantation”, Boston, MA. November 1, 2009.

AASLD Annual Hepatology Meeting, Moderator, Plenary Session, “Transplant Plenary II”, Boston, MA. November 1, 2009.

AASLD Annual Hepatology Meeting, Transplant Workshop on Donation After Cardiac Death (DCD) Liver Transplantation: Optimizing Techniques and Outcomes, Invited Speaker, “Successful Single Center Results / Guidelines”, Boston, MA. October 30, 2010.

AASLD Annual Hepatology Meeting, Moderator, Thomas E. Starzl Transplant Surgery State-of-the-Art Lecture, "Hepatobiliary Neoplasia – Is Transplantation the Answer (Presenter: M. Abecassis, MD)", Boston, MA. October 30, 2010.

AASLD Annual Hepatology Meeting, Moderator, Plenary Session, "Transplant Plenary II", Boston, MA. November 1, 2010.

ASTS Annual State of the Art Winter Symposium on Transplantation at the Crossroads, Symposium on Pay for Performance: An Update on National Quality Improvement Initiatives, Invited Speaker, "Introduction to P4P and QI", Hollywood, FL. January 13, 2011.

Transplantation Grand Rounds, Yale University School of Medicine, "Quality Improvement for Donation after Cardiac Death (DCD) Organ Procurement and Transplantation", New Haven, CT. January 19, 2011.

ASTS Executive Leadership Program, Kellogg School of Management, Keynote Address, "Quality Assessment and Performance Improvement - It's a Process, Not a Protocol", Evanston, IL. September 12, 2011.

AASLD Annual Hepatology Meeting, Moderator, Transplant Workshop on The Practice of Donor/Recipient Matching for Liver Transplantation: Science or Art? San Francisco, CA. November 5, 2011.

AASLD Annual Hepatology Meeting, Moderator, Plenary Session, "Transplant Plenary II", San Francisco, CA. November 6, 2011.

ASTS/AST Annual American Transplant Congress, Chair, Oral Session 54, "Disease Transmission and other Organ Donation Topics", Boston, MA. June 5, 2012.

ASTS Executive Leadership Program, Kellogg School of Management, Keynote Address, "Quality Assessment and Performance Improvement - It's a Process, Not a Protocol", Evanston, IL. September 10, 2012.

AASLD Annual Hepatology Meeting, Postgraduate Course on Personalized Medicine and the Practice of Hepatology, Moderator, Session on "Liver Transplantation and Future Horizons", Boston, MA. November 10, 2012.

AASLD Annual Hepatology Meeting, Moderator, Thomas E. Starzl Transplant Surgery State-of-the-Art Lecture, "Controversies in Transplant for Hepatocellular Carcinoma (Presenter: E. Pomfret, MD)", Boston, MA. November 11, 2012.

AASLD Annual Hepatology Meeting, Moderator, Plenary Session, "Transplant Plenary II", Boston, MA. November 11, 2012.

AASLD Annual Hepatology Meeting, Hepatology Associates Course, Invited Debater, Session on “Transplant Controversies: Point/Counterpoint”, Boston, MA. November 11, 2012.

ASTS Executive Leadership Program, Kellogg School of Management, Keynote Address, “Quality Assessment and Performance Improvement - It’s a Process, Not a Protocol”, Evanston, IL. September 23, 2013.

AASLD Annual Hepatology Meeting, Moderator, Plenary Session, “Transplant Plenary I”, Washington, DC. November 3, 2013.

ASTS Annual State of the Art Winter Symposium on Meeting the Challenges of Innovation, Symposium on Legislative Advocacy, Invited Speaker, “Legislative Advocacy Priorities in Transplantation”, Miami, FL. January 24, 2014.

AASLD Annual Hepatology Meeting, Moderator, Plenary Session, “Transplant Plenary II”, Boston, MA. November 9, 2014.

ASTS Annual State of the Art Winter Symposium on Transplant - the Ultimate Team Sport, Symposium on Regulatory Compliance, Quality and Advocacy, Invited Speaker, “ASTS Legislative and Regulatory Advocacy Efforts”, Miami, FL. January 16, 2015.

AASLD Annual Hepatology Meeting, Moderator, Parallel Session 31, “Acute Liver Failure and Artificial Liver Support”, San Francisco, CA. November 15, 2015.

ASTS Annual State of the Art Winter Symposium, Business Practice - Legislative Seminar on Quality Improvement, Changing Values, and Overcoming Risk Aversion, Invited Speaker, “What Does the Medicare Access and CHIP Reauthorization Act of 2015 Mean for Transplant?”, Miami FL. January 15, 2016.

ASTS Annual State of the Art Winter Symposium on Limited Supply, Increasing Demand: Expanding Organ Donation, Invited Speaker, “House of Cards - Organ Donation: A View from Capitol Hill”, Miami, FL. January 16, 2016.

AASLD Annual Hepatology Meeting, Moderator, Parallel Session 32, “Viral Hepatitis and Interventions in Liver Transplantation”, Boston, MA. November 14, 2016.

ASTS Annual State of the Art Winter Symposium, Business Practice - Legislative Seminar, Invited Speaker and Panelist, “The Medicare Access and CHIP Reauthorization Act (MACRA) and Transplant”, Miami FL. January 27, 2017.

ACI Conference on Transplant Centers of Excellence, Invited Speaker, “Artificial Liver Support – On the Cusp of Therapeutic Devices, Perfusates and Cells”, San Francisco, CA. March 2, 2017. |

AASLD Annual Hepatology Meeting, SIG Program on Advances in Hepatocellular Carcinoma, Moderator, Session on “Liver Transplantation”, Washington DC. October 21, 2017.

AASLD Annual Hepatology Meeting, Transplant Workshop on Changing Donors, Recipients and Organ Use, Invited Speaker, “Donors Hepatitis C Antibody Positive NAT Negative: Transplant Center Perspective”, Washington DC. October 21, 2017.

AASLD Annual Hepatology Meeting, Moderator, Parallel Session 13, “Liver Transplantation”, Washington DC. October 22, 2017.

American College of Surgeons New Jersey Chapter, Annual Clinical Symposium, Transplant and HPB Surgery Specialty Session, Invited Speaker, “Liver Surgery’s Next Frontier – Bioartificial Liver Support – On The Cusp Of Therapeutic Devices”, Woodbridge, NJ. December 2, 2017.

ASTS/AST Annual American Transplant Congress, Pre-Meeting Symposia on Transplant Center QAPI and Advanced leadership: Navigating the Complex Regulatory Waters, Moderator, Session on “Clinical Aspects of a Transplant Quality Program” Seattle, WA. June 2, 2018.

International:

Transplantation Grand Rounds, King’s College Hospital, “Non Heart Beating Donor Liver Transplantation”, London, United Kingdom. July 26, 2000.

Transplantation Grand Rounds, Addenbrookes Hospital, “Non Heart Beating Donor Liver Transplantation”, Cambridge, United Kingdom. July 28, 2000.

Transplantation Grand Rounds, Toronto General Hospital, University of Toronto, “Non Heart Beating Donor Multiorgan Transplantation”, Toronto, ON. November 9, 2005.

ISODP/ITCS Annual Organ Donation Congress, Chair, Oral Abstract Session IV, “Donation after Cardiac Death”, Philadelphia, PA. November 13, 2007.

ISAD International Symposium on Liver Support for Hepatic Recovery, Keynote Address and Panelist, “Emerging Concepts in Alcoholic Hepatitis, Organ Support and Transplantation”, Rostock, Germany. September 9, 2017.

ISHLT Annual Heart and Lung Transplant Meeting, Plenary Session on Moving Cardiothoracic Transplantation Forward, Invited Speaker, “Transplant Registries to Improve Results: It Relates to Research, Regulation, Reporting and Reimbursement”, Nice, France. April 13, 2018.

June 15, 2018
