4. Application Essay Questions

After you have completed the beginning of the application and identified your nominator and two recommenders, you will be asked to complete a series of short essay questions:

- Briefly describe the range of responsibilities in your current position, including those activities, operations or functions for which you are directly responsible.
- What are your specific 5-year career goals? Be as concrete as possible.
- How will participating in this program help you achieve these goals?
- What do you view as the single most important issue facing your institution?
- If you were the executive in charge, what would you do about this issue?
- What do you view as the single most important challenge your institution presents to you in doing your job?
- What innovative approaches are you taking to meet this challenge?
- If you are at a KEEN eligible institution, would you like to be considered for a KEEN Scholarship for the ELATES fellowship year? If yes, please detail how you will incorporate the KEEN mission and engineering mindset (EM) in your ELATES experience and Institutional Action Project.
- Describe your current or upcoming potential leadership role.
    - In what ways are you or will you be an effective leader?
    - What obstacles did you face or do you anticipate facing in the leadership role?
    - What did you learn from the experience, or what do you hope to learn?

Please note that the application may prompt you to upload your peer-reviewed published work and your CV. This is optional as of the ELATES 2025-2026 fellowship year.
