

Questions To Ask Your Insurance Provider

1. Does your travel policy cover you in all the countries to which you may be traveling?
2. Are there any procedures or illnesses that your policy does not cover outside the U.S.?
3. Does your policy include medical evacuation and emergency repatriation services? Will it cover a family member's cost to come to your site if you are hospitalized for an extended period of time?
4. Do you have to pay for services up front and be reimbursed later? What documentation will you need to get a refund?
5. Do you have to be a full-time student to remain insured?
6. Does your policy have adequate accident and illness limits?
7. Does your policy cover you while driving an automobile or motorcycle?
8. Are emotional or psychological issues covered by your insurance?
9. Does your policy cover lost luggage, stolen property, or flight cancellations?
10. Does your policy cover activities, such as swimming, biking, and extreme sports such as skydiving?
