

5-Day Study Plan

Class: _____

Directions: Use this graphic organizer to create a study plan for exams.

- Divide the material into 4 parts (A, B, C, and D). Identify the materials and resources you can use.
- This does not have to be in one sitting – your study time can be spaced out during the day.
- Focus on the quality of the studying, rather than the quantity/amount of time spent.

Parts	Topics	Materials & Resources
A		
B		
C		
D		

Day 1						Day 2		Day 3		Day 4		Day 5	
Focused & Active Study		A		B		C		D		--			
Review		--		A		B		C		D		C	
30 min				--		A		B		B			
15 min						--		A		A			
10 min													
Self-Test												All Parts	

Activities Bank	Create study guides; draw visual aids such as concept maps, charts, diagrams, or timelines; solve practice problems; quiz yourself with flashcards; active study.
