Post-Test Analysis

CLASS
THE CENTER FOR LEARNING AND ACADEMIC SUCCESS SERVICES

Class & Exam: _____

Directions: This activity is designed to give you a chance to reflect on your test performance and, more importantly, on the effectiveness on your preparation.

- Start on Page 2. Go through your exam, noting the questions that were incorrect.
    - Identify why each question was incorrect by placing an X in the corresponding column.
    - Identify the topics missed. Identify where the material was found.
- Turn back to Page 1. Answer the reflection prompts and plan next steps.

1. How many hours did you spend studying for the test?
   _____

2. How many days was your studying conducted over?

   _____

3. What percentage of your preparation was spent in

   each of these activities (should total 100%):

   i. _____ Attending tutoring or office hours

   ii. _____ Skimming readings

   iii. _____ Reviewing class notes and

   PowerPoint slides

   iv. _____ Watching videos and taking notes

   v. _____ Completing practice problems

   vi. _____Actively reading while taking notes

   vii. _____ Creating active study tools

   viii. _____ Self-testing

How much of your study time was spent on

passive vs. active strategies? Which

strategies were most effective? Why?

What are your next steps to improve in this course? Which study strategies do you want to start using? Which resources will you consult? How do you want to manage your study time?
