Year 3	Semester 5 (Classes)	Semester 6 (Classes)	Vacation/Experiential Opportunities*	
Year 4	Semester 7 (Classes)	Semester 8 (Classes)		

EXPERIENTIAL LEARNING OPPORTUNITY

Required for Undergraduate Students Entering 2027 or Later

***Students who do not participate in co-op still gain valuable real-world experience through Drexel’s broad range of experiential opportunities. These may include research, global or civic engagement, or project-based learning opportunities that connect classroom learning to practical application. Academic advisors help students align these experiences with their goals and academic schedules.**
