

Graduate Virtual Open House

Saturday, October 19, 2024

Welcoming Remarks

11:00 – 11:15 a.m.

Dr. Angela Montgomery, Assistant Vice President of Graduate Admissions, will warmly welcome you to the vibrant Drexel community. You will hear about the world-class academic programs and cutting-edge R1 research opportunities that Drexel offers, all set in the dynamic heart of Philadelphia. Join us to discover the myriad of opportunities awaiting you as you explore Drexel virtually.

Academic Sessions

11:15 a.m. – 12:15 p.m.

Following the Welcoming Remarks, you can attend the academic session of your choice to learn more about Drexel's graduate program offerings. There you can speak with experts familiar with your program of interest. College's hosting sessions include:

- **Antoinette Westphal College of Media Arts & Design**
- **Bennett S. LeBow College of Business (including the School of Economics)**
- **Charles D. Close School of Entrepreneurship**
- **College of Arts and Sciences**
- **College of Computing & Informatics**
- **College of Engineering**
- **College of Nursing and Health Professions**
- **David and Dana Dornsife School of Public Health**
- **Graduate School of Biomedical Sciences and Professional Studies**
- **Richard C. Goodwin College of Professional Studies**
- **School of Biomedical Engineering, Science, and Health Systems**
- **School of Education**
- **Thomas R. Kline School of Law**

Optional Sessions

An Inside Look at the Graduate Student Experience

12:30 – 1:00 p.m.

Connect with the Drexel community during this interactive presentation to learn more about the resources and support services available to graduate students. You will hear from various offices to discover the academic and student life resources available to help enhance your experience during your time at Drexel.

Navigating the Application Process

1:00 – 1:30 p.m.

Join Graduate Admissions, Financial Aid, and International Student Services & Scholars representatives to learn more about the application process, financing, and graduate studies at Drexel. During this session our representatives will share an overview of the graduate student body, a glimpse into the advanced research opportunities available at our urban R1 institution, and cover next steps for applying to Drexel.

*** Please note that this sample program is tentative and subject to change. A final program will be provided to you during check-in on the day of the event and will list finalized descriptions, locations, and timeframes for all activities.**
