November Fall Open House Sunday, November 12, 2023

Track 1: 10:00 a.m. – 2:00 p.m.

Tours

Campus Walking Tours (University City Campus)

Depart continuously beginning at 11:00 a.m.

Lobby, Recreation Center (Building 14A)

Current students will assist you in exploring Drexel's campus and University City neighborhood. This 45-minute walking tour will conclude at Lancaster Walk where you will have the opportunity to join residence hall tours that show examples of different style rooms. **The last tour departs at 3:15 p.m.**

Tours of Residence Halls

Depart continuously beginning at 12:00 p.m.

Lancaster Walk, Outside Rush Building (Building 10)

Our students recommend taking the full walking tour of campus, but if this does not fit into your schedule, you have the option of just visiting the residence halls. Departing from the lobby of the Recreation Center, this 30-minute guided tour will showcase residence halls of different styles. **The last tour departs at 3:30 p.m.**

College of Engineering Academic Fair & Tours

Academic Fair – 11:45 a.m. – 12:45 p.m.

Tours depart continuously from 11:45 a.m. – 1:00 p.m.

Lobby, Bossone Research Enterprise Center (Building 7&7A)

College of Engineering students are welcome to stop by the Bossone Lobby from 11:45 a.m. – 1:00 p.m. Meet faculty, staff and students from academic departments and take advantage of an engineering facilities tour.

Drexel Experience Sessions

The Admissions and Financing Process

11:30 a.m. – 12:00 p.m.

Room 120, Papadakis Integrated Sciences Building (Building 58)

When approaching the college search process, it is easy to be overwhelmed by the details. However, knowing where to start is the first step. This workshop will help students and families navigate Drexel's application process, including how to apply to the Honors Program and Students Tackling Advanced Research (STAR) Program. Walk away feeling confident from submission through the decision.

Cooperative Education (Co-op)

12:15 – 1:00 p.m.

Room 120, Papadakis Integrated Sciences Building (Building 58)

The keystone of Drexel's experiential learning foundation, cooperative education, allows students to apply their classroom learning in the real world while gaining up to 18 months of professional experience on their resume before graduation.

Pre-medical/Pre-health Programs and Opportunities

1:30 – 2:15 p.m.

Room 120, Papadakis Integrated Sciences Building (Building 58)

Already considering entering the health professions once you complete your bachelor's degree? The Drexel Pre-health Advising Program provides students with unique benefits as they pursue careers and educational opportunities within the field of medicine (from doctors to physical therapists to dentists and everything in between!). Also learn more about Drexel's BA/BS + MD early assurance program.

Pre-law: Pathways to Legal Careers

1:30 – 2:15 p.m.

Room 112, Papadakis Integrated Sciences Building (Building 58)

Considering a career in law? This session introduces students to the many ways Drexel supports students interested in studying law, including pre-law advising, Drexel's accelerated B+JD programs, and academic programs that provide a path to law school and other legal careers.

*** Please note that the sample program is tentative and subject to change. A final program will be provided to you during check-in on the day of the event and will list finalized descriptions, locations, and timeframes for all programming.**

Campus Community Fair

1:00 p.m. – 3:00 p.m.

Great Court, Main Building

- **Center for Inclusive Education and Scholarship:** The Center for Inclusive Education and Scholarship (CIES) provides comprehensive and integrated academic support, leadership development, and diversity, equity, and inclusion programming to positively impact the retention, persistence, and sense of belonging for students who are first generation college students and historically underrepresented in higher education.

*** Please note that the sample program is tentative and subject to change. A final program will be provided to you during check-in on the day of the event and will list finalized descriptions, locations, and timeframes for all programming.**

November Fall Open House Sunday, November 12, 2023

- **Student Life:** Student Life oversees the many aspects of connecting students to campus by engaging them in co-curricular activities. Its mission is to provide social, cultural, and educational opportunities that promote student involvement outside of the classroom.
- **Center for Autism and Neurodiversity:** The Center for Autism and Neurodiversity (CAN) is a fee-based, student-centered program for current Drexel students with the goal of promoting academic and social competency, self-advocacy, interpersonal skills, independent living, and social integration.
- **Education Abroad:** Students come to college to learn and expand their views - what better way to accomplish this than by studying overseas? By taking courses in a different country, students gain a different perspective on their field of study and a deeper understanding of the world.
- **Pennoni Honors College:** Join representatives from Academic Programs and Undergraduate Research and Enrichment Programs in Drexel's Pennoni Honors College to learn more about the Honors Program, and undergraduate research opportunities.
- **Performing Arts:** Students from all academic fields and majors can perform with, and in some cases receive performance scholarships from, the dance ensembles, the four choral ensembles, the six instrumental groups, and Drexel's theater groups.
- **Office of University Recreation:** Recreational Athletics provides students with a diverse and comprehensive schedule of sports and exercise opportunities to enhance your Drexel experience. We offer intramural sports, club sports, group exercise classes, wellness activities, climbing, outdoor pursuits, team building, and much more.
- **ROTC:** Cadets and cadre from Drexel ROTC (Reserve Officers' Training Corps) will meet with prospective participants, answer questions about the program, discuss various scholarship opportunities, and explain the path we offer to serve your country as an officer in the military.
