EXPERIENCE

Discover More by Doing More

Harnessing the power of real experience is the defining hallmark of a Drexel education, and the unique experiences you collect here are what will truly set you apart as a leader. Drexel Dragons don't just learn... they experience education. Whether they're studying abroad, completing a law internship, working at a startup on campus, or going out on a paid co-op, students learn about the world they will change.

Become a part of a closeknit community that lives together, learns together, and plays together. You'll find fantastic places all over campus where you can connect with fellow Dragons, such as:

Handschumacher Dining Center

This all-you-care-to-eat location complements our other dining options around campus, including the Urban Eatery, Northside Dining Terrace, and a vast variety of food truck options.

Race Street Walk

This bustling thoroughfare connects many of our residence halls, serving as a popular campus meet-up spot and outdoor community event area.

Drexel Recreation Center

The official home of campus recreation and wellness, this multi-purpose facility features a swimming pool, an award-winning gym, a rock-climbing wall, basketball courts, and other amenities to help you get your blood pumping.

Buckley Green Beach Volleyball Courts

Whether you choose to soak up the sun or bask under the lights, our Dragons love serving up the fun on our sand volleyball courts — the only ones of their kind in the city!

Drexel Park

This 2.5-acre green space is a prime spot for picnics, pick-up games, or just hanging out with friends, with a stunning view of the Philadelphia skyline.

Rush Alumni Garden

The Rush Building is the central hub for most of the University's Student Life activities, and you'll love hanging with friends and meeting new people in its relaxing, secluded courtyard oasis.

Recognized as an R1 research institution, Drexel provides the state-of-the-art resources and facilities that will help you to think big and let your inspirations lead the way, including:

Innovation Studio

This 20,000-square-foot makerspace, complete with 3D printers and advanced material machinery, allows students from all disciplines to partner on projects and bring their ideas to life.

ExCITe Center

A collaborative space for innovative Dragons and surrounding community members with dedicated labs focusing on phone app development, the gaming industry, music and entertainment technology, and more.

Biowall

Standing over five stories tall, this living biofilter features over 6,700 plants and 26 different species and cultivars.

Health Sciences Building

This 460,000-square-foot facility brings many of the University's health-related programs together and features simulated patient rooms, anatomy teaching spaces, wet labs, disaster simulation centers, and more.

Baiada Institute for Entrepreneurship

The centerpiece of Drexel's entrepreneurship ecosystem and open to students from all majors, the Baiada Institute provides the resources, expertise, and connections you'll need to turn your passions and ideas into successful startup ventures.

URBN Center

Unlock your creativity in this award-winning, 140,000-square-foot facility, which houses a state-of-the-art motion capture studio, music recording studios, a video game design lab, a black box theater, screening rooms, and more.
