You will be able to self-select a room for yourself/roommates at the start of your time ticket time/date. Anyone in your roommate group will be eligible to select a room for the group. Students without a roommate are also strongly encouraged to participate! Students participating in a Living Learning Community and/or Gender Inclusive Housing will only be eligible to view rooms that also fit that criteria.

A room will be administratively assigned on a first-applied, first-assigned basis if you do not participate in the Room Self-Selection process.
