

A vibrant, sunny day at Drexel University. The foreground is a paved plaza with a brick pattern. In the middle ground, a woman in a blue denim jacket and orange beanie walks towards the left, carrying a white tote bag. To her right, a woman in a brown jacket is talking on a mobile phone. In the background, a modern building with a white slatted facade and large glass windows is visible. The words "MAN CENTER" are partially visible on the building's facade. To the right, a taller red brick building is partially obscured by trees with autumn foliage. A tall, thin light pole stands in the plaza. The sky is a clear, bright blue. A yellow vertical bar is on the right edge of the image, and a dark blue horizontal bar with white text is in the upper right corner.

# DREXEL UNIVERSITY

## 2022-2023

# GETTING TO KNOW DREXEL

Drexel's dynamic curriculum is specifically designed to take your students beyond the typical university experience, uniquely preparing them to meet the challenges of an ever-changing world.

Through an innovative model that combines advanced academics with experiential learning, Drexel provides students with opportunities to build upon their classwork by working side by side with their professors, gaining valuable experience in research, and by learning directly from the leaders of their field via our renowned cooperative education (co-op) program.

Drexel can provide your students with the knowledge, resources, and support that will allow them to turn their ambitions into reality. We hope the information presented here will provide some additional insight into who we are and what it takes to become a Drexel Dragon.
