WHERE AMBITION THRIVES

There's no question — transferring is a big step, and there's a lot to consider.

Whether you're looking for a different major, a change of scenery, or a world-class education right in your backyard, Drexel University has you covered. Our unique model of learning, along with our renowned cooperative education program, will empower you to complete your degree and achieve your personal goals.

Ranked within the top 60 of private institutions in the country by U.S. News and World Report, with diverse academic offerings, an emphasis on experiential education, and our location in Philadelphia — one of the most innovative and influential cities in the United States — Drexel is a place for students who want to learn, live, and work in a dynamic environment. No matter where your college career began, Drexel will serve as the perfect launching point to take your collegiate education to the next level. This is your opportunity to excel.

AN INNOVATIVE CURRICULUM

Drexel combines multidisciplinary academics with real-world application, preparing you to engage with and excel in the world around you.

BUILD A FOUNDATION OF ACADEMIC EXCELLENCE

Drexel University comprises 15 academic colleges and schools granting bachelor's, master's, and doctoral degrees, as well as post-bachelor's and post-master's certificates. Interdisciplinary learning and experience are incorporated into every program and, with over 80 undergraduate majors and as many minors, you can choose a path that reflects your personal interests and goals.

Here, you'll take an active role in your education. You'll not only learn the latest theories and practices, but through opportunities ranging from co-op and field work to community-based and travel-integrated courses, you'll have the chance to apply your knowledge in the real world. Our renowned faculty are experts in their fields, teaching courses in a supportive learning environment that boasts a 10-to-1 student-faculty ratio.

Drexel offers a variety of programs for transfer students to accommodate any schedule. Options include full-time on-campus study, part-time study, accelerated degree completion, and Drexel University Online.

LEARN ALONGSIDE THE LEADERS OF YOUR FIELD

Our world-class Steinbright Career Development Center offers one of the nation's leading cooperative education programs. Through Drexel Co-op, you can explore career possibilities while earning up to 18 months of professional work experience — all before graduation. Depending on your major and projected academic calendar, you can choose to participate in one, two, or three six-month co-ops and alternate periods of classroom study and full-time employment.

Our co-op program partners with more than 1,748 employers to offer positions in 35 domestic locations across the country, including Puerto Rico, and 28 countries around the world, providing the opportunity to work with companies such as Apple, The Children's Hospital of Philadelphia, and Vanguard Group, as well as startups, nonprofits, teaching hospitals, and governmental organizations. Going on co-op allows you to build an impressive résumé while test-driving your career and will give you a clear understanding of what you want to do and what you don't want to do. You'll also develop a real-world perspective that you can share with your professors and classmates when you return. Even better, the majority of these experiences are full-time and paid and those that carry a median six-month salary of over \$19,000.

In addition to guiding you through co-op, Steinbright's team of counselors and advisors will be here to assist in all aspects of your career development, including building essential interviewing skills, workplace success strategies, professional networks, and more.

To learn more about how co-op can help prepare you for success, visit drexel.edu/co-op.

TAKE A CLOSER LOOK AND FIND THE UNEXPECTED ANSWERS

Drexel has a storied and distinguished history of research and innovation, long emphasizing the value of intellectual curiosity and discovery. Regardless of your discipline of study, you'll be encouraged to take advantage of research opportunities that will allow you to work side by side with our faculty and research mentors. You can also lead your own projects, present your work in professional forums, and even have your results published. From cutting-edge labs to our innovative Expressive and Creative Interaction Technologies (ExCITE) Center, an incubator for multidisciplinary research activities in new and emerging areas, Drexel provides state-of-the-art facilities to help you explore the world.

To learn more about research opportunities at Drexel, visit drexel.edu/research-innovation.

DEVELOP YOUR VOICE TO ENERGIZE AND INSPIRE

Our University holds a strong connection and a deep commitment to the community around us. We partner with philanthropic organizations and nonprofits on local, national, and international levels, allowing our students to develop as engaged citizens prepared to make a difference at home and around the globe.

Through community-based learning courses and volunteer initiatives presented by the Lindy Center for Civic Engagement, you will be encouraged to collaborate with respected leaders to create a positive impact in a wide range of areas, including education, health care, and advocacy. By recognizing the importance of social responsibility and public service, Dragons accept the challenge of using their abilities and resources to improve the world beyond themselves.

To learn more about how civic engagement is incorporated into the Drexel experience, visit drexel.edu/about/civic-engagement.

PROVIDING OPPORTUNITIES TO EXCEL

Study Abroad

Immerse yourself in a new culture while earning college credits, with programs ranging from 10-day intensive courses focusing on a particular topic or theme to year-long exchange programs at international partner institutions.

drexel.edu/educationabroad

Close School of Entrepreneurship

Find the necessary mentoring resources, incubator spaces, and financial support to start your own business. drexel.edu/close

Honors Program

Gain access to advanced courses, specialized colloquia, independent study options, field trips, and more. drexel.edu/honors

Center for Military and Veteran Services

Take advantage of a variety of programs specifically designed for student-veterans, including the GI Bill's Yellow Ribbon Program, which provides free tuition to eligible veterans and their dependents, along with veteran-specific orientation programs, academic support services, and career transition programs. drexel.edu/veterans

English Language Center (ELC)

Build your English language skills through intensive English courses, a Graduate Preparation program, and a TOEFL Writing Preparation Course. drexel.edu/elc

OUR COMMUNITY

We invite you to join a warm and welcoming environment focused on supporting growth, exploration, and accomplishment.

SURROUND YOURSELF WITH THINKERS, LEARNERS, AND ACHIEVERS

Whether you decide to live on campus or commute to your classes, student activities are a great way to meet new people and stay active. Our Dragons are an energetic and inclusive community, welcoming roughly 500 full-time transfer students to campus each year. You can get involved with over 300 student clubs and organizations — everything from sororities and fraternities to cultural and religious groups to a Jedi club, music and performing arts groups, and a literary magazine. We also have 18 Division I varsity athletic programs, over 33 club sports teams, 17 intramural leagues, and state-of-the-art recreation facilities to keep your blood pumping. Regardless of where your interests lie, our Student Life teams will help you find your place and stay connected to campus life.

To learn more about how to get involved on campus, visit drexel.edu/life-at-drexel.

DISCOVER INSPIRATION IN A CITY AS UNIQUE AS YOU ARE

Since our founding in 1891, Drexel has been proud to call Philadelphia our home. This is a revolutionary town built on revolutionary thinking. Philly is the nation's sixth largest city, recognized as an international landmark and a vibrant hub of history, industry, culture, and education.

At Drexel, we embrace Philadelphia and use it as our extended campus. Our location presents a wealth of opportunities, from its museums, theaters, and vocational hubs to its signature cuisine, athletic events, and nightlife. A cosmopolitan city composed of quaint neighborhoods, our convenient location puts us within walking distance of, or only a short train ride from, everything the region has to offer. We're also only blocks away from 30th Street Station, a major transportation hub with access to regional trains and Amtrak, putting New York, Washington, D.C., Baltimore, and all of the East Coast's other major destinations within easy reach.

To learn more about everything Philadelphia has to offer, visit drexel.edu/life-at-drexel/living-in-philadelphia.

YOUR NEXT STEPS

PREPARE

If you're considering transferring to Drexel, here are the steps you should start to begin your transition:

- **Transfer Admission Requirements:**

Drexel considers a number of criteria when determining admission. You must disclose on your application and subsequently submit official transcripts for every collegiate institution you have attended. If you have fewer than 24 college credits, Drexel will ask you to submit your high school transcripts. Admission prerequisites for specific programs can be found at drexel.edu/undergrad/apply/prereqs.

- **Additional Transfer Requirements:**

Students whose first language is not English are required to submit TOEFL, IELTS, Duolingo, Cambridge, or PTE exam results unless they have successfully completed English Composition I and II at a regionally accredited U.S. institution of higher education. For more information regarding English language requirements and possible additional waivers, visit drexel.edu/undergrad/apply/transfer.

- **Credit Transfer:**

Drexel may grant credit for courses taken at other regionally accredited college-level institutions if we deem that they are substantially equivalent to courses in the corresponding curriculum at Drexel. Your academic department will create your official transfer credit evaluation document shortly after you have been admitted. Detailed information about the credit transfer process can be found at drexel.edu/undergrad/transfer/credits.

To learn more about degree requirements, visit the Drexel University Catalog at catalog.drexel.edu.

- **Military Benefits:**

Drexel offers a variety of education benefit programs to veterans and members of the military and their families, including the Yellow Ribbon Program. Visit drexel.edu/undergrad/veterans to learn more.

FINANCIAL AID

Drexel offers competitive financial aid opportunities for transfer applicants, including transfer-specific scholarships. The average scholarship and grant aid offered to full-time undergraduate transfer students seeking their first degree and entering in fall 2021 was \$28,362, including all federal, state, and institutional aid. While you will be reviewed for scholarships during the admissions review process, we highly recommend filing the CSS Profile and the Free Application for Federal Student Aid (FAFSA) as soon as possible to maximize your eligibility for support.

Financial Aid Application Deadlines

- **CSS Profile***

One month prior to the start of term

*Spring applicants must submit the CSS Profile prior to February 15

- **FAFSA**

Recommended one month prior to the start of term

For more information regarding financial aid requirements and processes, visit drexel.edu/undergrad/financing.

The Drexel Promise

All students who have earned an associate degree from an accredited Pennsylvania or New Jersey community college are eligible for a scholarship providing 50% of their tuition cost. Those who qualify are not required to submit a CSS Profile. Visit drexel.edu/promise to learn more.

SPEAK TO A TRANSFER ADMISSIONS REPRESENTATIVE

Our transfer-specific admissions representatives are here to guide you throughout the entire admissions process, providing a smooth transition experience tailored to meet your individual needs. Connect with an admissions representative today by visiting drexel.edu/undergrad/contact/representatives.

** Available to transfers as a part-time program only. Not available to international students.

*** Available to transfers only

**** Only available to transfers starting in the fall

For the most up-to-date list of majors available for transfer students, visit drexel.edu/undergrad/academics.

SEE FOR YOURSELF

The best way to learn about Drexel is to visit campus or connect with us virtually, and we offer a variety of options to meet your scheduling needs.

- **Campus Visits and Open Houses**

Campus Visits are offered on most weekdays and select Saturdays, and large Open Houses are held throughout the year. All visits cover topics from academics to the application process and include a student-led campus tour experience.

To schedule a visit, call 1.800.2.DREXEL or go to drexel.edu/undergrad/visit.

- **Transfer Instant Decision Days**

Held on select Wednesdays, Transfer Instant Decision Days allow you to meet with a counselor to learn more about your transfer options and receive an admission decision right on the spot.

Learn more at drexel.edu/undergrad/visit and, once you apply, call 1.800.2.DREXEL or log in to Discover Drexel at discover.drexel.edu to schedule an appointment.

- **Transfer Tuesdays and Transfer Thursdays**

Held exclusively for prospective transfer students, Transfer Tuesday and Transfer Thursday events provide you with all the information you'll need to apply to Drexel for an upcoming term.

Learn more at drexel.edu/undergrad/visit.

A DRAGON'S PERSPECTIVE

Each and every student has a unique experience at Drexel. Classes, cooperative education, research, and living in Philadelphia all contribute to each Dragon's own personal story.

- **Admissions Blog**

Our Admissions Blog gives you an insider's view. From hints about the admission process to a preview of life on campus and in Philly, learn from those who know it best.

- **PaperClip**

PaperClip is a collection of unique stories about Drexel experiences written by students. Read firsthand accounts written by our Dragons regarding everything from preparing for co-op to studying abroad and working in their local community.

- **Virtual Tours**

Whether you'd like to check out campus hotspots, learn about the restaurants in the area, what to do in University City, or even the best places to hear some local music, you can see it all on one of Drexel's walking tours. Can't make it to campus? Don't worry — our virtual tours and immersive YouVisit experience provide a unique perspective of what you'll find here at Drexel from the comfort of your own couch.

- **Student Stories**

This collection of videos and spotlights illustrates how our Dragons make the most of their opportunities and create individualized paths to meet their personal goals.

Check out all of this and more at drexel.edu/undergrad/life-at-drexel.
