Give official fall term enrollment census figures (head count) for the current and preceeding four academic years and undergraduate and graduate degrees conferred during each of those years. The "current" year means the academic year preceeding the fall visit.

Enrollment numbers are subject to change based on internal transfers, withdraws and other student-initiated actions.

FT--full time PT--part time The data for this table was generated using course enrollment numbers for the following BMES courses: BMES 101, BMES 124, BMES 201, BMES 202, BMES 241, BMES 341, BMES 345, BMES 375, BMES 381, BMES 382, BMES 490, BMES 491, BMES 492, and BMES 493. Students enrolled in the fall/winter co-op experience (COOP 201) are also included. This is the best indication of progression through the curriculum.

\*Degrees Awarded for the current academic year is estimated based on enrollment in the senior design sequence (BMES 491/492/493), students who have applied for their degrees, and graduate students' earned credits.
